A handwritten signature in blue ink, written over a circular stamp. The stamp contains the text 'SUSHANT UNIVERSITY' and 'GURUGRAM' around the perimeter. The signature is stylized and appears to be 'Sushant'.

A circular stamp of Sushant University Gurugram. The text 'SUSHANT UNIVERSITY' is written around the top inner edge, and 'GURUGRAM' is written around the bottom inner edge. In the center of the stamp, there is a handwritten signature in blue ink.

<p>Description</p>	<p>The UBA Cell of Sushant University, under the government initiative, Unnat Bharat Abhiyan organized an interactive webinar on Organic Farming. Sustainability, going back to the basics and organic methods hold the key to a greener future. We joined hands to learn, unlearn and relearn the amazing benefits of organic farming. Dr. Dinesh Kumar, principal scientist from IAIS, Delhi enlightened us with some interesting facts about organic farming. The session ended with a vote of thanks to the speaker and all the attendees.</p>

School of Engineering and Technology
National Online Essay Competition
Theme: Elimination of Single Use Plastic
Report

The School of Engineering and Technology (SET), Sushant University hosted an Essay Writing competition starting from 14th June 2021 with an aim to raise awareness about the harms of using plastics. Students from class 10th to 12th from across the country participated by submitting Essays written by them on the theme "**Elimination of Single use plastic**"

The winner of the Competition was announced **on July 3rd** as the day is marked as the **International Plastic Bag Free Day**. It is an initiative to promote environmental conservation by encouraging people to reject plastic bags.

The last date of submission was 30th of June, 2021.

Important Info:

1. Participation Certificates will be given to all.
2. Winning entry will be featured on SET website
3. Achievement Certificate for winners helping them boost their CV
4. Exciting Prizes for the winners

"...A laborer going home after a long day's work couldn't care less about the plastic bag in his hand that carries groceries. Even at the end of his long list of priorities, there is no room for the 'issue of non-biodegradable waste'. He doesn't have the proper knowledge of recycling and he couldn't afford to be sensitive to the issue even if he did know how to..."

Plantation Drive

Rotary Club Gurgaon in collaboration with Rotaract Club of **Sushant University (Erstwhile Ansal University)** conducted a Plantation Drive, an initiative under 'Project Srishti' at **Sushant University (Erstwhile Ansal University)** on 14th July 2021.

Considering the manifold benefits of trees, including that they release oxygen into the air, absorb unpleasant odours as well as harmful gases such as carbon dioxide, carbon monoxide and sulphur dioxide from the air and purify it, protect us from dangerous ultraviolet rays, provide us with food and the pivotal role played by trees in preventing soil erosion, maintaining ecological balance and most especially in lessening the effects of global warming, the Rotaract Club conducts tree plantation every year. Tree plantation is not just something that should be done; instead, it is a necessity, the urgent need of the hour. Planting trees is especially important to protect our environment against air pollution and global warming. To this end, our young volunteers have been actively involved in organizing tree plantation camps.

Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.

Aim and Objective of Tree Plantation: -

1. To create green belt and avenues for meeting aesthetic recreational needs to the people
2. To beautify the areas for scenic beauty.
3. To reduce the surface run-off discharge and check soil erosion along the embankments.
4. To reduce temperature and increase humidity

**10:00 AM Onwards
Venue: Vatel Lounge**

Description -

The Vatel Hotel and Tourism Business School is recognized not only for the high-quality education that it imparts in the domain of hospitality but also respects, to a great extent, its appreciation of the gastronomic events happening at the international level at different times of the year

Have you ever smelt the kitchen where breads are being baked and the sweet aroma wafts through the area??

World Bread Day - An international event celebrated every year on October 16 with an aim to savor and rejoice a staple called “Bread” in many countries, cultures and to honor

communities across the globe to recognize the specialized work and toil of bakers engaged in the world of gastronomy & culinary science.

In order to commemorate the anniversary of the creation of FAO (Food & Agriculture Organisation of the USA) and to celebrate the Bakers' contribution in the world of baking around the different continents of the globe, Vatel Hotel Tourism Business School celebrated World Bread Day on October 14, which was a research-based, student-led activity, executed under the able guidance of our expat chef trainers.

