Career Counselling

The university's career counseling services offer a comprehensive range of initiatives to support students in their professional development. These include career planning and guidance sessions, soft skills development workshops, and resume writing and building professional profiles. Additionally, the university organizes industry talks, career fairs, and placement drives to provide students with opportunities to interact with potential employers and explore various career paths. Specialized sessions are also conducted to guide students in competitive examinations, higher studies abroad, and entrepreneurship. Furthermore, the university's career counseling services aim to empower students with the skills and knowledge needed to succeed in their chosen careers, fostering a supportive environment that encourages students to achieve their full potential. By providing e-counseling services, career blueprint sessions, and interpersonal excellence workshops, the university ensures that students receive holistic support in navigating their career journeys. Overall, the university's career counseling initiatives play a vital role in shaping the professional futures of its students

1. Comprehensive Career Counselling Services

Trained counselors provide personalized guidance to support students in achieving their career goals. This service enables students to make informed decisions about their future.

Description (min 250 to max 800 words)*	<p>Career Counseling: Career Planning, July 28, 2020</p> <p>The Alumni Talks: Career Planning session, held on July 28, 2020, from 2:00 PM to 4:00 PM at Sushant School of Art and Architecture, offered a valuable opportunity for students to gain insights into planning and navigating their future careers in architecture. The event brought together a distinguished panel of alumni, who shared their personal career journeys, challenges, and the strategies they used to establish successful careers in the field.</p> <p>The session focused on the importance of early career planning, with alumni offering practical advice on how students can approach the transition from academic life to professional practice. They discussed the significance of building a strong portfolio, gaining hands-on experience through internships, and developing a network of professional connections that would support career growth. Several alumni emphasized that architecture is not just about design, but also about adaptability, continuous learning, and exploring diverse areas within the profession, such as urban planning, sustainability, and interior design.</p> <p>In addition, the alumni shared their experiences of dealing with career uncertainties, including how they overcame initial setbacks, identified their areas of passion, and found opportunities that aligned with their personal and professional goals. They highlighted the importance of staying open-minded and being proactive in seeking out opportunities, whether through internships, freelancing, or engaging in collaborative</p>

	<p>projects.</p> <p>The interactive nature of the session allowed students to ask questions, seek guidance, and discuss their own career aspirations with the alumni. This facilitated a deeper understanding of the architectural profession and provided students with valuable tools to make informed decisions about their career paths.</p> <p>Overall, the Career Planning talk was an empowering session that equipped students with the necessary knowledge and confidence to successfully chart their course in the competitive world of architecture.</p>

Description (min 250 to max 800 words)*	<p>On September 5, 2021, the School of Design at Sushant University conducted a highly engaging workshop titled "Excel in Competitive Exam Sessions," aimed at equipping students with effective strategies to enhance their performance in competitive examinations. Starting at 12 PM, the session was designed to address the needs of students aspiring to excel in national and international-level exams. The event featured expert speakers, including Dr. Ramesh Gupta, an education strategist, and Ms. Kavita Sharma, a career mentor, who shared practical tips for mastering time management, improving concentration, and tackling complex problem-solving tasks under pressure. Dr. Gupta emphasized understanding exam patterns, syllabus prioritization, and developing personalized study plans to maximize efficiency. Ms. Sharma, on the other hand, focused on the psychological aspects of exam preparation, such as overcoming anxiety, staying motivated, and maintaining a positive mindset. Interactive workshops included mock test simulations, where participants practiced solving questions under timed conditions, and group discussions, which encouraged peer learning and knowledge-sharing. Students received insights into leveraging digital tools and online resources for effective preparation and were introduced to strategies for tackling specific sections, such as quantitative aptitude,</p>

	<p>logical reasoning, and general knowledge. The session also highlighted the importance of balancing academic goals with self-care practices to ensure holistic growth. Participants appreciated the practical advice and real-world examples provided by the speakers, which helped them gain clarity on their preparation strategies. The event concluded with a motivational address by the organizing team, urging students to approach competitive exams with confidence and resilience. This workshop was a testament to the School of Design's commitment to empowering students to achieve academic and professional excellence through well-rounded preparation and support.</p>

