Action Taken Report of Mentor-Mentee Meeting

Odd Semester 2020-21		
S.no	Major Concerns	Action Taken
1	Issues raised about continuous online classes were highlighted like connectivity issues, no breaks between classes.	The faculty addressed and resolved the issue by implementing scheduled breaks between classes to provide students with adequate rest.
2	The notes from the management faculty have not been shared yet. It would be greatly appreciated if they could be made available at the earliest convenience.	The management faculty was informed and instructed to share the necessary notes and study materials with the students to aid their learning.
3	Some students encountered issues with their TCS iON platform, and their email accounts were also not functioning properly.	The issue was effectively resolved with the support and technical expertise provided by the I.T. department.
4	Students currently unable to view their attendance on the TCS iON platform. Students requested it to be resolved at the earliest convenience.	The issue was effectively resolved through the support and collaboration of the I.T. department, which provided the necessary assistance and expertise.
5	Not all faculties have shared the mid-term marks yet. Students requested to provide this at the earliest convenience.	The concerned faculty member was explicitly directed to carry out the same task or action as previously mentioned.

Even Semester 2020-21		
S.no	Major Concerns	Action Taken
1	Students have expressed interest in learning about the various internship opportunities available. Additionally, some students faced challenges in receiving receipts for the fees deposited, but a solution has now been implemented to address this issue.	This query was effectively addressed and resolved by the Placement faculty, who provided the necessary assistance.

Action Taken Report of Mentor-Mentee Meeting

Odd Semester 2021-22		
S.no	Major Concerns	Action Taken
1	The classes conducted by the external faculty have not been happening regularly. Students requested attention to this matter to ensure consistency in the schedule.	The concerned external faculty member was promptly notified about the students' concerns and provided with the necessary details to address the issue.
2	Some students have not been attending classes regularly.	Students were encouraged and motivated to attend classes regularly in order to maintain a minimum of 75% attendance, ensuring they meet the required academic standards.
3	Students expressed concerns regarding the French classes. They requested that these concerns be addressed to ensure a smooth learning experience.	The French faculty was informed and made aware of the students' concerns, ensuring they were properly addressed and understood.

Even 2021-22		
S.no	Major Concerns	Action Taken
1	Students have been experiencing delays in attending post-lunch classes due to the service timings at the training restaurant. They requested that this issue be looked into to help improve punctuality.	The Dean recommended that they be allowed to leave a bit earlier, taking into consideration the circumstances.
2	Students have raised concerns regarding the condition of the toilet facilities. They requested that these concerns be addressed to ensure a comfortable and hygienic environment for all.	An email was sent to the Facility department, requesting immediate attention and corrective action to address the issue at hand.
3	Students requested that the back gate of the hostel be opened to provide easier access to the campus from the outside to enhance convenience for them.	The matter was discussed with the Dean, who then communicated with the Campus Director. The Director clarified that the gate had been closed for security reasons to ensure the safety and well-being of everyone on campus.
4	Some components of the computers were missing. Students requested to ensure all necessary parts are available.	The issue was reported to the I.T. department for further investigation and resolution, ensuring that the necessary steps would be taken to address it.
5	Students requested that the missed Food Production classes be rescheduled. They asked for consideration in planning these sessions at the earliest convenience.	The Dean instructed that the content and dishes from the missed classes be incorporated into the upcoming classes, ensuring that students wouldn't fall behind in their learning.
6	A few female students have raised concerns regarding the belly shoes. They requested that this matter be looked into for a suitable resolution.	The new bellies are expected to arrive during the first week of May, and preparations are being made for their timely arrival.

Action Taken Report of Mentor-Mentee Meeting

Odd Semester 2022-23		
S.no	Major Concerns	Action Taken
1	The air conditioning in the classroom is not proving to be effective. Students requested that this issue be addressed to ensure a comfortable learning environment.	The issue was promptly brought to the attention of the Dean, who then ensured that it was communicated to the Maintenance department. The department took swift action and successfully resolved the matter.
2	The boys' and girls' washrooms are not being maintained to the expected standard. Students requested that this issue be addressed to ensure cleanliness and hygiene.	The issue was communicated to the Facility department via email, detailing the situation and requesting them to take the necessary action to address and resolve the matter.
3	The activities taking place at the college are not being effectively communicated to all students. Students requested that steps be taken to ensure better dissemination of such information in the future.	The faculty member in charge of the activities was instructed to promptly inform all the students, ensuring that they are kept up to date with the relevant information.
4	The syllabus had not yet been shared with the students. Students requested that it be made available to them at the earliest convenience.	The faculties were directed to share the syllabus with the students, ensuring that they have a clear understanding of the course content and requirements for the semester.

Even Semester 2022-23		
S.no	Major Concerns	Action Taken
1	The cleanliness of the washrooms required attention. Students requested that measures be taken to ensure they are properly maintained.	The issue was communicated to the Facility department via email, providing a detailed description of the problem and requesting that they take the necessary steps to resolve the matter in a timely manner.
2	The use of cellphones by students during class had been observed.	The students were counseled and advised to be more cautious and attentive during class, emphasizing the importance of staying focused and engaged to ensure a better learning experience.
3	The lights and mirrors in the washroom require attention and need to be fixed. Students requested that this be addressed at the earliest convenience.	The issue was formally communicated to the Facility department via email, outlining the details of the problem and requesting that they take the appropriate and necessary actions to resolve it promptly.
4	Some students have not been responsive to the placement opportunities offered.	The faculty in charge of placements took the initiative to have a conversation with the parents of the concerned students, addressing the issue and providing them with the necessary information and support.
