Description (min 250 to max 800 words)

On 26th August, 2019, School of Design hosted an exhilarating Rangoli competition, celebrating the vibrant theme of "Cultural Diversity." The event drew enthusiastic participation from students and faculty turning the venue into a canvas of colourful expression and cultural celebration.

The theme of Cultural Diversity was chosen to highlight the rich tapestry of traditions, customs, and artistic expressions that define various cultures around the globe. Participants were encouraged to create Rangolis that depicted symbols, patterns, and motifs representative of different cultural heritages, fostering an atmosphere of unity and mutual appreciation.

The competition saw a plethora of stunning designs, each telling a unique story. Some participants chose to portray intricate patterns

inspired by Indian festivals like Diwali and Pongal, while others depicted elements from Japanese, African, Mexican, and European cultures. The use of vibrant colors, natural dyes, and eco-friendly materials was a testament to the participants' dedication to both artistry and sustainability.

The event was not just a competition but a cultural exchange, as participants and spectators alike engaged in discussions about the different traditions and stories behind each design.

Brief Description (min 250 to max 800 words)*

Key Points

The Department of BMRIT organized a significant radiation awareness camp at Wazirabad, Gurugram, with the primary objective of educating the local community about the importance of radiation safety and the role of radiology in healthcare. Seventeen enthusiastic students participated in this event, showcasing their commitment to public health through a thoughtfully crafted nuked Natak, a street play designed to engage and inform the local public.

The street play served as an innovative medium to communicate the essentials of radiation awareness, emphasizing the safe use of radiological equipment and the precautions necessary to minimize exposure risks. Through their performance, the students effectively conveyed complex information in a way that was both accessible and impactful for the audience, helping to demystify the role of radiation in medical diagnostics and treatment.

Following the awareness camp, the students were taken on a hospital visit, providing them with a practical learning experience in patient handling. This visit was a crucial component of their training, as it introduced them to the real-world environment of patient care within a hospital setting. During the visit, the students were briefed on the importance of compassionate and effective patient care, particularly in the

	context of radiology. They learned about the protocols involved in patient handling, the significance of communication with patients to alleviate their concerns, and the role of radiographers in ensuring patient comfort and safety during imaging procedures.

**RENOWNED BLOGGERS VISIT VATEL HOSPITALITY SCHOOL FOR AN
EXCLUSIVE TASTE**

Recognized for thinking out of the box and renowned highly for undertaking exceptional projects, the students of Vatel Hotel and Business School, Ansal University, backed always by the support of the dean, professors and the management, took a very unique step - that of marketing their HM Institute in a rather unconventional and a unique way.

"We have two beautiful fine-dine restaurants, three kitchens and a bakery with the most modern equipment, fully loaded, air conditioned classrooms, Front Office and Housekeeping labs, a well-stocked library, excellent recreational facilities and collaboration with France's global hospitality school – all this in a superb location. It is high time people got to know what all we are proud of" say Sarthak Vats and Samrat Puri two bright Final Year students who spearheaded the exercise of conceptualization of this marketing-oriented event, of course with the guidance of their well experienced professors and chefs.

In keeping with the doctrine that says that the best way to win a man's heart is through his appetite, the students planned to invite a dozen-odd local food bloggers on February 7, 2020, - the ones who write enthusiastically about their gastronomic experiences and are followed by a sizeable crowd. Universally recognized as 'persuasive media influencers', the thought behind getting together the renowned bloggers was to re-inforce the overwhelming popularity of the Continental – Mediterranean cuisine, which for this prestigious event, was entirely planned, prepared and executed by the students of Vatel School.

EPICURE, where the Vatel School organizes its events is a training restaurant, designed specially to demonstrate etiquette, ambience and the style usually found in the upscale, fine-dine restaurants of the world.

The menu started with exquisite specialities like Spinach with Ricotta Quiche and Chicken Vol-au-Vents, followed by Roasted Tomato, basil and ginger soup and a chicken-asparagus soup which, instead of being accompanied by the normal bread and butter, had mushroom and black garlic paste with toast. The main course comprised of Lamb Osso Bucco with Grilled Polenta and Roasted Broccoli and the traditionally famous Coq au Vin.