Vatel India Campus at the Sushant University Gurgaon believes in imparting experiential learning to the students and strives to impart skill-oriented hospitality education and to the hospitality leaders of tomorrow. The celebration of World Bread Day & International Chef Day are bold initiatives towards this direction.

This activity was an initiative to impart know-how, practical skills and managerial skills to the students of VHTBS which reflected in planning, organizing & Implementing the herculean task of creating 5 varieties of breads from 7 different countries, which was a major attraction and main highlight of the event. The spread of breads was accompanied with a wide range of Dips & Relishes. The event was graced & inaugurated by Dr. DNS Kumar Vice -Chancellor Sushant University and Chef Vanshika Bhatia, Chef owner – Petit Pic Shop & Saucy Spirits Hospitality Pvt. Ltd.

Description (min 250 to max 800 words)*

Radiologists and Radiographers supporting patients

World Radiology Day the purpose of this day is to raise public awareness of radiographic imaging and therapy, which play a crucial role in the diagnosis and the treatment of patients and, most importantly, ensuring radiation is kept to the minimum required, hence improving the quality of patient care.

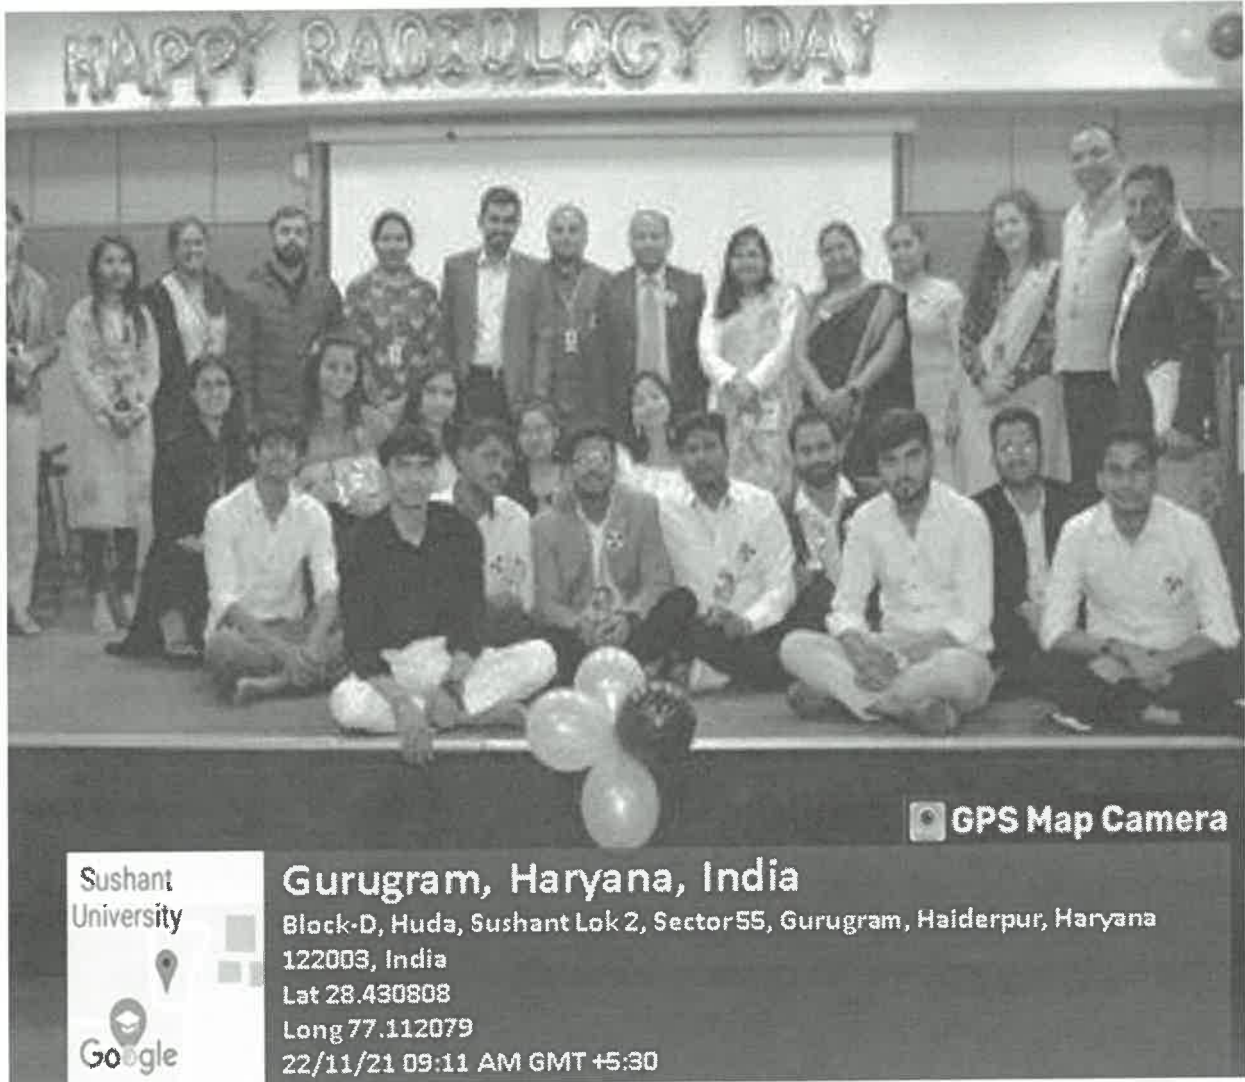

The theme of International Day of Radiology 2021 is "Radiologists and Radiographers supporting patients." This theme aims to encourage all radiologists, radiographers, radiological technologists, and professionals to recognize and promote the essential role of radiology in the treatment of a patient.

Poster making Competition on the Occasion of National Energy Conservation Day

Write up:

On the Occasion of National Energy Conservation Day, on 14th December 2021, Unnat Bharat Abhiyan had organized a poster making competition for the students of Sushant University. Yashvi, Ankita and Oorja, students of Sushant University, won the 1st, 2nd and 3rd prize respectively. Winners were awarded certificates on SUTsav 2021, a christmas cultural event organized by Sushant kala Kendra on 24th December 2021.

