TREASURE OF SCHOOL OF LAW

QUARTERLY E-NEWSLETTER
VOLUME.7, APRIL-JUNE, 2022

FROM THE DEAN'S DESK

**Prof.(Dr.) Jagbir
Singh Dahiya**

“We are what we repeatedly do- Excellence. Therefore, it’s not an act but a habit”.

-Aristotle

I am extremely honoured and privileged to share the publication of Volume -7 of Leglytical-Treasure of School of Law, SushantUniversity. As I have quoted from Aristotle, I want to convey that exactly we follow the trend of imparting excellence in education and in other extra-curricular activities in our School of Law. I believe education not only gives us information but it builds up the capacity to implement the information innovatively. Leglytical is a glaring example of such innovativeness as through it we promulgate how unitedly and uniformly the School of Law functions and organizes event and activities in diverse sectors. For this brilliant creation and compilation I want to thank Dr.Sulakshana Banerjee Assistant Professor of Law for shaping Leglytical and to generate it in a distinguished manner. Undoubtedly, Leglytical is now one of the main strengths of the School of Law. She has substantiated “Education is not filling a pail but the lighting of a fire” as stated by William Butler Yeats. I wish good luck to her and her student’s editorial team for such spectacular artistry and conception.

With Best Wishes

Prof.(Dr.) Kanu Priya

“Strength and Growth only comes through Continuous Effort and Struggle.”

— Napoleon Hill

I am glad to announce and congratulate the Editorial Team of “LEGLYTICAL: The Treasure of School of Law” on the release of 7th Volume of the Newsletter. Time passes by so quickly and the accomplishments of the School of Law in all the diverse phases have emerged to encompass the dedication, effort and struggle of all the stakeholders. The campus is all bright and shiny with the students back on campus and all the activities being carried out physically in a normal way. The students are all geared to take up the challenges and face the new world of dynamic possibilities with integration of more and more technology. Our academic programs have witnessed a boost in terms of practical impartation of knowledge with multiple visits to Police Stations, District Courts, One Stop Centre, Prison, Cyber Crime Cells and many more. The presence of senior and experienced faculty has elevated the levels of teaching and research and strengthened the base for research scholars which are now 30 in number in just 3 years. Two recognition awards in the year 2022 are an evidence to the fact that the percolation of knowledge is aligned with the vision and mission of the School and is aimed at achieving excellence in the cause of legal education.

This newsletter helps us to keep updated with the latest initiatives and achievements of the students and faculty and would be best window for any stranger to take a sneak peek into the affairs of our school. I acknowledge and appreciate the efforts being made to raise the bar of the School of Law, Sushant University!

Inside Leglytical

“It is the supreme art of the teacher to awaken joy in creative expression and knowledge”. - Albert Einstein

Education is the greatest path to invention. And invention is not about tools. It's about people, process and pedagogy. Learning and innovation go hand in hand. With this stance, I am delighted to share and publish Volume-7 of Leglytical- a treasure of School of Law, Sushant University. It's always been a great pleasure and honour to devote myself along with my three intellectual student editors for such a unique and valuable contribution. The impact of such involvement brings great joy and ecstasy to all. The happiness we cultivate from it is beyond expression.

It is not about ideas but it's about making ideas happen which is the chief motto of creating and crafting Leglytical. Students are hereby provided a wonderful opportunity to showcase the natural extension of their enthusiasm. Through Leglytical they get a chance to enhance their curious mind and to discover. Students extract encouragement and motivation and that bears the true portrayal of Leglytical, that is , the treasure of the School of Law.

EVENTS AT A GLANCE

VISIT TO POLICE STATION

The School of Law organized a visit to the Police Station as part of their curricular activity for the course on Law of Crimes-II (Code of Criminal Procedure) on 19th, April 2022. The students visited Sector 56 Police Station, Gurugram. The visit was organized by Prof. Anil Dawra and he briefed the students before visiting the police station regarding the investigation process. The students were divided into 3 groups and all the 3 groups went to different rooms for practical knowledge. Each group one after the other had a conversation with the Sub-inspector of the police station and questions were asked by the students to the different inspectors and MHC. The students got an opportunity to see the case diary of old times and the manner in which it was maintained and written by hand. They saw the FIR register and were explained about the process of registering an FIR, the Daily diary named Roznamcha scribbled in Urdu, and examined the Reports in a particular case file like MLR, PMR, FSL report and the Final Police report to be submitted in the court. The students also asked questions about the arrest of women and all criteria and steps followed for the same. This entire briefing was done in all the three groups simultaneously and explained very well to all the students. The students also happened to see the lock-up cell and the illegal things seized and kept in the custody of the police. Overall, it was a great and insightful learning experience for the students aimed at imbibing practical knowledge with the theoretical knowledge gained by them.

VISIT TO BHONDSI JAIL

The School of Law organized a visit to the Police Station as part of their curricular activity for the course on Law of Crimes-II (Code of Criminal Procedure) on 21st, April 2022. The students visited the premises of the District Jail, Gurugram situated at Bhondsi village, Gurugram. The visit was organized by Prof. Anil Dawra and he briefed the students before visiting the Jail regarding the procedure being followed by the jail authorities to engage and reform the inmates. The jail officials briefed the students about the rules and regulations of the premises, moreover, students were provided opportunity to acquaint with the lifestyle of the inmates. The lush green campus with amenities such as hospital, recreational centre, training centre, creche, etc. strengthens the process of reformation. The visit gave a first-hand experience to the students and they appreciated how the prisons in India are transitioning into reformatory centres in its true sense. Overall, it was a great and insightful learning experience for the students aimed at imbibing practical knowledge with the theoretical knowledge gained by them.