Young girls and boys dressed in their official Vatel uniforms, were eloquent and well versed in describing the dishes to the guests. "I was impressed by the style these people are looking after us with care, concern and smile" said one of the guests.

"Like it always happens, we get tremendous mileage and recognition from such events, especially from this one wherein we were in the company of personalities whose blogs the general public at large reads with a great deal of enthusiasm and follows them through...Said Dr. Garima Parkash, Dean, Vatel Hotel and Tourism Business School at Ansal University.

DETAILS OF THE EVENT – VHTBS on occasion of Womens day Invited Dr. Shivani Gupta for a motivational sessiuon for our female students. This is the story of Dr. Shivani Gupta, a determined, resolute and a strong-minded lady whose willpower, backed with a strong purpose made her achieve all that she wanted to, despite her everlasting physical limitations.

A carefree and a joyous young graduate from the hotel management stream who sought to excel in this field unfortunately suffered a setback, an accident which paralyzed her partially, and put her on a wheelchair for the rest of her life. "This was like being a child again. I started being dependent on people around me for everything", said she, though nor regretfully as she expressed joy in achieving all that she could not have otherwise.

Description -

Keeping the tradition of exposing the students to the latest happenings and having them listen to the best of discourses and demonstrations delivered by the renowned experts of the industry, the Vatel Hotel and Tourism Business School invited Chef Anand Panwar a highly dedicated and impassioned Chef Boulanger who is in deep love with his profession.

Having trained under Chef of eminence Lucas Custeau and having worked at the Grand Hyatt, Marriott, Sheraton, Clarion and in the pre-opening chef for Lodi Hotel and the Dusit Devrana as corporate chef, Anand has a deep-rooted experience in the trade. "Bakery (Boulangerie in French) is an absolute science as it goes as per the formulae and has to strictly go as per the recipe which, if not followed accurately, can spoil the end product. The method, the proportions and the time are so scientifically and precisely defined that even a small aberration can destroy hours of work and toil." Says the chef with a smile.

The Chef, while demonstrating the live baking of a sour dough in front of the students, spoke about the technicalities involved concerning the quantity of water, heat, moisture and the number of hours that it needs to be treated. "This is a typically Afghani or a Pakistani style of bread in which they put 'KHAMEER' to enhance a particular taste, which is good for health and digestion.

"A lot of food and culture habits have been given by India. The tradition of intermittent fasting was introduced by the ancient India in which, people used to not eat between sunset and sunrise." Says he with full confidence. "Hardest Things are the easiest to make. The delicacy of Sour dough does not take too many ingredients, it just takes time and care, just like your authentic Dal Makhani which may take 72 hours to prepare, but takes hardly three ingredients" Says he with a grin...

Report on Pedagogical Teaching Strategies

Department of Pharmacy, School of Health Sciences organized an event on **“Pedagogical Teaching Strategies”** on **5 November, 2020, Venue: Auditorium D421, Time: 3:00 PM-5:00 PM.**

Pedagogical Teaching Strategies for faculty encompass a range of strategies aimed at enhancing student engagement and learning outcomes. Active learning techniques, such as group work and problem-based learning, actively involve students in the learning process, promoting critical thinking and collaboration. The flipped classroom model, which has students engage with instructional content before class and participate in interactive, hands-on activities during class, facilitates deeper understanding and practical application of knowledge. Integrating technology, including learning management systems and educational apps, enriches the learning environment and provides diverse instructional tools. Regular formative and summative assessments, coupled with timely and constructive feedback, are essential for tracking student progress and guiding improvement.

Emphasizing student-centered learning by personalizing instruction and incorporating student voice and choice helps tailor the educational experience to individual needs and preferences. Additionally, fostering an inclusive and diverse classroom environment through culturally responsive teaching and accommodating various learning needs ensures that all students feel valued and supported. Continuous professional development and reflective practices enable faculty to stay current with educational trends and continuously refine their teaching methods.

Description - A bonfire to keep us warm on supposedly the coldest day of the year and the usual goodies to snack on. Lohri was celebrated at Sushant University with a lot of exuberance and fanfare. The mood on the campus was upbeat and the students were totally absorbed in the festive spirit of Lohri. The function started with speeches in English and Punjabi highlighting the importance of the festival of Lohri, which ushers in the cheerful spring season bidding adieu to the dull winter.