Dr Dinesh Rai, Dr Bindu Thakral, and Prof Sagarika Goswami, faculty members at the university, were invited to judge the posters made by the students.

The poster features the Sushant University logo at the top left and the Unnat Bharat Abhiyan logo at the top right. The central text reads: "Unnat Bharat Abhiyan is organising POSTER MAKING COMPETITION for the students of Sushant University on the occasion of National Energy Conservation Day 14th December". Below this, a list of details is provided: "Topic - National Energy Conservation Day", "Entries welcome - 10th December 2021", "Last date for entries submission - 13th December 2021", "Result declaration - 14th December 2021", and "Entries to be submitted to Hardik Mathuria - UBA (Ph. No: 9319338288)". At the bottom left is a QR code labeled "QR code for Instagram". At the bottom right is an illustration of two people standing next to a large glowing lightbulb.

<p>Description (min 250 to max 800 words)*</p>	<p>In India, festivals are all about togetherness and harmony. With the onset of the spring season, it's time to celebrate the festival of Basant Panchami. Vasanta Pañcamī), also rendered Vasanta Panchami and Saraswati Puja in honour of the Hindu goddess Saraswati, is a festival that marks the preparation for the arrival of spring. The festival is celebrated in Indian religions in different ways depending on the region. It is said that Goddess Saraswati can bestow on her devotees lots of wisdom, learning, and knowledge, as the goddess is considered to be the epitome of wisdom. <i>Basant Panchami</i> is the day to dedicate your time for noble cause Join Students and Faculty members of VHTBS for food distribution for needy and poor people near Sanatam Dharam Mandir sector 56 Gurugram. Student participated in the event and learned a lot about selfless service.</p>

