

29 October 2021

Notice - Mid-Semester Evaluations to be held in Offline Mode

Dear Students,

As you are aware that this semester we have started classes in the physical (offline) mode for all students.

All students to note that the Mid-Semester Evaluations (MSE) scheduled from 8th November onwards for Semesters 3,5,7,9 and from 29th November for First Semester would be held in offline mode (physical mode on campus) only.

Please make appropriate arrangements for travel etc. so that you do not miss any assessments. Absence in the assessments would lead to zero marks being awarded in the particular MSE component.
