LETTER OF RECOMMENDATION

I am pleased to share that Mr. Deepanshu Yadav worked with me as a legal intern from 1st July-2023 to 30th July -2023. I have observed very closely that Deepanshu Yadav is well equipped with oratory and writing skills. He is also possessed with natural gift of leadership and editing qualities. He helped me and my office in drafting the cases and searching the latest judgment on law during his period as a legal intern. I found him that he is well acquainted with literary, social, political, economical and sport qualities also.

Deepanshu Yadav is an insightful individual who has a strong grasping power on legal matters. His desire to constantly learn more about the functioning of Courts was an encouraging sight. He is a quick learner and understood the workings of my legal office effectively. He took charge of things and helped my office in organizing case files effectively. He played an active role in reading and researching precedents, which saved much time in important cases.

I wish him all the best in his future endeavors. I will be very responsive to entertain any queries and concerns about Mr. Deepanshu Yadav.

My recent internship

My last internship was with Advocate Mayank Rana this was the internship in which I learnt the most and gained the most experience. It was not only research work but also learned to draft legal document. . He also taught us various court etiquettes, how to greet the respected judges and importance of being well-dressed. He was very ethical and professional towards all the interns. In this internship most of cases which I did research were criminal cases .