VISIT TO CYBER CRIME POLICE STATION

Students of School of Law, Sushant University visited the Cyber Crime Police Station on Friday, 22nd April 2022, Gurugram. They were escorted by Prof. (Dr.) Anil Dawra and Ms. Vidushi Puri. The field trip aimed at gaining hands-on knowledge and learning basic skills. During the visit, an Investigation Officer took the students round the complex and explained to them the modus operandi and working and functioning of the Police Station. The Police Station is a host to various specialized wings dealing with different tasks like the economic wing, the social media monitoring wing, etc. Further, he interacted with the students and explained that the complaint regarding cyber crime can be filed both manually and using the government portal of Ministry of Home Affairs- cybercrime.gov.in

Apart from this, significant numbers of cases of cyber bullying, cyber stalking, etc. are also reported. He further deliberated on the rise of cases of Cyber footprints, IP Address (which includes the timestamp), URL are made used to solve the cases. The students learnt how to deal with cyber crimes. They were taught to take precautionary measures when online or using a network device. They also got an opportunity to communicate with two accused persons in the case of a financial fraud and learnt about real cases of cyber crimes. The students thoroughly enjoyed the trip and gained enhanced practical knowledge on cyber crime.

VISIT TO EARTH SAVIOUR FOUNDATION, BANDHWARI, GURUGRAM

The School of Law organized a visit to the Earth Saviour Foundation as part of their social activity during their Training Program with the District Courts, Gurugram on 29th, April 2022. The students visited the premises of the foundation in Bandhwari Village in Gurugram located in the midst of Aravalis. There were about 500 inmates being rescued by the foundation from different public places who were abandoned by their family members. Majority of these people are either physically or mentally challenged. This NGO was founded by Mr. Ravi Kalra is after his sudden demise is now taken care of by his son Jas Kalra. The foundation is doing an excellent job by treating the illness of the inmates and making arrangements of sending them home wherever possible. The students not only met and interacted with the inmates but also served them food and drinks. The students expressed their empathy towards the pity condition of the inmates and decided to conduct donation drives to help the foundation meet their objectives. Such visits are extremely essential for the students and one of them expressed, "This is the bitter truth of life that even after being so privileged we are not happy". This activity became part of the societal contribution of the students to make them a good Samaritan.

BEGINNERS OUTLOOK

Sushant University School of Law is a fit place for enhancing your knowledge. In present times when the actual “GYAN” (knowledge) is difficult to find, here at SOL it is imparted in plenty. The best feature of education at SOL is that it is imparted with a personal connect. The unconditional willingness of the faculty to be available for students even beyond academic schedule is rare and clearly differentiates SOL, Sushant University. Various extra-curricular activities conducted round the year further enhances the students’

As a senior citizen, I was not sure about what to expect from the School of Law at Sushant University when I joined the LL.B program in September last year. Eight months down the road I can say it's been an invigorating roller coaster ride. Frankly, I have been pleasantly surprised by the intellectual caliber of the faculty. Their enthusiastic teaching even in the face of covid-depleted attendance, and the excitement and willingness to engage with differences of opinion bring sparkle to the class room. Once the teachers realized we oldies meant no harm, they joined the fun we were having in exploring the maze of bare acts and not so bare exams. And nothing like a Chai and dosa with giggly students in the uni cafeteria to feel young again.

BEGINNERS OUTLOOK

I, Vinamra Dixit, an Alumni (Batch – 2021) of School of Law, Sushant University, Gurugram currently pursuing LL.M in Criminal Law (Second Semester). I am a Gold Medalist in B.A. LL.B (Hons.).

In a world full of options finding that correct educational institution that catered to my needs was a difficult task to deal with. Fortunately, I found my place at Sushant University. Located in the heart of Gurgaon city, Sushant University is an able University ready to prepare you for the world ahead. Pooled with a capable and competent staff, ready to assist and encourage at every stage of your professional learning, Sushant University offers a thorough support throughout your student journey. Tomorrow, when I will graduate from this University once again after completing my Master's Degree, I will feel immense gratitude and will be pleased that I chose Sushant University, for it has transformed me to a man I have always desired to be.

I Honey Khanna, has been enrolled as a student of LL.M Corporate Law for year (2021-2022). At the time of admission, the faculty has helped me in choosing the specialized programme based on my interest and interactions. The faculty is extremely amazing and knowledgeable as well as helpful. One year of LL.M is undoubtedly hectic and it gets over even before you think it has started but it is, although draining at times, an enriching experience for students. They also focus on each and every student of the batch. They help every student with their internship programs and give consultation in time of need.

Overall the college staff is supportive. The infrastructure is small but green. Classrooms, library, etc. are in excellent condition. The campus is fully Wi-Fi enabled and we have great mock court sessions. Moreover, many a time the university through different means also helps get students placed. Rest things you will get when you come to this place as everything cannot be expressed in words.

At the end of the day, SU is a great place to be. Students get the opportunity to interact with the best legal minds in the country and are bestowed with significant exposure.
