Your request for Institutional registration facility in NDL India is approved. Please register all the users (students, research scholars, faculty members and staff) of Ansal University, who are not yet registered in NDL India, by clicking the **"Add User"** button of the NDL India portal available to you after you login to NDL India (<https://ndl.iitkgp.ac.in>).

There are two options: Single User Registration and Bulk User Registration. Single User Registration is self-explanatory. For Bulk User Registration please prepare CSV file, strictly as per the following format, and then upload the file:

- e-mail id (of user)*
- First Name (of user)*
- Last Name (of user)

Note that the e-mail id and First Name are mandatory for each person but Last Name is optional. Also there should not be more than 1000 (One Thousand only) users in a CSV file. The registration process gets completed once the registration mails are sent to all the users listed in the file. It may take some time to complete this mail sending process and you may observe the status in the tab "Status".

In case you need to register more than 1000 users, please do this by making multiple files, each file not containing more than 1000 users, and uploading each file separately, and one by one. The next file should be uploaded only when the registration process for the previous file is completed, which may be confirmed from the "Status" tab.

Since new students, faculty, staff join every 6 months, please collect details of new users enrolled in Ansal University every 6 month period and get them registered in NDL India.

If you face any problem or need any clarification, please get in touch with us at ndl-support@iitkgp.ac.in.

We solicit your cooperation in getting all users of Ansal University registered in NDL India regularly.

Let's all enjoy NDL India!

Best Regards,

The NDL India team

MOU with INFLIBNET

INFLIBNET Centre

Memorandum of Understanding (MoU) for Shodhganga/Shodhgangotri (A Repository of Theses and Dissertations submitted to the Universities in India)

This Memorandum of Understanding (MoU) is made and entered into on 12 (Day) 08 (Month) 2017 (Year) between the INFLIBNET Centre, an IUC of University Grants Commission located at Gandhinagar, hereinafter referred to as "INFLIBNET" and ANSAL UNIVERSITY (University / Deemed University / Inter-University Centre), here in after referred to as the 'University

WHEREAS, INFLIBNET Centre, an Inter-university Centre of the University Grants Commission, as its mandate, promotes open access to scholarly content generated in universities. The Centre has computers, network, software infrastructure and technical know-how required for hosting electronic versions of theses and dissertations in open access with interface to search, retrieve and access these content.

WHEREAS ANSAL UNIVERSITY (University / Deemed University / Inter University Centre) has agreed to take part in the process of digitisation of old theses and dissertations (not available in computerized machine-readable format) and building-up of digital repository and to promote, share and host its ETD in 'Shodhganga'. A reservoir of Indian theses submitted to the Universities in India' and other universities in open access. 'Shodhganga' is a name coined by INFLIBNET Centre for referring to the repository of Indian Electronic Theses and Dissertations. The word "Shodh" originates from Sanskrit and stands for research and discovery. The 'Ganga' is the holiest, longest and largest river in Indian subcontinent which has held heart of its people captive and drawn millions of people to its banks since the dawn of history. The Ganga is the symbol of India's age-long culture and civilization, ever changing, ever flowing, ever loved and revered by its people. "Shodhganga", a repository of theses and dissertations submitted to Indian universities, is expected to keep growing to a formidable size as more and more researchers from India submit their research works to this ever growing reservoir. Under the initiative called "Shodhgangotri", research scholars / research supervisors in universities are requested to deposit electronic version of approved synopsis submitted by research scholars to the universities for registering themselves for the Ph.D programme.

This Memorandum of Understanding (MoU) defines responsibilities, liabilities and commitments of the institutions involved to ensure proper system implementation, to meet the objectives pertaining to submission and access to Electronic Theses and Dissertations as envisaged by the UGC vide its Notification (Minimum Standards & Procedure for Award of M.Phil/Ph.D Degree), Regulation, 2009 dated 1st June, 2009. NOW, THEREFORE in consideration of the mutual agreements herein contained, INFLIBNET and the University agree to the following terms and conditions.

1. INFLIBNET Centre

1. Provide access to ETD hosting server(s) at the INFLIBNET Centre 'Shodhganga/Shodhgangotri' to the University with accompanied software interface enabling University / its student to create metadata and upload their theses and dissertations in ETD repositories designed for this purpose. The INFLIBNET will take the responsibility of keeping the data intact and usable, keep back-up of the data so as to avoid its loss. The INFLIBNET will deploy

tools and techniques of digital preservation to ensure continuing access to scholarly content in digital formats and to protect them from media failure, physical loss and obsolescence.