The students and teachers sang songs immersed in rich cultural folklore of Punjab. The programme kicked off with Lohri Poojan. Principal Ranjit Kaur along with all other teachers worshipped Dhooni and groundnuts and sweets were also distributed among the students.

VATEL INDIA CELEBRATES BASANT PANCHMI

Date: 16th Feb 2021

Time: 1:00 PM Onwards

Marking all devoutness and piety towards Saraswati, the Goddess of learning and knowledge, the Vatel Hotel and Tourism Business School India, in its first-ever venture, celebrated Vasant Panchami wherein the vice chancellor, the registrar, deans of all schools of Sushant University, the heads of various departments and the office-holders were invited for lunch prepared and served by its students under the supervision of the faculty members.

The yellow color theme, in conformity with the color adorned by the Goddess was the theme which was used not only in decorating the venue, but also was the combination that the dean of the school, the members of the academic team and the students of the Vatel School wore. Yellow and orange marigold flowers, earthen pots with yellow flowers, orange and red Rangoli at the entrance of the school, yellow table cloths with red, yellow, orange flower combinations were put up and even the menus were printed on nothing else but on yellow card boards.

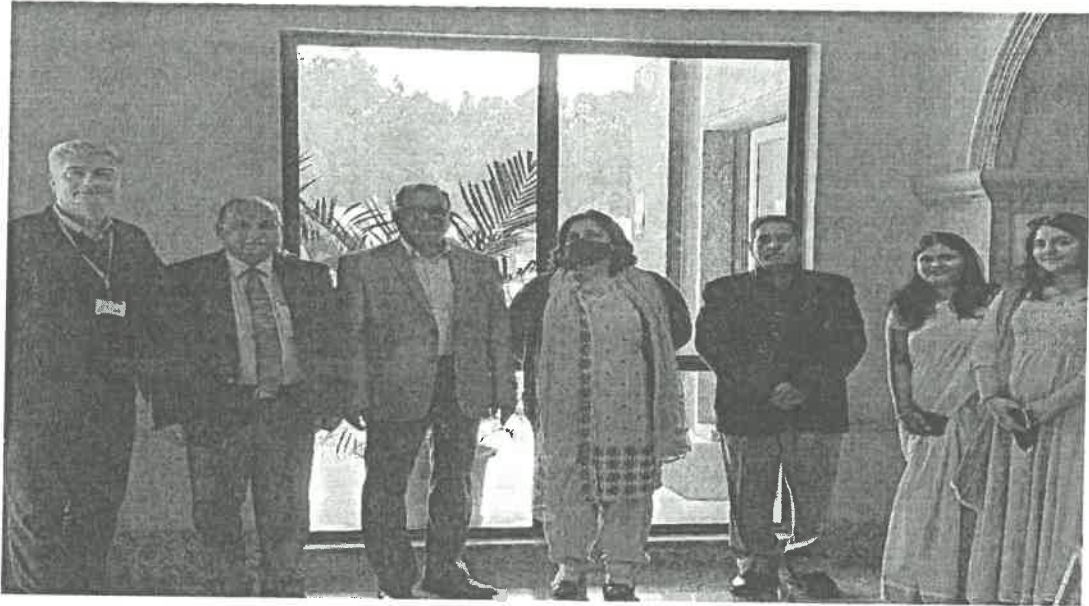

Students of the Vatel school welcomed the invitees who entered the Epicure restaurant (the venue) after paying their reverences to the Goddess whose image was kept right at the entrance, listened to *Saraswati Vandana* and received the Prasaad. They were then ushered into the restaurant where a menu comprising of the traditional vegetarian dishes like Aloo Pyaz Bhaja, Paneer do Pyaza, Aloo Rassa, Moong Dal Khichdi, Poori and Rewa Kesari (milk-based dessert) was served in pre-plated thalis (round copper plates).

