Some general conditions applicable for all Batches: -

1. Students must attain a minimum of 75% attendance in all subjects/courses and/or should not have been debarred from taking end semester examinations due to short attendance.
2. Students should have passed all the examinations in the first attempt in the previous semester.
3. Students should not have been involved in any act of indiscipline or any police case inside or outside the University during his/her period of study at SU.
4. Lateral/ Migration students will not be eligible for merit-based scholarship until they complete one semester at SU and fulfill all the conditions mentioned (Provided that migration students would only be considered if the fee is at par with SU fee structure)
5. Submission of documents does not guarantee Merit Scholarship. There will be a short listing of candidates.
6. Students can avail only one scholarship/ fee concession at a time.
7. No student would be considered for a scholarship without (or incomplete) application form.
8. Students from Nepal & International Students will not be eligible for these scholarships due to their special fees structure.
9. Students whose document verification process is incomplete would not be considered for any scholarship/ fee concession.
10. If there is a tie while drawing merit due to multiple students having same SGPA, it can be resolved by calculating SGPA up to 3 decimal points. If still not resolved, the amount of scholarship available for that rank will be distributed equally among number of students securing that rank.
11. Students of Bachelor programmes of School of Health Science (except Pharmacy) will be clubbed together for calculating batch size.
12. Students of Master programmes of School of Health Science (except MOPT-PR) will be clubbed together to calculate batch size.
