Part II

5. **Goal/ Purpose of the Event/ Brief of the event:** A webinar on public participation discussing local area plan by Urban Design by IUDI DNCR & URJA- Knowledge partner- M.Arch Urban Design SSAA, Ansal University.

This is the third Public participation studio undertaken by M.Arch Urban Design SSAA, Ansal University .(2018-20 batch)

Institute of urban designers, India - Delhi NCR centre (IUDI DNCR) & United residents joint action of Delhi (URJA) collaborated to create Local Area Plan's for various wards of Delhi and NCR in the year 2018, keeping in mind a larger public good for the city as the two interact at several levels of connectivity.

They worked on LAP's for the wards in west and south Delhi with the Urban Design department, Sushant School of Art & Architecture, Ansal university, Gurugram (SSAA) and developed the LAP's while engaging with the local urban bodies, market associations, residential welfare associations, NGO's and the citizen's of Delhi.

6. **Materials/ Facilities used:** Projector and audio system, Stationaries for drafting and model making

Part III

8. **Summary of the proceeding:** While working at the Lajpat Nagar wards meetings were conducted at different wards and inputs were taken by the stake holders to evolve the 'Local Area Plan with Urban Design'. The SDMC had a vision of developing Lajpat Nagar Maket as an "Open Air Mall". Based on the series of such events IUDI DNCR, URJA, SSAA with SDMC conducted stake holder meetings and prepared Local Area Plans for the Lajpat Nagar market. 'The collaborative LAP with UD' document was prepared with the inputs from various stake holders which has the potential to becomes a guiding strategy. Also, we are in the time of Pandemic when the markets are seeing its down time whereas this document was prepared in the time when the market was functioning at its peak capacity. Therefore, to show how Urban Design can impact people's life in the city and bring about positive urban change we are conducting an online webinar on June 27' 2020 at 4:00 pm with a focus on 'Pedestrianisation of markets in Delhi'.
