Attendance Requirement for End Semester Exam June 2022

20 May 2022

This is further to the notification dated 6 May 2022 related to issue of Admit Card etc. As per the attendance requirement of the University a student is eligible to take the End Semester Exam (ESE) only if the attendance for the subject is at least 75% or above.

However, the University has decided to give a further relaxation of 15%. Therefore, in order to take the ESE a student is required to have at least 60% attendance in the subject otherwise the student would be debarred from the ESE of that particular subject. This relaxation is applicable only for this Semester.
