MARCO POLO – STUDENT EXCHANGE PROGRAM BY VATEL

We believe that an international perspective with understanding of different cultures will strongly contribute to students' development and future career potential. Vatel's Marco Polo program gives the platform to strengthen this aspect. Upon graduation, students will be not only competent professionals but also effective communicators, good team players and critical thinkers. We at Vatel strive to give each one of you an opportunity to excel at what you do. We shall go on inspiring a new generation of passionate, pioneering professionals to take their positions as leaders in the hospitality and tourism industry

OUR VISION

With the school vision of "Becoming Country's leading Hospitality Management school imparting dynamic hospitality education at par with international standards through active integration" the Faculty of Vatel Hotel And Tourism Business School strives to offer high-quality undergraduate programme and Postgraduate Programme in the field of hospitality management. While we are committed to achieving global excellence in hospitality education, we continue to forge strong synergies between the industry, students and academic staff – partnerships that are at the heart of our success.

Vatel Hotel & Tourism Business School

The gateway to the world of Global Opportunities....

Vatel Hotel & Tourism Business School, Sushant University is known for delivering excellence in education and ensures an all-round progress and development of students.

I am confident in saying that Vatel Schools are the best in terms of honing management skills in its students. This provides us with many opportunities in terms of internship program to develop and to practice our skills. In addition to learning subjects, we take part in cultural and sports events, being part of fests and seminar attending workshop, delivering talks and guiding peers.

I have had a wonderful time here- it was really worth it.

Sumit Dubey
Alumni (2018-22)

I come from a family of hospitality entrepreneurs and Hospitality is in my blood. Hence I was looking for an institution that could help me further develop a career in the hotel industry in the international domain.

Vatel Hotel & Tourism Business School proved to be the right choice because it prepared me to get into the environment of hospitality with great knowledge and learning.

The program, the learning environment and the faculty are a testament to the quality education, which goes into creating empowered, empathic and ambitious young hoteliers that will shape the industry for years to come.

Shruti Sukhwai
BHM (3rd Semester)

At the Vatel Hotel & Tourism Business School, Sushant University, I discovered that all the skills can be honed by anybody who is willing to learn. Nothing is difficult. The professors and the faculty members are well qualified and experienced and are very cooperative and helpful they do their best to make the process of learning easy and user-friendly for the students.

Here we can get opportunities of domestic and international internships which in my mind is one of the greatest advantages for us students. my dream has always been to learn in France, in the French atmosphere. We have been made part of the international seminars and webinars which has given us a lot of confidence.

The placement team at Vatel Hotel & Tourism Business School works hard to bring in several core and big companies; there are placement drives happening almost every day. The workshops and events conducted by the various teams here at the institution helped me get a good overview of what is needed to work in a collaborative and professional environment.

I am very grateful to them for assisting me in obtaining a great opportunity with, Accor group of Hotels, New Delhi

Vatel Hotel and Tourism Business school, Sushant University has been a great contributor to the development of my personality. I have established my leadership, time management, and team skills and have also been able to advance these skills.

The placement cell provides a lot of training and development to achieve a good job, I have personally got 3 offer letters and am currently placed in the most prestigious Sales & Executive Development Management program of Taj group of hotels.

Chelsi Kanthwal

My tenure as a student at Vatel Hotel and Tourism Business school, Sushant University was a highly enriching experience. The erudite faculty members, with their expertise and willingness to assist, played a pivotal role in shaping my academic journey.

Their concerted efforts and support proved instrumental in securing my first job opportunity at The Le Meridien Hotel, New Delhi for which I am immensely thankful.
