RE: Letter of Acceptance

Dear Rohan,

I am pleased to issue you acceptance into the Master of Business Administration degree at University Canada West (UCW) in accordance with the following details:

Student Number:	2119612
Program:	Masters of Business Administration
Preparatory Study:	N/A
Mode of Study:	Campus

You can now log into your Student Portal at www.myucwest.ca using the following information:

Username: Student Number **Password:** Date of Birth (YYYYMMDD)

Additionally, the following conditions must be completed (if you haven't done so already) before you are permitted to register for courses:

- Submission of your Study Permit and Medical Insurance information.
- Submission of your signed Student Contract.
- Submission of your official transcripts and/or other official documents as requested.

Please refer back to your previously issued Letter of Offer for further details, including the *Terms and Conditions* of your admission.

All students will be able to start their program, term and courses through a blended-learning model, which includes some courses delivered on campus (approximately 50%). Studying online can present challenges, particularly for international students in their home country. These may include unfavourable class schedules due to differences in time zones as well as the reliance on a fast and good internet connection, both of which can negatively affect your ability to learn at your full potential. Therefore, UCW has determined travel into Canada as essential for its students so that they are able to take advantage of our blended-learning model.

On behalf of the entire UCW community, I would like to extend to you a very warm welcome and best wishes for your success.

Kind regards,

Mary Ross