2. Recommend to the UGC to extend financial assistance to the Universities under Sections 12(B) and 2(f) of UGC Act for digitization of theses and dissertations not available in computerized machine-readable format and / or for procurement and installation of a suitable computer system / infrastructure for creation of ETDs.
3. Provide configuration of system, specifications and technical guidance to the University for procurement of computer hardware and related systems for setting-up of ETDs.
4. Provide guidelines, technical standards and specifications for digitization of Ph.D. theses submitted to the university in past and for theses not available in computerized machine-readable format.
5. Impart training to at least one person from the university (from library field and / or from computer field) in creation, updation and computerized operation of digital repositories of ETDs especially on 'Shodhganga'.
6. Extend access to an anti-plagiarism software or provide services to evaluate theses for possible plagiarism and submit a report to the concerned university.
7. The INFLIBNET may refuse to host any material deemed by the INFLIBNET to be controversial in nature or is in violation of copyright act.
8. This right of refusal will not relieve the University / Ph.D. scholar of liability, both to INFLIBNET and to the public, for matter contained in the theses that may be libelous or actionable and to both INFLIBNET and copyright owners for copyright infringement by the Ph.D. Scholar.
9. The INFLIBNET Centre will not be responsible for i) errors, omissions, inaccuracies and quality of content or misinformation or for any damages caused to the user or any third party from the use of content provided in the theses; ii) safety and archiving of loaded content in cases of 'force majeure' including natural calamities; and iii) printed version of theses.
10. INFLIBNET Centre will recommend or provide access to plagiarism software which university may use to detect plagiarism before awarding the degree.
11. The INFLIBNET Centre replicates the content of theses and dissertations on different server and other auxiliary storage media. However, the INFLIBNET Centre does not take the responsibility for the archiving or backing-up of loaded content. The universities, therefore, should also keep a back-up of their theses and dissertations.

Unfortunately, many universities have not adhered to the guidelines. This caused the submission of nearly 2 lakh documents in the last month, (i.e. May) many of which are not related to PhD Theses. Kindly note that the documents cap for the country is only 10 lakh/annum which was estimated for the PhD Theses and articles related to PhD Theses and the sanctioned budget is limited. In this context, I am directed to inform you that the PDS access will be temporarily stopped till the universities assure to use it for only PhD Theses. Enhancing Research Quality.

INFLIBNET Centre extends the service of DrillBit-Extreme Software provided under the ShodhShuddhi for another six months [Guidelines/Alerts for Universities/Users]:

- Plagiarism checks under ShodhShuddhi are restricted to only PhD theses and associated research articles, conference papers, book chapters, abstracts, etc., and are not intended for students' assignments, question-answer papers, sheets, or study/learning materials.
- Access to colleges and their associated/affiliated colleges/institutions are also restricted under this scheme. As per the policy guidelines, only University Teachers and PhD Supervisors/Guides are eligible for the PDS service.
- Please note that, as per the request of many institutes under the scheme, the users from the old PDS Software (i.e., Ouriginal/URKUND, Sweden) have been migrated to the new DrillBit Extreme Software. For left-out or passed-out users, please send us the names/email ids of those individuals in an excel sheet to be disabled from the database. However, records of old users who were previously associated with the university will be retained by the INFLIBNET Centre to avoid duplicates in the deactivation/disabling tab.
- Over-usage by the University/Institute will be strictly monitored, and further allocation will be blocked. (Please avoid checking test documents).
- University Coordinators are responsible for maintaining backup records of generated analysis reports/uploaded documents in the DrillBit system of the University at their end.
- Any changes in the University Coordinator account/user email ids should be routed through the Competent Authority of the University (VC/Registrar/Director) only to ShodhShuddhi/PDS and not through the DrillBit team.
- Universities/Institutions that joined ShodhShuddhi are requested to sign a MoU for Shodhganga as per UGC Notifications, 2009/2022, if not done already.

A one-page Plagiarism Report/Certificate needs to be uploaded with Shodhganga theses when uploading to the Shodhganga portal.

- Access should be exclusively granted to PhD/Post-Doctoral students, Research Scholars (JRF/SRF), and Faculty members/PhD Supervisors/Guides.
- Plagiarism check for Undergraduate (UG) or Postgraduate (PG) students is strictly prohibited. Should it be discovered, that your account is being used for UG/PG students, the account may be suspended.

N.B.: For monitoring and quality control purposes, the Centre reserves the right to conduct random checks to ensure compliance with the current guidelines by the University.

The Vice-Chancellor

(Universities of MoU signed for Shodhganga)

Dear Sir/Madam,

Warm greetings from the INFLIBNET Centre and best wishes in advance for the New Year!

Kindly refer to the MoU signed between your University and INFLIBNET Centre for Shodhganga/Shodhgangotri). <http://shodhganga.inflibnet.ac.in/newmoredetails/mou.html>.

