I. PREAMBLE

Sushant University (erstwhile Ansal University) was established in 2012 under the Haryana Private Universities Act 2006. Located in the heart of Gurgaon, India's largest hub of National and Fortune 500 companies, it has eight schools offering programmes in Architecture, Design, Law, Management, Hospitality, Engineering, Health Sciences and Planning & Development.

Sushant University has been awarded the National Education Excellence award "Best Private University in Northern India 2017" along with "CSR Excellence in Education" award for 2 consecutive years i.e. 2017 and 2018. Sushant School of Art and Architecture at Sushant University is the flagship school which started in 1989 and has been consistently ranked No. 1 Private Architecture School in India by Outlook Magazine.

We are a university with the core ideology of being futuristic with the mission "AHEAD. FOR LIFE". The curriculum design is guided by inter and trans-disciplinary approach incorporating pedagogies that expand learning opportunities, ensuring higher order learning outcomes.

The various schools under the University have carved a niche by offering contemporary programmes with renowned faculty acclaimed nationally and internationally, state-of-the-art Infrastructure and facilities to promote academic excellence. The University has collaborated with some of the finest Universities and Institutions in the UK like the University of Warwick, Art University of Bournemouth, University of West England and Vatel International, France in the areas of Curriculum Development, Student and Faculty Exchanges, Joint PhD supervisions, joint research Conferences, seminars and study semesters abroad.

Need and Guidelines:

In addition to academic activities, all the schools in Sushant University are also involved with research and development in varied fields. The SU Schools (though their faculty/scholars/students) constantly take up research and development work in collaboration with Government organizations, private organizations, independent research organizations, industries, corporates and NGOs. To recognize and encourage excellence in academic research SU notifies a research promotion policy which sufficiently incentivize its members for numerous research related activities

Objective:

The objective of this policy document is to provide incentives in the following categories:

1. For taking up research projects from various organizations
2. Publications in refereed journals/books/book chapters
3. Publication and grant of patents
4. Financial assistance for attending national and international conferences and faculty development programs

5. For national/international awards/fellowship/recognition
6. Seed funding for research

This policy may be modified from time-to-time to suit the evolving nature of research and development activities.

2. POLICY

This policy is applicable to all personnel belonging to Sushant University. University motivates its faculty members and students to publish papers in Scopus/Web of Science, National and International high quality indexed journals with good impact factor, submit proposals for financial assistance from external agencies, apply for patents, books/book chapters and the University will reward its members for the said activities. The research activity has to be recommended by the Centre for Research and Development and to be forwarded to Office of VC for final approval.

A. Incentives for Projects

All Professors, Associate Professors and Assistant Professors with Doctorate Degree shall endeavor to submit Research Projects for award of grants from external non govt or govt. funding agencies such as DST, DBT, DRDO, ISRO, ICMR, UGC, AICTE, ICAR, CSIR, ICSSR, DST of State Government etc., and international funding agencies.

An honorarium will be provided to the SU members for the duration of the project as per below distribution:

- Rs. 4000/- per month to PIs and Rs. 2000/- per month to Co-PIs if the total project cost is more than Rs.10,00,000.