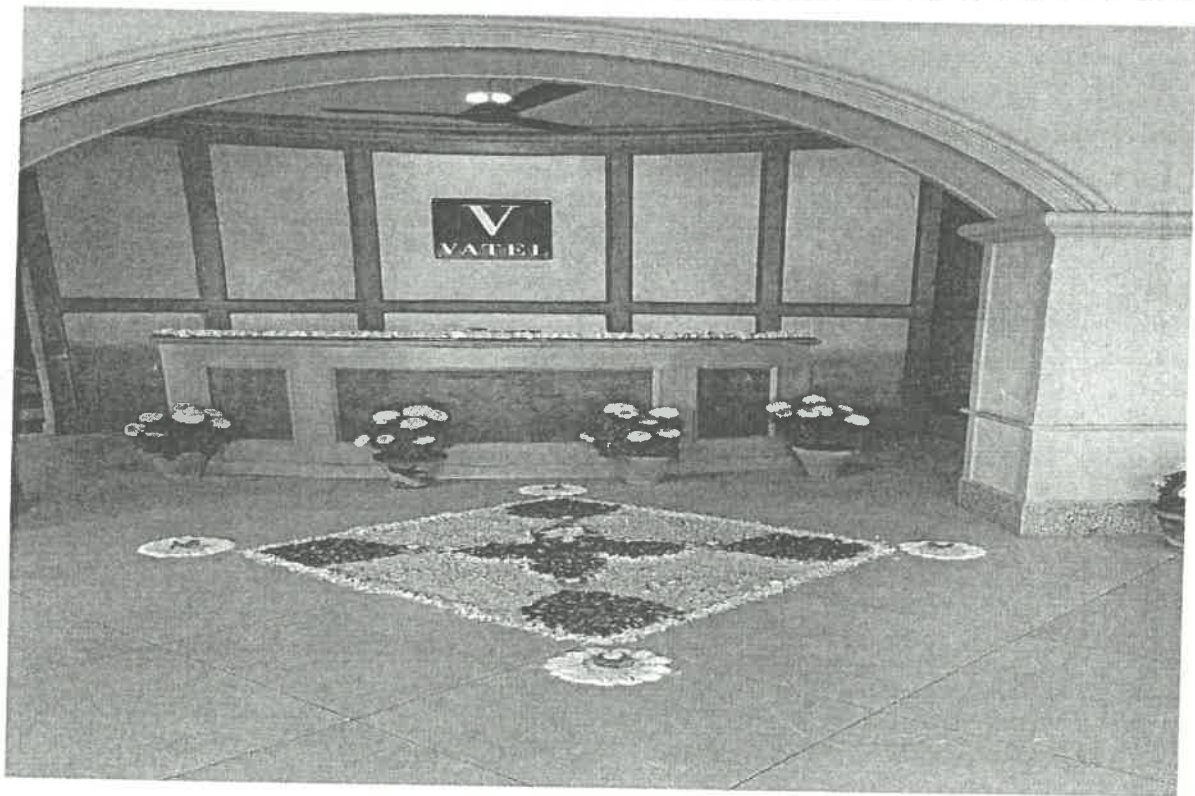

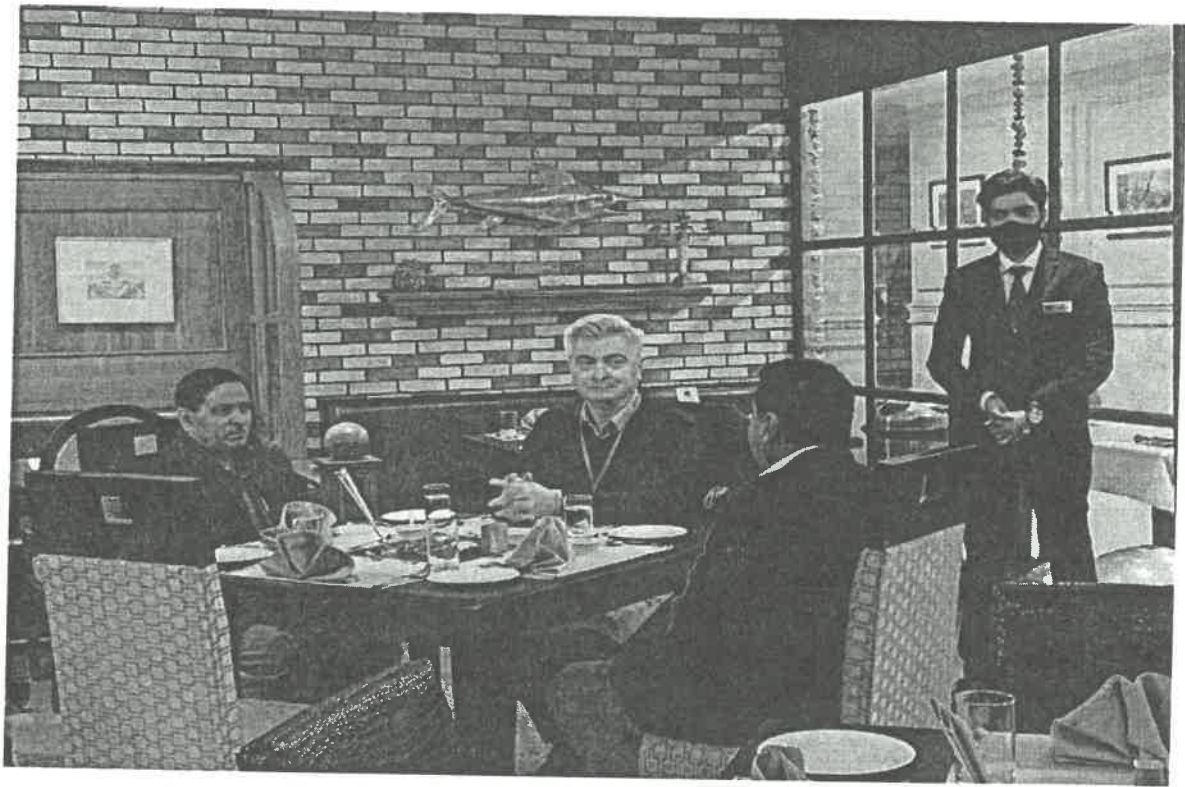

"I admire the thought that has gone into putting together an event which has a tremendous importance and significance to us as teachers and as educators. Though this was a small event, I was impressed by the micro details which were taken care of and the dexterity with which the event was organized. The food was indeed delicious and delightful" said the vice chancellor of the University, Dr. DNS Kumar.

The Vatel team who partook of the meal only after the invitees had been served, rejoiced at having put up yet another successful event, which was the first of its kind and also happened to be the first one organized after a gap of almost 12 months.

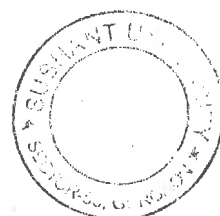

Prof. Dr. Garima Parkash, dean of Vatel Hotel and Tourism Business School lauded the efforts of the team and that of the students by saying, *"This event is the harbinger of the beginning of the festive season and encourages us to bestow upon our students many such opportunities for which they would always be super-excited and, out of which, they would derive a lot of learning"*

