School of Law, Sushant University organised a visit to the Cyber Police Station in Sector 43, Gurugram as a part of their Orientation Program on 9 August 2023 wherein 27 students visited the Cyber Police Station. The visit was organised with a purpose of creating awareness amongst the students related to cyber offences and the measures that can be taken by them to prevent such offences from taking place. The visit was an eye-opening experience for the students. It highlighted the complexities in handling the digital crimes. The Officers at the Cyber Police Station explained real cases involving hacking, cyberbullying, and financial frauds. The students learnt about the procedure involved in the collection of evidence and intricacies of cyber laws. The Officers also spoke about the challenges they face in this ever-evolving landscape, at times the mobile number is traced in other States and on someone else's ID proof making it difficult for them to trace the offender.

**Description (min 250 to max 800 words)\***

On 30<sup>th</sup> November, 2023, Thursday at 11:00 a.m. the School of Law at Sushant University organized an online guest lecture on "Evolving Constitutional Jurisprudence in India" in collaboration with Maharaja Agrasen Himalayan Garhwal University. The event aimed to provide students and faculty members with insights into the dynamic nature of constitutional law in India. The lecture was attended by 50 students from the Department of Law, Sushant University along with the presence of esteemed faculties. This event was an enriching experience for all the attendees. The distinguished guest speaker for the event was Prof Pradeep K. Dey, Registrar, Maharaja Agrasen Himalayan Garhwal University. He contributed significantly to the understanding of constitutional jurisprudence in India.

	Following the lecture, there was a stimulating Q&A session where participants had the opportunity to engage with the speaker, seeking clarifications and discussing pertinent issues related to constitutional jurisprudence. The online guest lecture on "Evolving Constitutional Jurisprudence in India" proved to be a valuable and intellectually stimulating event. The collaboration between the School of Law, Sushant University, and Maharaja Agrasen Himalayan Garhwal University facilitated a broader and more diverse discussion on the subject.

<p><b>Description (min 250 to max 800 words)*</b></p>	<p>World AIDS Day, designated on 1 December every year since 1988, is an international day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease. The acquired immunodeficiency syndrome (AIDS) is a life-threatening condition caused by the human immunodeficiency virus (HIV). The HIV virus attacks the immune system of the patient and reduces its resistance to other diseases. Government and health officials, non-governmental organizations, and individuals around the world observe the day, often with education on AIDS prevention and control. Designing a poster for World AIDS Day is a great way to raise awareness and convey important messages about HIV/AIDS prevention, treatment, and support. alleviate some of the stigma surrounding the disease and boost recognition of the problem as a family disease. SOL organized a poster competition on 1st December 2023. This was an opportunity to express solidarity and promote understanding about HIV/AIDS.</p>

### WELLNESS WEDNESDAY

Department of Cardiovascular technology from School of Health Sciences of Sushant University successfully organised an event as a part of Cardiovascular Disease Awareness Week. Shedding light on cardiovascular diseases is essential in today's generation of heart diseases being one of the global causes of death and awareness is the way forward to change. We conducted a workshop on the topic of 'Introduction to invasive and non invasive cardiology'. The workshop was conducted by alumni of department of cardiovascular technology, Hiba Naqvi. Session was also attended by Associate Dean Dr Jyoti Sinha. It was conducted from 2:30 to 4:30 pm. Miss Naqvi was felicitated warmly by Dr Jyoti Sinha, following which she began today's session.

All students from MRIT, Psychology, Optometry, Pharmacy and MLT were in attendance at the event and made it an interactive and evocative session. The session was extremely enlightening and enriching. It threw light on how to treat Cardiovascular diseases using invasive and non invasive techniques. She also shed a clear light on basics of minimally

	invasive surgeries and also cleared all the student's doubts in an interactive manner after the session. The event was successfully conducted and all students learnt a lot from the workshop.

**Brief Description (min 250 to max 800 words)\***

Techvista

Date: [10 April 2024]

**Introduction:**

TechVista: Bridging Disciplines for a Sustainable Future held on 10<sup>th</sup> April 2024 was a vibrant gathering of students, educators and professionals from various academic backgrounds convened with the aim of fostering interdisciplinary collaboration and innovation. The event served as a platform to explore and discuss a diverse array of themes crucial for building a sustainable future.

**Opening Ceremony:**

The technical exhibition was inaugurated by our Honourable Vice Chancellor Sir Dr. Rajeev Ranjan and Pro Vice Chancellor Sir Dr. Sanjeev Sharma. Dignitaries shared their insights on the importance of interdisciplinary collaboration in addressing contemporary global challenges emphasizing the role of youth in shaping a sustainable future.

**Skit on Sustainable future:**

Following the opening ceremony, a provoking skit was performed by students exploring the theme of sustainability through creative

storytelling. The skit depicted various scenarios illustrating the interconnectedness of environmental, social and economic factors and highlighted the importance of adopting innovative solutions for a sustainable future.

**Exhibition Showcase:**

Participants meticulously arranged their models, prototypes, visual aids and interactive elements to convey their concepts and insights effectively. Attendees were invited to explore the exhibition and engage with the displays, and interact with the presenters to gain deeper insights into the showcased projects.

**Recognition of Excellence:**

Expert judges assessed the exhibits under two categories i.e., Junior and Senior Category based on criteria such as future application, technology, presentation quality and alignment with sustainability goals. Winners and outstanding contributors were recognized during the result declaration ceremony, acknowledging their exemplary efforts in leveraging the exhibition platform to advance interdisciplinary collaboration and promote a sustainable future.

**Result Declaration Ceremony:**

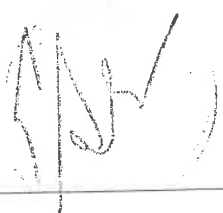

The event concluded with a captivating result declaration ceremony, where winners and participants were announced and awarded by Pro Vice Chancellor sir Dr. Sanjeev Sharma and Principal mam Dr. Jyoti Sinha. Dignitaries awarded the winners with trophies, attractive cash prizes and certificates under Junior and Senior category.

**Closing Remarks:**

In closing, the Pro Vice Chancellor sir Dr. Sanjeev Sharma and Principal mam Dr. Jyoti Sinha extended their gratitude to all participants, volunteers and supporters who contributed to the success of TechVista.

**Acknowledgments:**

The success of the Sushant University Techvista: Bridging disciplines for sustainable future would not have been possible without the dedicated efforts of the organizing committee, volunteers, participants and the support of university administration.