The MoU format and content were established 14-15 years ago when the Centre initiated the project Shodhganga (*a reservoir of Indian Theses*) based on the UGC Notification on (Minimum Standards & Procedure for Award of M.Phil/Ph.D. Degree) Regulations, 2009 dated 1st June, 2009. The responsibilities were given under the University and INFLIBNET Centre.

Kindly note that significant changes were introduced thereafter by the UGC in 2016 and 2022 as well as the Notification regarding Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulation, 2018. In response to the evolving needs of the academic community, DRM issues and Policy changes at the national level a newly constituted Shodhganga National Steering Committee (SNSC) has reviewed the existing MoU and recommended necessary amendments.

We kindly request you to sign the Amendment on the MoU signed earlier, keeping one copy for your records and sending the signed one with the official seal to the INFLIBNET Centre for our records.

With Regards,

This Memorandum of Understanding (MoU) is made and entered into on 12 (Day) 09 (Month) 2017 (Year) between the INFLIBNET Centre, an IUC of University Grants Commission located at Gandhinagar, hereinafter referred to as "INFLIBNET" and ANSAL UNIVERSITY (University / Deemed University / Inter-University Centre), here in after referred to as the 'University'.

WHEREAS, INFLIBNET Centre, an Inter-university Centre of the University Grants Commission, as its mandate, promotes open access to scholarly content generated in universities. The Centre has computers, network, software infrastructure and technical know-how required for hosting electronic versions of theses and dissertations in open access with interface to search, retrieve and access these content.

WHEREAS ANSAL UNIVERSITY (University / Deemed University / Inter University Centre) has agreed to take part in the process of digitisation of old theses and dissertations (not available in computerized machine-readable format) and building-up of digital repository and to promote, share and host its ETD in 'Shodhganga: A reservoir of Indian theses submitted to the Universities in India' and other universities in open access. 'Shodhganga' is a name coined by INFLIBNET Centre for referring to the repository of Indian Electronic Theses and Dissertations. The word "Shodh" originates from Sanskrit and stands for research and discovery. The 'Ganga' is the holiest, longest and largest river in Indian subcontinent which has held heart of its people captive and drawn millions of people to its banks since the dawn of history. The Ganga is the symbol of India's age-long culture and civilization, ever changing, ever flowing, ever loved and revered by its people. "Shodhganga", a repository of theses and dissertations submitted to Indian universities, is expected to keep growing to a formidable size as more and more researchers from India submit their research works to this ever growing reservoir. Under the initiative called "ShodhGangotri", research scholars / research supervisors in universities are requested to deposit electronic version of approved synopsis submitted by research scholars to the universities for registering themselves for the Ph.D programme.

This Memorandum of Understanding (MoU) defines responsibilities, liabilities and commitments of the institutions involved to ensure proper system implementation, to meet the objectives pertaining to submission and access to Electronic Theses and Dissertations as envisaged by the UGC vide its Notification (Minimum Standards & Procedure for Award of M.Phil/Ph.D Degree), Regulation, 2009 dated 1st June, 2009. to me, Vice, Registrar

Dear Sir,

This is to apprise you that the UGC-INFLIBNET gives subscriptions to all the Universities across India for anti-plagiarism software and I have been the University Coordinator for Ouriginal (formerly Urkund). Now, INFLIBNET center is shifting to Drillbit software as they have ended their contract with Ouriginal now owned by Turnitin.

As discussed with VC sir, from now on you will be a new University coordinator for anti-plagiarism software Drillbit.

Your responsibility will be to create the account for the faculty and research scholars of SU, conduct training sessions in collaboration with INFLIBNET/Drillbit once a semester,

Chief Librarian
Sushant University, Gurugram

check the plagiarism of the documents, and send the reports to the scholars who are unable to do it on their own.

For any queries, please feel free to contact me.

Thank you

Best regards

Monika

Dear University Coordinator (ShodhShuddhi),

While extending the contract for 6 more months with the PDS vendor for the DrillBit Extreme Software for checking plagiarism, the Centre has requested on 30th April 2024, to follow the guidelines strictly in order to avoid submitting documents other than PhD Theses and articles related to PhD Theses. Unfortunately, many universities have not adhered to the guidelines. This caused the submission of nearly 2 lakh documents in the last month, (i.e. May) many of which are not related to PhD Theses. Kindly note that the documents cap for the country is only 10 lakh/annum which was estimated for the PhD Theses and articles related to PhD Theses and the sanctioned budget is limited. In this context, I am directed to inform you that the PDS access will be temporarily stopped till the universities assure to use it for only PhD Theses. An undertaking is to be submitted by the universities for the proper usage.

Inconvenience caused in this regard is highly regretted.