Title – Women's Day Celebration

Date – 8 March 2021

Description

I AM A WOMAN.

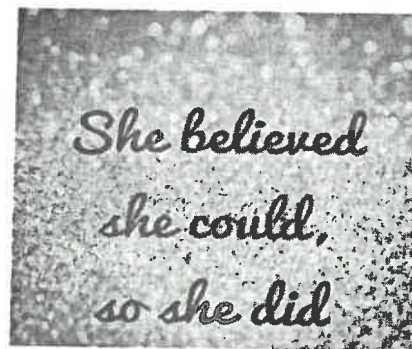

WHAT'S YOUR SUPERPOWER?

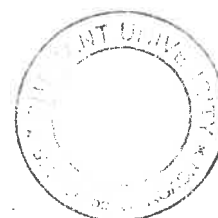

It is a truth, universally acknowledged that we rarely get to realize the depth that this statement with a pink background carries. Times have changed a lot and the Woman Power (quite much the way in which we measure *HP*) is now the true driving force behind all that matters and in every field. The saying that behind every successful man there is a woman cannot be distorted and coined as *Behind Every Successful Woman There Is A Man*. The roles just cannot be inter-changed. Behind every successful woman, is, actually, *another woman*.

Why is there a need for us to highlight this fact time and again?

What is it that is making the International Woman's Day more of a meaningful celebration rather than it being just a day to remember? One has to realize that the ladies of the present day are becoming more and more self-reliant, independent, free, self-governing and very powerful.

