**Extension of online registration for end semester examination Jan 2022 for 2 days**

**20 December 2021**

Dear Students,

This is with reference to the request received from several students/parents regarding their inability to fill the online registration form for end semester examination. These students/parents shared various reasons including bank strike, technical glitches, unavoidable reasons and requested for one more chance to apply for the end semester examination. Keeping in view of the genuine reasons and career of students, management has kindly accepted their requests for reopening the portal for online application. Accordingly, the TCS ion portal will be re-opened from 9:00 am tomorrow i.e. 21.12.2021 till Wednesday, December 22, 2021 end of the day for those students who could not apply due to any reason. All students are requested to take this one-time opportunity to clear their dues (If any) and apply for the end semester examination. All students who have already applied, please ignore.

In case of any query, please feel free to contact the Dean of your respective school.
