

Rural Women Empowernment

Navjyoti empowers rural women through skill training, SHGs for microloans, and entrepreneurship support. It raises awareness on gender rights and encourages women to participate in local governance. Many have become leaders, driving change in their communities.

Educational Empowernment

Through education, rural women gain awareness about their rights, health, and the importance of educating their own children, thereby breaking intergenerational cycles of illiteracy.

Economic Empowernment

Skill-building workshops in tailoring, handicrafts, beauty culture, and entrepreneurship. Women are also supported in forming SHGs to access microloans and start small businesses.

Social Empowernment

Awareness campaigns and workshops on gender equality, domestic violence, and women's rights.