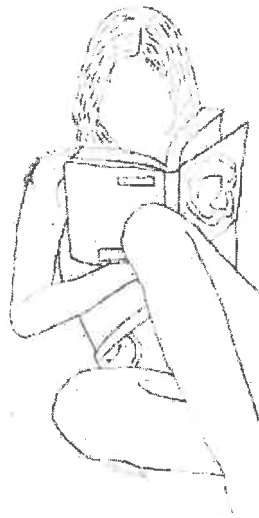

The Vatel Hotel and Tourism Business School, the only school of Vatel France, exclusively with the Sushant University (Erstwhile Ansal University) in the Indian Sub-Continent celebrated the Woman's Day with full pomp and show. The students did an audio-visual presentation, enumerating the achievements and accolades that the ladies of the past and the present day have been conferred upon. This may be called as a futile attempt, as many more would have been added by the time this list could finish.

A woman with a book
and a pen
has the power
to move nations.

A woman with a mind
and a voice
has the power
to change worlds.

Sasha Temerte

Monday, March 8, 2021 was dedicated forwards reveling about the woman power getting even stronger over the last two decades which has not only acquired a strong position for itself but also has taken deep roots into almost all walks of life and is ready to take the world on at all angles.

With the majority of deans of the university being ladies, the manifestation of the fact indeed became very evident and apt for the occasion. Students created decorations and illustrations in the areas of celebrations and, of course, indulged in a bit of partying and, indeed in a few jam sessions. Chef Sunil of the Vatel School baked a cake in a large W shape, which, of course, had many shades of pink, studded with fresh strawberries.

"Over the years the, care, concern and respect for ladies has grown several times across the globe and we now see a great change in India as well, though, we all need to get together and do a lot in terms of highlighting this feminine superiority amongst our villages and in the rural areas of our great Motherland" Said Dr. Garima Parkash, dean, Vatel Hotel and Tourism Business School.

<p>Description (min 250 to max 800 words)*</p>	<p>A fresher's party, also known as a welcome party or orientation event, is typically organized by educational institutions to welcome new students (freshers) to campus. The event serves as an introduction to the college or university environment and allows new students to interact with each other, as well as with faculty and staff.</p> <p>Fresher's parties often include various activities such as icebreaker games, performances, speeches from senior students or faculty members, and sometimes themed decorations or costumes. These events aim to create a friendly and inclusive atmosphere, helping new students feel comfortable and excited about their academic journey.</p> <p>The specifics of a fresher's party in 2021 would have varied depending on the institution and any COVID-19 restrictions in place at the time. Many universities likely adapted their events to comply with health and safety guidelines, potentially hosting virtual or hybrid gatherings to accommodate social distancing measures. Despite these challenges, fresher's parties remain an important tradition for fostering community and camaraderie among new students.</p>

**Traditional Cake Mixing
Ceremony**

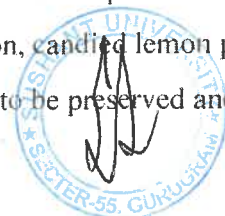

3 PM Onwards

Venue: Vatel Courtyard

Christmas, a wonderful and holy celebration that touches closely the heart of almost every human being on this planet, is a harbinger of bliss, joy and happiness. Almost everybody celebrates Christmas as it brings in a sense of purity in everybody's heart and, with the onset of the new year, people feel transformed into totally new human beings.

This year on December 04, 2021 the students and academic resources of Vatel hotel and Tourism Business School Gurgaon celebrated, like they cheerfully do every year, the Christmas cake-mixing ritual. This ceremony usually takes place six to eight weeks before the Christmas day. The chefs and students enthusiastically assembled the measured and balanced quantities of ingredients - raisins, currants, candied fruits, brown sugar, breadcrumbs, citron, candied lemon peel mixed spices and brandy, all to be carefully blended into a mix which is to be preserved and left in a

state of no disturbance for four to six weeks – allowing it to gently mature, intensify and for its colour to deepen over time... The new students who had joined just about three months ago, found the ceremony to be unique as they had never come across something as exceptional as this. “We never knew this cake-mixing would turn out to be such a formal ceremony, carried out in full style and ambience – I am really impressed” said one of the fresher students.

“All such ceremonies held in the past have been participated by the students along with the university’s leadership and resources from the 8 different schools, who are too eager to book their orders in advance and wait impatiently for these delicious puddings to be delivered to them by the Vatel Boulangerie” said Dr. Garima Parkash, dean, Vatel Hotel and Tourism Business School.

