Lyon, le 6 novembre 2023 / November 6th, 2023

Objet : 17ème Convention Internationale Vatel 2023 – compte-rendu

Mesdames, Messieurs les Directeurs, Chers Amis,

Pour ma première Convention en tant que Présidente, j'ai été ravie de vous retrouver nombreux au Rwanda ! Un immense merci à la directrice de Vatel Kigali, Mme Nicole Bamukunde, et à sa formidable équipe, pour nous avoir accueillis si chaleureusement et professionnellement dans leur beau pays.

Vous trouverez dans VatelConnect VatelConnect Convention 2023 les différentes présentations, ainsi que les vidéos de la plénière d'ouverture du 24/10 et de la matinée de travail du 26/10.
Toutes les photos sont aussi à disposition !

L'essentiel de nos travaux a porté sur l'Intelligence Artificielle, et les apports de cette technologie pour nos écoles. D'ici au 15 décembre 2023, je vous invite à revenir vers Mme Annick Aveni et M. Paul d'Azemar afin de leur faire part des actions concrètes que vous avez mises en œuvre.

L'Intelligence Artificielle est aussi le thème retenu pour la prochaine édition du Cirvath. Je vous encourage vivement à relayer auprès de vos professeurs l'appel à contributions, afin de recevoir le plus grand nombre d'articles possible. Par ailleurs, je vous rappelle que les articles publiés dans les Cahiers du Cirvath peuvent désormais être partagés sur la bibliothèque en ligne de l'OMT, permettant de valoriser le travail de vos professeurs, et pour un maximum de visibilité (<https://www.unwto.org/academy/digital/resources>).

Concernant la création de la « Vatel Academy »; les premières Académies ouvriront en France à horizon 2025-2026. Dans l'intervalle, les écoles intéressées sont d'ores et déjà bienvenues pour transmettre à M. Paul d'Azemar leurs besoins et propositions (si ce n'est déjà fait).

Enfin, comme chaque année, j'ai eu le plaisir d'accueillir dans le réseau Vatel deux nouvelles écoles : une sur le continent africain, Vatel Brazzaville, et une en Europe à Sofia. Je leur souhaite un bon démarrage, et beaucoup de réussite à leurs futurs étudiants !

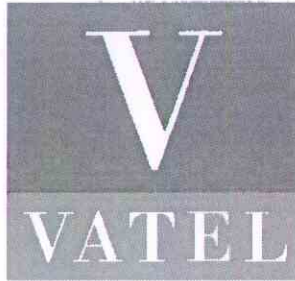

Durant cette Convention, sur les 53 écoles Vatel, 19 n'étaient malheureusement pas présentes. Lors de notre prochaine Convention à Bahreïn début 2025, je compte sur la présence et l'engagement de l'ensemble des directrices et des directeurs. Au-delà de l'obligation contractuelle de présence à la Convention que je tiens à rappeler, vos participations et contributions sont essentielles pour le bon fonctionnement de notre réseau et en font sa force.

Je suis ainsi impatiente de vous retrouver toutes et tous à Bahreïn, et vous adresse mes meilleurs sentiments.

Mme Karine Sabban-Benzazon
Présidente

Object: 17th Vatel 2023 International Convention– minutes

Ladies and Gentlemen Directors, Dear Friends,

For my first Convention as Chairwoman, I was delighted to meet again so many of you in Rwanda! Kudos to the Director of Vatel Kigali, Ms Nicole Bamukunde, and her wonderful team, for giving us such a warm and professional welcome in their beautiful country.

You will find in VatelConnect [VatelConnect Convention 2023](#) the presentations, as well as the videos of the opening session on Oct. 24th and the working session on Oct. 26th.
All the photos are also available!

Most of our work focused on Artificial Intelligence, and how this technology can benefit our schools. By December 15th, 2023, I invite you to get back to Ms Annick Aventi and Mr Paul d'Azemar to let them know of the concrete actions you have implemented.

Artificial Intelligence is also the theme of the next Cirvath. I urge you to forward the call for papers to your teachers, so that we can receive as many articles as possible. I would also like to remind you that articles published in the "Cahiers du Cirvath" can now be shared on the UNWTO online library, in order to promote your teachers' work, and for maximum visibility (<https://www.unwto.org/academy/digital/resources>).

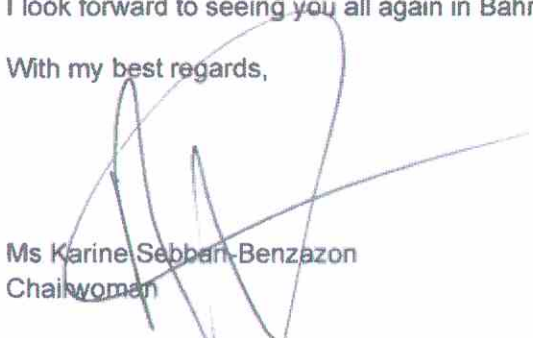

Regarding the creation of "Vatel Academy", the first Academies will open in France by 2025-2026. In the meantime, interested schools can already send Mr Paul d'Azemar their needs and proposals (if they haven't already done so).

Finally, as every year, I had the pleasure of welcoming two new schools into the Vatel network: one on the African continent, Vatel Brazzaville, and one in Europe, Sofia. I wish them a good start, and much success for their future students!

During this Convention, unfortunately, 19 schools out of the 53 Vatel schools did not attend. At our next Convention in Bahrain in early 2025, I am counting on the attendance and commitment of all the directors. Over and above the contractual obligation to attend the Convention, your participation and contributions are essential to optimize our network, and to make it stronger.

I look forward to seeing you all again in Bahrain,

With my best regards,

Ms Karine Sebban-Benzazon
Chairwoman