<p>Description (min 250 to max 800 words)*</p>	<p>School of Business, Sushant University has successfully organized a guest lecture on "Digital Transformation of Business" by an Industry expert Mamta Singh, Senior Manager, dotConverse on 22 Feb 2022.</p> <p>She enlightened us by sharing the concept of LoB (Line of business) and how digital marketers can integrate the objectives of LOB with digital channels. She emphasized various components of digital marketing with real-time campaign planning projects with the audience to give them a better understanding to classify the market in terms of consumers.</p> <p>She discussed Digital Transformation in Business is a crucial paradigm shift that leverages advanced technologies to reshape organizational strategies, processes, and customer experiences. In this transformative journey, businesses embrace digital tools and technologies to enhance efficiency, agility, and competitiveness in today's dynamic market. The lecture underscored the significance of adopting cloud computing, data analytics, artificial intelligence, and Internet of Things (IoT) to optimize operations and decision-making.</p> <p>One key focus was the role of data as a strategic asset, emphasizing the importance of data-driven insights for informed decision-making. The integration of digital technologies not only streamlines internal operations but also enables businesses to personalize customer interactions and create innovative products and services. The lecture highlighted the need for a cultural shift, encouraging organizations to foster a digital mindset and cultivate a workforce capable of adapting to technological changes.</p> <p>Additionally, the discussion delved into the challenges associated with digital transformation, such as cybersecurity concerns and the need for upskilling employees. Overall, the lecture conveyed that embracing digital transformation is not just about technology adoption but a holistic approach that reshapes business models and fosters a culture of continuous innovation to thrive in the digital era.</p>

GREEN ENVIRONMENT AND WALK TO WORK CAMPAIGN

12 March 2022

The green environment and walk to work campaign is a comprehensive initiative aimed at promoting sustainable commuting practices and reducing carbon emissions by encouraging individuals to walk to their workplaces. Through a multifaceted strategy comprising public awareness campaigns, infrastructure development, and policy advocacy, the campaign seeks to educate the public about the environmental consequences of

Transportation emissions and promote walking as a viable alternative. Since its inception, the campaign has witnessed a notable increase in participation, with more individuals choosing to walk to work, resulting in tangible reductions in carbon emissions. Moreover, participants have reported experiencing improvements in physical fitness and mental well-being, highlighting the broader health benefits associated with active transportation. Additionally, the campaign has fostered a sense of community and environmental responsibility among participants, contributing to a greener, healthier

future for all. Sustaining these positive outcomes and furthering the impact of the campaign requires continued support, collaboration, and investment in pedestrian friendly infrastructure and policies that prioritize walking as a mode of transportation.

<p>Description (min 250 to max 800 words)*</p>	<p>World Optometry Day is celebrated on March 23rd every year worldwide to create awareness about Primary eye care and the role of Optometrists in health care.</p> <p>Optometry is primary health care professions in eye care .They are trained specialists in</p>

role of Optometrists in health care.

Optometry is primary health care professions in eye care. They are trained specialists in examining the eyes, diagnosing diseases, prescribing the latest and appropriate spectacles, Contact Lenses, Low Vision devices (magnifiers, telescopes) and eye exercises in the form vision therapies.

Along with these roles they also involve in public health care activities like School Vision Screening programmes and Cataract screening programmes for elderly population.

Our theme nationwide for World Optometry Day" was " General eye health", " myopia control, and " Role of Optometry" .All activities were based on the same theme for three days .

First day ,We had Ms Lakshmi Shinde. Executive Manager of Global Education IACLE as our chief guest for the event. She gave lecture about future of optometry in India and its progressive aspects towards career growth both in hospital and corporate sectors. Contact lens & IACLE (international Association of Contact Lens Educators) resources were discussed in detail and they are easily accessible to the students were was explained by her clearly. The guest had visited our clinic where the

	<p>posters done by our optometry students were displayed and top three best posters were selected as winners . This event was very energising ,informative and all salient features were highlighted well . The program was bound up with a vote of thanks by the Ms. Shenbagam- Programme Coordinator –Department of optometry.</p>

Sector 55, 122011, Gurugram, India

Description (min 250 to max 800 words)*

In any workplace, the symbiotic relationship between health, safety, and the environment is paramount. Thus, Sushant University decided to organize a health, safety and environment campaign in Ghata, Gurugram on 18 th April 2022.

Firstly, health stands as the cornerstone of workplace well-being. Ensuring employees' physical and mental health fosters productivity and morale. Implementing regular health checks, ergonomic assessments, and mental health support programs are pivotal. Additionally, promoting healthy lifestyle choices and providing access to nutritious food and exercise facilities are proactive measures that contribute to a thriving workforce.