“This is our university, our institute, our students who work in own kitchens and the bakery. We are not looking it more as a learning activity and therefore use the best of ingredients, undertake a careful baking, decorate and present these cakes in the best of packaging – representing the true spirit of the festival” says Chef Amit Kumar who is an ace in Patisserie and Boulangerie.

As the dawn breaks on the 73rd Republic Day of our beloved nation, Sushant University stands as a beacon of unity, diversity, and progress. Today, amidst the fluttering tricolor flags and the resonating strains of the national anthem, we come together as a community to commemorate the ideals that bind us as Indians.

The journey of our nation, since its inception, has been one of resilience and fortitude. From the sacrifices of our freedom fighters to the strides we've made in various fields, every milestone reflects the indomitable spirit of India. As we gather here today, we pay homage to those who laid down their lives for the cause of independence and reaffirm our commitment to upholding the principles of justice, liberty, equality, and fraternity.

At Sushant University, we take pride in our diversity, which mirrors the rich tapestry of our nation. Our campus is a microcosm of India, where students from different states, cultures, and backgrounds come together to pursue knowledge and excellence. It is this diversity that enriches our academic discourse, fosters understanding, and nurtures empathy among our future leaders.

On this auspicious occasion, let us reflect on the progress we've made as a nation and the

	<p>challenges that lie ahead. As we celebrate our achievements, we must also rededicate ourselves to the task of nation-building. Whether it's in the fields of science, technology, arts, or humanities, each one of us has a role to play in shaping the destiny of our country.</p> <p>As we unfurl the tricolor flag today, let it serve as a reminder of our shared heritage and the responsibilities that come with it. Let us pledge to be responsible citizens, to uphold the principles of democracy, and to contribute towards the greater good of society. Let us embrace our differences and celebrate our unity, for it is in unity that we find strength.</p> <p>Today, as we mark the 73rd Republic Day, let us also honor the frontline workers who have selflessly served the nation, especially during these challenging times. Their dedication and sacrifice remind us of the resilience of the human spirit and inspire us to strive for a better tomorrow.</p> <p>In conclusion, as we come together to celebrate the 73rd Republic Day at Sushant University, let us cherish the values that define us as Indians – unity, diversity, and progress. Let us march forward with confidence, knowing that the future of our nation lies in our hands. Jai Hind!</p>

<p>Description (min 250 to max 800 words)*</p>	<p>International Women's Day (IWD) is a holiday celebrated annually on March 8 as a focal point in the women's rights movement. IWD gives focus to issues such as gender equality, reproductive rights, and violence and abuse against women. Spurred by the universal female suffrage movement, IWD originated from labor movements in North America and Europe during the early 20th century. It was with this thought in mind that the Vatel Hotel and Tourism Business School organised International Women's day with the theme Break-The-Bias, wherein the students – mostly girl students, clad in the best of their attire, put up stalls of eateries and of their merchandise either created by themselves or procured by them from artisans. The stalls consisted of Indian street food, best of oriental delicacies, marvels of Indian cuisine, bakes and desserts, besides having stalls of ladies' interest – jewellery, fashion accessories and photo shoots. All these stalls were the result of a direct endeavour of the students either in consultation with the renowned, celebrated chefs or out of their own ingenuity.</p>

Description -

The world celebrates September 27 as the World Tourism Day. Despite the tourism sector having faced an acute recession due to Covid over the last two years, one can now see almost all the sectors springing back into business, thereby re-energizing tourism in a big way, which is once again spreading its wings far and wide...The tourism sector gives opportunities of employment to small and big business and to millions of people and stands to be one of the biggest foreign exchange earners for all economies of the world. Revenge Tourism, as some of the experts have coined this era will, now that we are at the threshold of the tourist season, see a great influx of tourists from abroad and will give an unprecedented fillip to the domestic tourism, conferences, conventions, meetings and exhibitions. The Vatel Hotel & Tourism Business School commemorated this important day in a unique way, by dedicating itself towards conserving the environment by way of creating an EDIBLE GARDEN. Students of First Year, who have recently joined the BHM Programme, took a lot of interest in first understanding the significance of the tourism Day and in coming to terms with the importance of conservation of environment, that is to Reduce, Reuse and Recycle. The saplings they

planted were of Cuphea, Thai basil, chilly, coriander, carom, lemongrass, mint and guava. The end products of these plants will be used in the college kitchen practical classes and the students will also be induced to create their own mini garden for their own, domestic kitchens at home.

