Dear All,

Please find attached the mentoring forms, mentor- mentee allocation and revised timetable for your kind perusal. Mentoring is supposed to start effective tomorrow, 25 Jan 2024.

Attention:

These forms are to be filled along with the geo tag photos

- Students are supposed to interact with the mentor once in a month compulsorily.
- From next semester onwards, the mentor-mentee allocation will not change. Only those who have been assigned last semester students shall have reallocated mentee next semester.

- Communication regarding the mentoring session with the respected selected mentee (for that week) shall be done from the mentors' side.

For any queries please feel free to approach me or Dr. Gunjan anytime. Also, most importantly sincere thanks to all for successfully conducting the mentoring sessions last semester. I'm very grateful.

Thanks and Regards,
Farhana Mariyam

Dear All,

Please find attached the Mentoring allocation details - Odd Term 2023 . You are requested to start mentoring from Monday i.e September 4th,2023 as per the schedule.

1. The Faculty, slots , and Room nos have been allocated to the best possible extent.

2. Ms Chakshu does not have any of her 2 slots free for 7 students of B.com sem I who have been allocated to her . For these 7 she can coordinate with Dr. Giri and manage.

3. Mentoring classrooms have been allocated on the 3rd, 4th and 5th floor as best as possible.

4. If the room could not be allocated because of scarcity of rooms, faculty may take mentoring sessions as per his/her comfort by scheduling one to one meeting with students in their faculty cabins.

5. For some classes, the same room has been mentioned twice for a single slot. Please don't take it as a clash in the room. This has been scheduled for two faculties in the same room at the same time.

6. For many of us, out of the two slots allocated for mentoring, one of the slots may be busy. The slot in which the faculty member is busy, he/she may give some activity to the students (some Assignment / task / library assignment) at their own discretion.

The following attachments have been given. Kindly go through all of them and maintain each one of them properly.

- Mentee-Mentor Allocation Details
- Attendance and Activity Sheet in Excel format which is to be maintained for every mentoring session.
- Mentoring Form as per NAAC Criteria 2 which is to be maintained once for every month with all details filled.
- Room Allocation sheet

Kindly upload the following documents in the scanned form on the 30th of every month in the drive shared below:

Dear Students,

Greetings of the day!!!

We are starting with the Mentoring exercise for this even semester.

Please find the attached list of batch-wise mentor allocation.

Kindly follow the below guidelines to attend the mentoring sessions:

1. **Attendance is compulsory** for all the mentees.
2. Kindly ensure to meet your faculty mentor at least **twice in one semester** or as and when they call you for a mentoring session as per your time table slots (only 2 sessions are possible this semester).
3. Please spend at least **5-7 minutes with your mentor discussing your personal and professional issues (if any)**.
4. **Cooperate with the faculty mentor** in filling up the mentoring form.
5. The form needs to be filled out **before the last teaching day of the semester**, so make sure you meet on time as attendance is compulsory.

Feel free to connect undersigned for any further assistance.

Note: The entire process has been delayed due to the non-availability of some faculty mentors. Looking forward to your kind cooperation in the smooth execution of the monitoring exercise.
