**MARCO
POLO**

INTERNATIONAL STUDENTS EXCHANGE PROGRAM

Students who are considering making a career in hospitality must be prepared for an international experience. Keeping this in mind, Vatel gives the students an opportunity to undergo 3rd Year of their BHM programme in different Vatel schools across the globe.

This is an opportunity where students discover a different country, a new culture, while learning an additional foreign language and continuing their studies. The school year is validated and the ECTS credits are awarded by the host school. Finally, the students can also do their internship in the host country. With this program, students can:

- Explore a new country and its culture
- Acquire distinctive hospitality skills
- Learn an additional foreign language

A program awarded Best Innovation in an Educational Program

The Marco Polo program has been recognized by the international hospitality professionals as the Best Innovation in an Educational Program Award at the Worldwide Hospitality Awards. To make the most out of this experience, Vatel recommends that students extend their stay by doing their international internship in their host country.

**NIMES SUMMER
INTERNSHIP**

ONE SUMMER TO DISCOVER THE WORLD

One of the most exciting features of the Bachelor of Hotel Management Program at the Vatel Hotel and Tourism Business School, Sushant University Gurgaon is the special privilege that its students get to visit Vatel Nîmes, France for summer internship ranging from 5 to 7 weeks. This little town located at a little more than 700 kilometers south of Paris is a quaint historic city, which houses the Vatel hotel, the training institute and the hostel for students. Indeed an Experiential learning through Multicultural exposure for the students
