Head

Dated: September 13, 2002

TO WHOM IT MAY CONCERN

This is to certify that Shri Sanjeev kumar Sharma is known to me for the last five years as a Ph.D. student. He is working on the research problem entitled, "Isolation and characterization of Oleate hydroxylase gene from Castor". Besides, he also studied Molecular Biology & Biotechnology and Microbiology as minor disciplines and obtained OGPA of 3.78/4.0.

I have found him a hard working, sincere, and dedicated research scholar. He is capable of undertaking and accomplishing a wide range of academic jobs. He has a pleasing personality and gets along well with his colleagues in the Laboratory.

I wish him all success in her future endeavour.
