Response:

In fostering an inclusive and dynamic academic environment, our institution is supported by the elected Student Council, the Sports Council, Rotaract Club, NSS and the Cultural Council. Each of these bodies plays a distinct but complementary role in promoting institutional development and enhancing student welfare.

1. The Student Council

The Student Council at School level serves as a critical link between students and the administration,

representing student interests and driving campus initiatives. The School calls for the nomination and in a very expedient way conducts the elections. It acts as the voice of the student body, voicing concerns and suggestions to the administration ensuring that student perspectives are considered in decision-making processes and helps create a more responsive and inclusive campus environment. The Council organises a range of academic and extracurricular events, including seminars, workshops, cultural festivals, industry visit and interactions. This is arranged so that students can achieve a balanced and fulfilling college life. Council members are also members of BoS/ and the other Academic Body of School. Grievance Redressal Committee comprising elected student members, this committee promotes transparency in decision-making processes. In Anti-Ragging Committee, student representation ensures transparency in decision-making related to ragging prevention.
