1. Course Introduction and Objective

The course "Seven Habits of Highly Effective People" is designed to explore and cultivate habits that empower individuals to thrive in various aspects of life. Drawing inspiration from Stephen Covey's seminal work, this course aims to equip participants with practical strategies and insights to enhance their personal effectiveness. Participants will delve into habits such as proactivity, beginning with the end in mind, collaboration, effective communication, and self-belief. Through interactive sessions and reflective exercises, participants will embark on a transformative journey to unleash their potential and lead fulfilling lives.

Course Objectives:

1. Become proactive in their personal and professional life.
2. Understand the importance of thinking about the end result before starting any task.
