

Department Name	Optometry
Name of Event:	World Glaucoma Day “ Free Glaucoma Screening”
Date of Event:	13 th March 2024
Venue :	Sushant Vision Care Centre(SVCC)
No. of Participants:	Total Participants : 88
Participants:	Faculties of SHS

REPORT:

Department of Optometry, SHS Sushant University, in collaboration with Dr. Shraddha Yadav, MBBS, DNB (Ophthal), Cornea & Refractive Surgeon at Ahooja Eye & Dental Institute, and Mr. Sunil Dixit, Optometry Incharge at AEDI.

Objective: To raise awareness about glaucoma, the 'Silent thief of Sight', in commemoration of World Glaucoma Day and to facilitate early detection and prevention.

Overview: On March 13th, 2024, the Sushant Vision Care Centre at Sushant University was abuzz with activity as the Department of Optometry, in collaboration with esteemed professionals, organized a "Glaucoma Eye Screening" event. The initiative aimed to shed light on the often overlooked but debilitating eye condition of glaucoma, while providing attendees with an opportunity to undergo comprehensive eye examinations.

Attendance and Participation: The event witnessed enthusiastic participation from faculty and staff members across the university. Their active involvement underscored the significance of prioritizing vision health. Attendees eagerly engaged in the screening process, displaying a genuine interest in safeguarding their eyesight.

Expertise and Dedication: Dr. Shraddha Yadav, along with Mr. Sunil Dixit, played pivotal roles in ensuring the success of the event. Dr. Yadav's profound expertise as a Cornea & Refractive

Surgeon, coupled with Mr. Dixit's extensive experience in optometry, ensured that each participant received thorough assessments and guidance regarding their eye health.

Success and Impact: The Glaucoma Eye Screening event was deemed highly successful, owing to the collaborative efforts of the organizing team and the proactive involvement of attendees. By fostering awareness and facilitating early detection, the initiative took significant strides towards combatting glaucoma and promoting optimal eye health within the university community.

Conclusion: In conclusion, the Glaucoma Eye Screening event at Sushant University served as a poignant reminder of the importance of regular eye check-ups and proactive measures in preserving vision health. Through collective action and collaboration, we can continue to raise awareness, detect, and prevent sight-threatening conditions like glaucoma, ensuring a brighter and clearer future for all.
