## **REPORT:**

Department of Cardiovascular technology from School of Health Sciences of Sushant University successfully organised an event on “World Heart Day”. The theme of this world heart day was ‘USE HEART TO KNOW HEART.

It consisted of a Zumba Session conducted to improve heart health from 9:30 to 10:30. It was a fun session conducted by Miss Shagun Saini. The session was done by both faculty and also some students. It was enjoyable and got everyone’s blood pumping and made everyone feel energetic.

# ZUMBA ON WORLD HEARTS DAY 2023

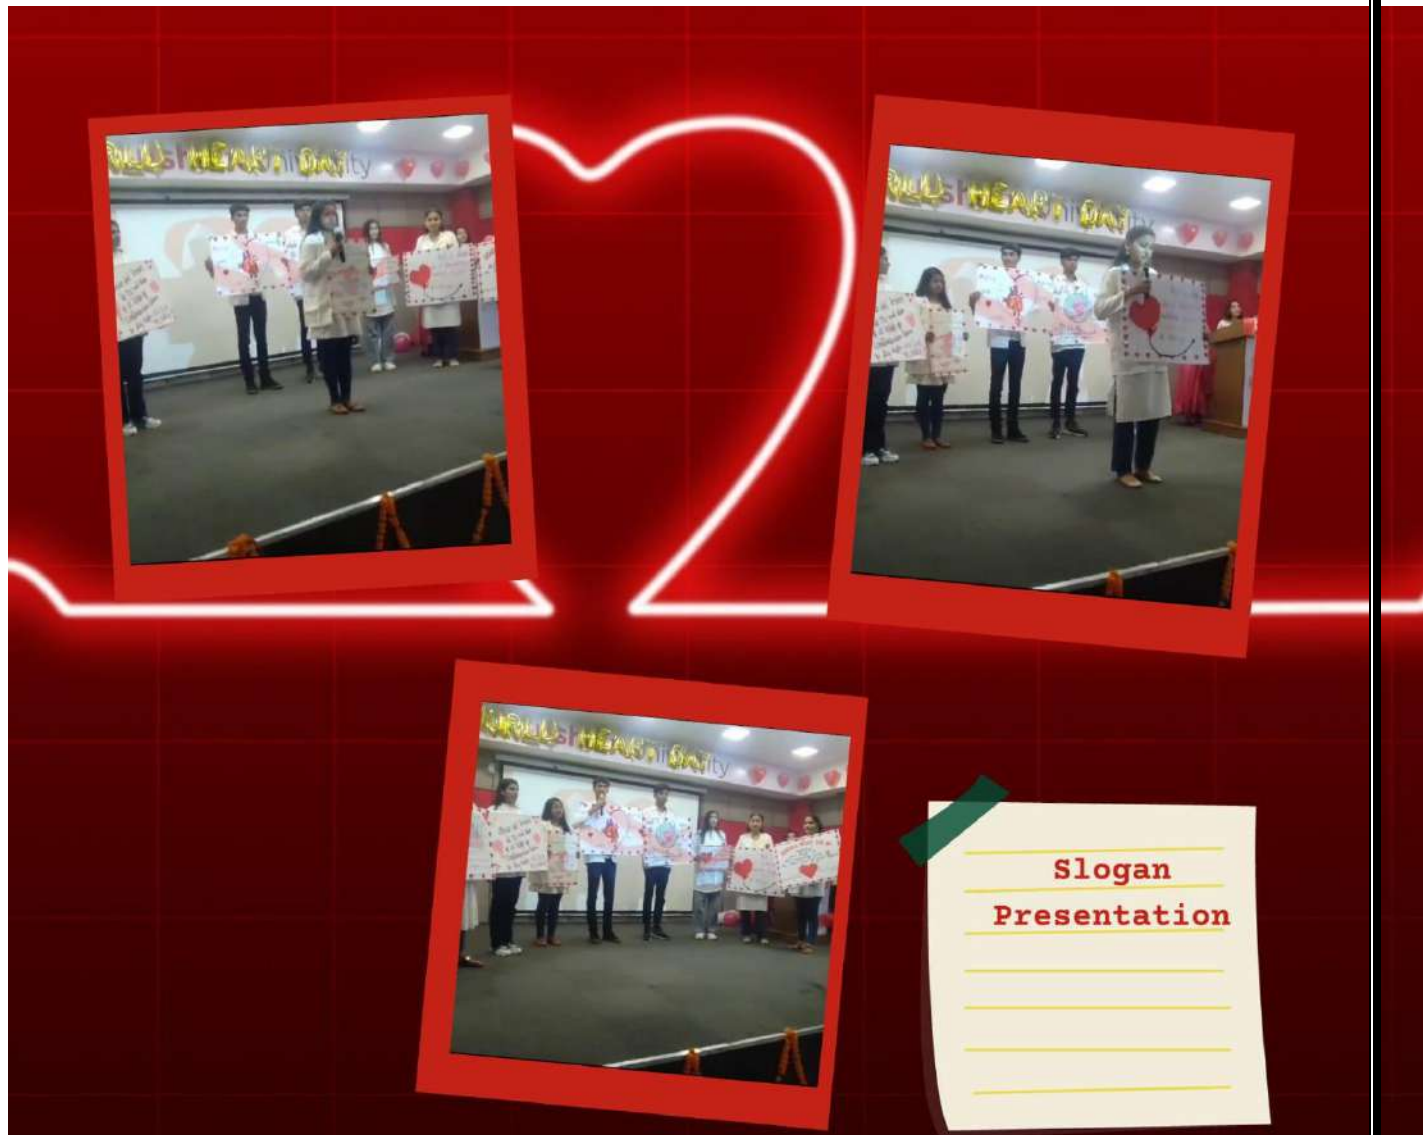

Use  to  
know 

This day the event was divided into two parts –‘The Zumba’ and ‘The main event’ which was celebrated in the Auditorium. The guests of the event were Pro VC sir and HOD Maam. The main event was started with ‘Lamp Lightening’ done by our respected Pro VC sir and Hod Maam along with our faulties of health Sciences. This was followed by a graceful Saraswati Vandana performed by the students to invoke the Goddess of Education before our event.

After this auspicious beginning to the activities our main event began with an informative slogan presentation by the first years of CVT. This was very enriching and thoughtful.

This was followed by demonstration on the procedures of ECG and CPR by 5<sup>th</sup> Semester students. It was engaging and extremely knowledgable. The students also followed it with a pledge on this occasion of World Heart Day. This was very thoughtful.

The demonstration was followed by a humorous skit on the various damaging symptoms of heart disease. This was presented in a very funny and engaging format by students of 3<sup>rd</sup> Semester and 1<sup>st</sup> Semester.

After this there was various informative videos presented by CVT followed by fun dances and competitions like quiz presented by CVT.

The moderation of the event and vote of thanks ended this event. It was an extremely wonderful event conducted by CVT with lots of memorable moments.

HAPPY  
World Heart  
Day

Fun moments!!
