Dear Mr.Rohit**Greetings from VHTBS ;**

As per our telephonic conversation regarding **22 weeks internship**. I would like to introduce VHTBS (Sushant University, Gurgaon) for the same.

The Vatel Hotel & Tourism Business School, (VHTBS) Sushant University conducts a Degree Programme – BHM in collaboration with the **Vatel Business School of France**.

Having primarily a practical, hands-on syllabus, the structured curriculum obliges the students to not only gain theoretical inputs in the classrooms, but also to expose themselves to the real world of hospitality by way of industrial exposures, internships, participation in competitions, events and in organizing food festivals of different kinds.

We write to seek your help, requesting you to allow the opportunity of a **22-weeks' exposure to students**. The prime purpose of this exposure is to provide knowledge of all four Core departments as per the curriculum and procedures of your hotel and to contribute in operations, as per the guidance of your training manager. **The training is scheduled from February 7th 2022 . Student will undergo in all four departments (Front Office,House keeping,Food Production & F & B service)**

We are sure, in appreciation of your understanding of the fact that industry and academia must progress hand-in-hand, you would allow this valuable exposure to our students.

We look forward to your guidance and support from time to time and eagerly wait to hear from you.

Kindly find the attachment of resume for your ready reference

Waiting for your reply so that we can start further process.

Dear Ms.Pallavi**Greetings from VHTBS ;**

As per our telephonic conversation regarding **20 weeks internship**. I would like to introduce VHTBS (Sushant University, Gurgaon) for the same.

The Vatel Hotel & Tourism Business School, (VHTBS) Sushant University conducts a Degree Programme – BHM in collaboration with the **Vatel Business School of France**.

Having primarily a practical, hands-on syllabus, the structured curriculum obliges the students to not only gain theoretical inputs in the classrooms, but also to expose themselves to the real world of hospitality by way of industrial exposures, internships, participation in competitions, events and in organizing food festivals of different kinds.

We write to seek your help, requesting you to allow the opportunity of a **20-weeks' Internship to 4th Semester students**. The prime purpose of this exposure is to provide knowledge of all four Core departments as per the procedures of your hotel and to contribute in operations, as per the guidance of your training manager. The training is scheduled from 7th February 2022 to 27th June 2022.

We are sure, in appreciation of your understanding of the fact that industry and academia must progress hand-in-hand, you would allow this valuable exposure to our students.

We look forward to your guidance and support from time to time and eagerly wait to hear from you.