Description (min 250 to max 800 words)*

On February 9, 2022, the School of Design at Sushant University organized a transformative workshop titled "Soft Skills in the 21st Century Sessions," aimed at enhancing participants' interpersonal and professional competencies to thrive in today's dynamic work environments. Starting at 12 PM, the workshop brought together students, educators, and industry professionals to explore the evolving significance of soft skills such as communication, teamwork, adaptability, and emotional intelligence. The keynote speaker, Ms. Anjali Verma, a seasoned corporate trainer, delivered an engaging presentation on the role of soft skills in bridging the gap between technical expertise and workplace success. She emphasized the importance of effective verbal and non-verbal communication, cultural sensitivity in global teams, and conflict resolution techniques. Breakout sessions offered hands-on activities, including role-playing scenarios, group problem-solving exercises, and public speaking practice, enabling participants to apply the concepts in real-time. Industry panelists shared personal anecdotes and case studies highlighting how soft skills have driven success in their careers, inspiring attendees to prioritize these competencies alongside technical skills. The session also delved into the integration of digital tools for enhancing collaboration and productivity, particularly in remote or hybrid work settings. Participants expressed their appreciation for the practical strategies and constructive feedback provided throughout the workshop, which helped them identify areas for improvement and actionable steps to develop their skill sets. The event concluded with a reflective session where attendees shared their key takeaways, and the organizing team underscored the value of continuous learning in mastering soft skills. This

	workshop exemplified the School of Design's dedication to preparing students for holistic professional growth and the multifaceted challenges of the 21st-century workplace.

Description (min 250 to max 800 words)*

A well-crafted career profile and resume are essential tools in securing job interviews and advancing your professional journey. A **career profile** serves as the opening section of your resume, summarizing your key skills, experiences, and achievements. It should be tailored to the job you're targeting, offering a snapshot of why you're an ideal candidate. Use concise, impactful language to highlight your value proposition and make a strong first impression.

When writing your **resume**, ensure it is clear, concise, and well-organized. Start with your contact information, followed by your career profile. Include sections for professional experience, education, skills, and certifications. Use bullet points to describe your accomplishments, emphasizing measurable results with action verbs. Tailor your resume for each role, incorporating relevant keywords from the job description to optimize it for Applicant Tracking Systems (ATS).

The workshop concluded with Q& A session where students had the opportunity to ask specific questions related to their career aspirations and

	challenges. The event was well-received, with many participants expressing their appreciation for the practical advice and personalized support provided. Overall, the Career Counselling and Resume Writing Workshop was a highly beneficial event, providing students with the tools and knowledge needed to navigate their career paths successfully. The personalized guidance and interactive nature of the workshop ensured that each participant left with a clearer vision of their career goals and a stronger, more polished resume.

Description (min 250 to max 800 words)*	<p>On Wednesday, February 22, 2023, Mr. Nikhil Sharma, Regional Director, Eurasia, Wyndham Hotels visited the Vatel Hotel & Tourism Business School, Sushant University, to address our students and to give them insights into the latest trends of the service industry with regard to career progression both as a hotel professional and as an entrepreneur.</p> <p>"I had a deep rooted passion for this exciting industry and I joined hotels at but a very junior, entry level position. It has indeed been a journey full of ups and downs and now, at a position of a regional director when I</p>

	<p>look back, I can see that the hotels and my personal experience have given me tremendous opportunities to learn and to advance in my career.” advised he emphatically to the students.</p> <p>Wyndham was formed 42 years ago in Dallas, Texas, USA whose founder was Trammel Crow. The organisation runs 22 brands out of which the most popular are – Registry, Dolce, Esplendor, dazzler Hotels, La Quinta, Ramada etc. Mr. Sharma gave a brief about the various openings and employee- friendly schemes that the organisation believes in for keeping the employees happy and motivated. This was the first ever interaction that the college had with the Wyndham Hotels.</p> <p>“Your students are bright and whatever organisation they happen to be a part of, they will, over a certain period of time, make progress and achieve as this trade offers several opportunities both within and outside the domain of hotels, but hard work and persistence always pays off in the long run – so do not get deterred by external factors and just concentrate on your goals” he advised.</p>
