GLIMPSES OF School of Health Sciences

Message from the SHS Dean Desk

Dr. Sanjeev K. Sharma
Pro-Vice Chancellor
Registrar & Dean, SHS, Sushant University

I welcome you all to the School of Health Sciences, Sushant University which is a benchmark of academic and professional excellence. This is the era of changing landscape of healthcare. As the trained healthcare professionals are a strong backbone of healthcare system and play a vital role in providing solutions to the patients in the modern era of healthcare technologies, our main objective is to transform the education into professional opportunities. These aspiring healthcare professionals are educated in the form of industry visits, clinical training, hospital visits, community camps etc. to serve society with compassion, skill and vision. The course structure and curricula of different academic programs and courses offered by the School of Health Sciences has been designed by stakeholders keeping in mind the employability, skill and entrepreneurship opportunities.

I extend my heartiest welcome to all our new students and look forward to unravelling the exciting aspect of pedagogy to our budding healthcare professionals. I look forward to work with our students, faculty members and alumni to provide a congenial and comfortable learning environment so that they can gain better working knowledge of the world around, thus preparing them for a lifetime of opportunities and personal challenges.

Students Testimonials

Sushant University gave me this immense opportunity to develop my career in Optometry. The Optometry department and faculties here leaves no stone unturned to shape one's future which boosted my confidence and is paving way for a rewarding career. It develops our technical as well as practical knowledge towards and helps us grow in a competent professional.

Bhavya Marwaha
B.Optom (Batch 2020-24)

Anshika Sharma
B.Pharm(Batch 2019-23)

I am doing B.Pharmacy in Sushant University. The atmosphere at the campus is very friendly & welcoming for students. It regularly organizes workshops, seminars, industrial visits which really helps us to relate with the practical scenario in industry. The University has excellent infrastructure and provides quality education to students.

Being a student of sushant University is a matter of pride to me and I consider it as one of the best decisions I have taken towards my prosperous career. Hands on training and practical exposure along with fabulous faculty support has developed my keen interest for my subject - Psychology.

Rupal Pandey
B.Sc. Psychology, (Batch 2020-2023)

Haba Naqvi
B.Sc. CVT(Batch 2019-23)

At the very outset, I would like to express my heartfelt thanks to Sushant University. I extend my warm regards to my faculty of CVT which immensely helped me to get best theoretical knowledge along with practical in well equipped labs in University itself I can positively say that Sushant University has been the best part of my life and the most I admire is the support that I received from the University.

I, Shefali Bhatnagar, am delighted to announce the successful completion of my Master's Degree in Radiology and Imaging Technology at Sushant University. This journey has enhanced my knowledge, sharpened my clinical skills, and strengthened my commitment to quality patient care. I am grateful to the faculty for their guidance and look forward to contributing meaningfully to the field of radiology.

Shefali Bhatnagar
M.Sc. MRIT (Batch 2023-25)

Haziyl Rynjah
M.Optom (Batch 2022-24)

It's a pleasure to be a student and a part of Sushant University. The environment here is good for studies and the teachers are very helpful and friendly. "I choose Master of optometry to explore and learn more about the optometry field. To become a helpful optometrist in the society and in the medical field"