Secondly, safety safeguards individuals from harm and prevents accidents. A comprehensive safety protocol, encompassing risk assessments, hazard identification, and emergency response plans, is indispensable. Regular training sessions on safety procedures empower employees to respond effectively to potential threats. Moreover, fostering a culture where safety concerns are openly addressed and feedback is encouraged fosters a collective commitment to maintaining a secure work environment.

Thirdly, environmental stewardship is indispensable for sustainable operations. Organizations must strive to minimize their ecological footprint through practices such as waste reduction, energy conservation, and pollution control. Implementing green initiatives, such as recycling programs and eco-friendly transportation options, demonstrates a commitment to environmental responsibility. Furthermore, embracing renewable energy sources and sustainable

	<p>procurement practices aligns with broader global efforts to combat climate change.</p> <p>The synergy between health, safety, and environment transcends mere compliance; it embodies an ethical imperative and a strategic advantage. Prioritizing these facets yields tangible benefits, including improved employee satisfaction, reduced absenteeism, and enhanced corporate reputation. Moreover, it mitigates legal and financial risks while fostering innovation and resilience.</p> <p>In conclusion, the convergence of health, safety, and environment forms the bedrock of a conducive workplace ecosystem. By integrating these principles into organizational ethos and operations, businesses can cultivate a culture of holistic well-being and sustainability. Embracing this triad not only ensures the welfare of employees and the preservation of the environment but also fosters long-term prosperity and success.</p>

<p>Description (min 250 to max 800 words)*</p>	<p>In India, the service sector is increasingly adopting digital technologies to enhance customer experience and contribute to the country's growth. Therefore, it is crucial to learn about the digital aspects of business' dynamics from industry experts.</p> <p>We are delighted to announce that our School of Business is organizing a guest lecture by Mr. Deepal Jain, Director of Business Consulting in the Technology Solutions vertical of Subex. He is responsible for leading network analytics in the telecom sector for Subex and managing Asia-Pacific, Africa, Middle East, and US regions. With over 17 years of experience, he has provided digital business solutions to clients in more than 40 countries. Previously, he worked with Ericsson India and Ericsson Dubai. He is also a member of an advisory board of the youth group YSSE, which has more than 150,000 members, and occasionally delivers webinars for them. Mr. Jain has been leading motivational groups at work and participating in voluntary activities.</p>

Description (min 250 to max 800 words)*

We are excited to share that the School of Business successfully organized its first club activity on April 28th, 2022, under the supervision of two clubs: the HR club "BUNIYAAD" and the Literary club "KHAATIB". The event was named "ZEST" and included an inter-school competition featuring a Business Quiz and a Poetry Recitation. This competition provided a platform for students to showcase their creative and intellectual talents while competing. The club activities are student-driven and aim to engage students in extracurricular activities, helping them to develop planning, organizing, and leadership skills.

Report Submitted by (write faculty coordinator name)

We are delighted to share that the School of Business organized its first club activity successfully on 28 th April 2022, under the supervision of HR club “BUNIYAAD” and Literary club “KHAATIB”. The event was named “ZEST”.

It consisted of two competitions; Business Quiz and Poem Recitation. The event had an overwhelming response, with participation from all the Schools of Sushant University. For Business Quiz, four teams were selected; Team Peaky Blinder, Team Challengers, Team Defaulter and Team Titan. These four teams were selected after conducting a preliminary round among the participating teams. The Business Quiz consisted of five rounds (Current Affairs, Guess the Logos, Guess the Leader, Guess the Company through a correct identification of advertisements and a Rapid-fire round). After the 5 rounds were conducted, results were announced and the winner of the Business Quiz was Team Titan (Mayank Gupta, Lavanya Sharma, Dev Jain and Kuldeep Singh). The theme for the poem recitation was “Campus Life”. The audience enjoyed the poetry theme of campus life. The poetry recitation competition was judged by Mr Manoj Kumar Mishra and Ms Aanchal Dangwal. The winners were Pratishtha and Aruna Sharma.

The event was coordinated by Saurabh Singh, Ripun Bhardwaj, Tushar Ghosh, Khushi Kaloniya, Md Sarique, Nitu Chauhan, Harjot Singh, Saurav Kumar and Aakash Baral. Faculty coordinators for the event were Dr Richa Agarwal and Dr Priyanka Pradhan.

We thank all the participants for their huge support and participations.

Richa
