

Internal Quality Assurance Audit Committee (IQAAC) under the umbrella of IQAC of Sushant University conducted the academic audits of all the eight schools of the university from 19th April 2021 to 29th April 2021. The audits were conducted with the following objectives:

- To ascertain bottlenecks and areas of improvement in the existing academic and administrative system.
- To strengthen the three prongs of academic functions namely teaching and learning, examination and research in order to achieve academic excellence.
- To enhance quality education through various funded research projects, experiential learning modules and maintaining quality learning outcomes in compliance with Outcome based Education system.
- To assess the efficiency & effectiveness of academic and administrative functions being performed by schools through audit of policies, documents and standard practices thus suggesting ways to improve quality through practicing good practices & continuous improvement procedures.
- To promote academic extension activities being followed at the university level in the form of sustainable practices and community service-based activities and events by various schools.

**The Consolidated Audit Report for Academic Audits of Schools of Sushant University
IQAAC Audit Report April 2021**
