ABOUT SUSHANT UNIVERSITY

Sushant University was established in 2012 under the Haryana Private Universities Act 2006. It is located in the heart of Gurugram, India's largest hub of National and Fortune 500 companies. We have seven schools offering programmes in Architecture, Design, Law, Management, Hospitality, Engineering, Health Sciences and Planning & Development. Sushant University has been awarded the National Education Excellence award “Best Private University in Northern India 2017” along with “CSR Excellence in Education” award for two consecutive years i.e. 2017 and 2018. Sushant University is also awarded with the Best University in North India for Placement 2022 by ICCL.

ABOUT THE PROGRAMME

Innovations and Start-ups are the major pillars of any country that provide ample opportunities to create employment and boost up the economy of the nation. In the same view, the Government of India launched the Start-up India, a nationwide programme, on Jan. 16. 2016. The overall output of this exercise is recently clearly observed in the post pandemic period in which the Pharmaceutical and Healthcare industry extensively commercialized various technological advancements including novel drug discovery, medical devices, health apps and many other platforms.

On the same track, this National Conference aims to develop entrepreneurial spirit among our students, research scholars, academicians and industrial professionals. We strive to motivate participants to create new and innovative business ideas and their implementation to strengthen the health industry framework. The conceptual understanding of conference proceedings broadens the perspective of participants and creates out of the box thinking about Innovations together with Entrepreneurship.

TOPICS COVERED

- Innovations Opportunities in Pharma Industry
- Regulatory Aspects of Pharma Innovations
- Intellectual Property Rights
- Entrepreneurship Skills
- Incubation of Business Ideas
- Start-up India
- Government Policies and Schemes for funding
