Extension for Online Registration - End Semester Examination - 05.01.2022

05 January 2022

Dear Students,

This is with reference to the request received from several students/parents regarding their inability to fill the online registration form for end semester examination. These students/parents shared various reasons including technical glitches, unavoidable reasons and requested for one more chance to apply for the end semester examination. Keeping in view of the above, management has kindly accepted their requests for reopening the portal for online application. Accordingly, the TCS ion portal will be reopened from **9:00 am tomorrow i.e. Thursday, January 06, 2022 till Friday, January 07, 2022 end of the day** for those students who could not apply due to any reason. All students are requested to take this one-time opportunity to clear their dues (If any) and apply for the end semester examination. **All students who have already applied, please ignore.**

In case of any query, please feel free to contact the Dean of your respective school.
