School of Health Sciences**

Golf Course Road (5 mins from Metro Station), Sector 55, Gurugram, Haryana-122003  
**M. 8383848090, 7018058434, 7503655598** | Website: [www.sushantuniversity.edu.in](http://www.sushantuniversity.edu.in)

## About the Sushant University

Sushant University (Erstwhile Ansal University) was established in 2012 under the Haryana Private Universities Act 2006. It is located in the heart of Gurugram, India's largest hub of National and Fortune 500 companies. We have eight schools offering programmes in Architecture, Design, Law, Management, Hospitality, Engineering, Health Sciences and Planning & Development. Sushant University has been awarded the National Education Excellence award "Best Private University in Northern India 2017" along with "CSR Excellence in Education" award for two consecutive years i.e. 2017 and 2018. Recently, Sushant University is awarded with the Best University in North India for Placement 2022 by ICCI.

## ABOUT THE PROGRAMME

Healthcare Sectors are undergoing a digital revolution and this transformation encourage the innovations in patient care. Health technology plays a pivotal role in emergence of telemedicine, smart monitoring devices, e-pharmacy, doctor-patient interaction, research and hospital management. There is a widespread acceptance of this transformation amongst stakeholders post covid pandemic. To cater to the ongoing developments in healthcare, there is a need to empower and support our clinicians, pharmacists, educators, researchers, community leaders and other healthcare professionals to adopt recent technologies and advancements in the healthcare system.

This National conference on "Understanding the Role of Digital Healthcare in India" aims to bring together leading academic scientists, industry experts, research scholars and healthcare professionals in the area of digital health to exchange and share their dynamic experiences, researches and futuristic vision about the recent digital transformation in healthcare sector. It provides a premier interdisciplinary platform to represent and discuss the most recent innovations, concerns as well as practical challenges encountered and relevant solutions adopted in the field of digital healthcare sector.
