Important Guidelines for Ph.D. Programme:

(In accordance with the SU REGULATIONS FOR DOCTOR OF PHILOSOPHY (Ph.D.) and the UGC REGULATIONS 2022)

- Applications for admission to Ph. D Programme will be invited throughout the year.
- The admission to Ph.D. Programme will be through an Entrance Test of Sushant University. Relaxation for appearing in the entrance test may be granted by the University to those candidates who have qualified GATE/NET (UGC & CSIR)/CEED during previous three years. However such candidates will appear for an interview along with the candidates who appeared for the entrance test of the University.
- The Coursework for Ph.D. Scholars will be as recommended by the SRC and approval by the Academic Council. However, five courses of total of 12 credits will be conducted for all Ph.D. Scholars covering Research Methods, Literature Review, Latest trends in the respective discipline, ICT in Research & Research Publications and Ethics. Other courses can also be prescribed if required and

recommended by the SRC.

4. The coursework classes are usually held during the evenings/ weekends.
5. The evaluation of each course consists of continuous and end semester components. The continuous evaluation component will have a weightage of 40% and end semester examination will have a weightage of 60%. For the paper on Literature Review, the end-semester examination could be in the form of Written Research Paper evaluated through presentation and/or Viva-Voce.
6. The date of submission of the Literature Review Paper, the draft of which will be prepared during the course work, will have to be submitted to the supervisor and the presentation/viva will be conducted after the written examination is over.
7. To pass in the Coursework, a scholar will be required to secure minimum 60% marks in aggregate or B grade in each course separately as per the SU Regulations.
8. A research supervisor will be allocated by the SRC from amongst the regular faculty members of the University holding a doctoral degree and based on his/her specialization and the research interest of the student.
9. A co-supervisor can be allowed in inter-disciplinary areas from other departments of the same school or from other related institutions by the Vice Chancellor on recommendation of the SRC.
10. SRC on approval of the higher authorities can appoint another faculty as a supervisor in case a supervisor retires, leaves the university or is unable to supervise or for any other reason.
11. Each Ph.D. Scholar will finalize the work schedule in consultation with his/her guide(s) and will continuously remain in contact with the guide(s). The scholars will have to visit the University at the end of every semester to present the progress made. SRC, Faculty Members of the Institution/Department, other Research Scholars of the Institution/Department and Post-Graduate Students of the Institution/Department may be present during the presentation. Progress made will be evaluated as per SU Regulations.
12. The research scholar may be de-registered from the Ph.D. Programme in case the progress of the research scholar in two consecutive progress review presentations is unsatisfactory or the scholar remains absent even in one progress review presentation without informing in advance or without any valid reason.
13. The Research Scholars are advised to keep consulting their respective guide (s) on data collection, research paper publication, pre-submission presentation, thesis writing, preparation and submission of long abstract, final thesis submission, etc. Research Scholars are also required to maintain a progress diary, which should be signed with date and time by the Research Scholars and the Guide(s) whenever both meet for discussions.
14. The Candidate is required to publish two research papers in peer reviewed reputed journals from UGC approved list/SCOPUS/Web of Science/ABDC listed and two conference paper presentations from their PhD work to meet the criteria for thesis submission. The papers must be published as a research scholar of Sushant University.
15. For SCOPUS indexed publications, the candidate has to ensure that his name along with the published paper appears in the Author's search on Scopus database, failing which it will not be considered towards thesis submission.
16. The University has the right to cancel the admission of the candidate at any stage if he/she is found to be ineligible/unqualified/not entitled to the course admitted with respect to the statutes and regulations in force.
17. In exceptional circumstances, on the recommendation of SRC, Academic Council may relax any of the above mentioned rules of the Ph.D. Programme.