Dr. Sanjeev Sharma, Pro-Vice Chancellor and Registrar of Sushant University inaugurated the Edible Garden and Dr. Jyoti Sinha, head of the School of Pharmacy, Sushant University planted a few saplings. "I am happy to see the interest our young generation has towards the fine art of tourism and the awareness that they are creating towards making our planet green, clean and unpolluted, which stands to be the need of the hour" said Dr. Sanjeev Sharma. Ms. Chandana Paul & Ms. Aashiyan Assistant Professor of the college worked closely with the students to procure the saplings and helped them organize a small speech about the theme of the event and the expression of gratitude towards the University for providing an area, permanently earmarked for such, environment-oriented activities.

“Without light there is no knowledge Without knowledge there is no light”

Ushering in the festival of lights, SOL organized a grand cultural siesta ‘Shubh Diwali’ on 21ST October 2022. Students across SU immersed themselves in the joy of celebrations by enthusiastically participating in numerous activities including Rangoli Making Competition, Diya Making Competition, Henna/Tattoo Making Competition, Face Painting Competition and Funk with Junk. SOL students in ethnic wear represented the cultural diversity of our country adding to the vibrancy of the colourful event. The students under the cultural wing of Darpan collected gifts to donate to the underprivileged children; the smile on the faces of the underprivileged was proof of DARPAN’s incredible success. Conceptualized as a social outreach endeavor, DARPAN seeks to internalize the values of sharing, caring and giving among the students of SOL. Building bridges between the haves and the have-nots and imbibing compassion for the needy is the hallmark of DARPAN. On the brim, the students and faculty enjoyed to the fullest and celebrated the festival of lights with wide smiles.

The event started with the masters of the ceremony, **Ojas** and **Ananya** (Students, SOB) addressing the audience by presenting the significance of this day and its history. The teachers assembled to pay tribute to the martyrs by offering them flowers.

The event started with the address of Prof. Vijay Dubey (Dean School of Business) who, in his powerful words, forced the gathering to think about the love for nation and emphasized on good conduct by remembering the sacrifice of the martyrs.

Ms. Aanchal Dangwal, Faculty, School of Business recited a beautiful poem which had the audience motivated, some in tears. **Mokshika**, a student of BBA Sem IV presented a classical dance on a patriotic song which took us knee deep in the feeling of patriotism and made us sway with her. Description (min 250 to max 800 words)

The theme of Historical Monuments was chosen to inspire students to explore and depict the architectural marvels from around the world. Participants were tasked with recreating these iconic structures in the form of rangoli, a traditional Indian art form involving intricate patterns and vibrant colours.

The competition aimed to foster a sense of appreciation for global heritage while promoting artistic expression among the student body. Each rangoli was a testament to the meticulous attention to detail and the rich historical context behind these monuments.

Students used a variety of materials, including coloured powders, flower petals, and natural dyes, to bring their designs to life. The event concluded with an award ceremony, where the top three entries were recognized for their outstanding work.

The Rangoli Competition not only highlighted the talent and creativity of the students but

also reinforced the importance of preserving and celebrating our shared global heritage. The event was a resounding success, leaving participants and spectators alike with a deeper appreciation for historical monuments and the stories they tell.

Description (min 250 to max 800 words)*

All major civilizations across the globe have time and again emphasized on the importance of cleanliness. Many health experts are of the view that "cleanliness is half our health", hence mustn't be a project but practice! In the hospitality industry, the housekeeping staff has always emerged as champions of cleanliness, order and synergy. With the intention to honor and cherish the work of such unsung heroes on our premises, HOUSEKEEPING WEEK was observed with much fanfare and fervor, at Vatel Hotel and Tourism Business School, Sushant University. After appreciating their robust role as 'keepers' of the organization, an educational session with the housekeeping staff threw light on different techniques of sanitation and disinfection, the latest innovations in the area and the global best practices.

Key Points

- Housekeeping staff will be able to upgrade their skills.
- Free of cost learning session.
- Certificate will also be awarded.

Hindi Diwas was celebrated at the Sushant University on 14 Sep 2023 at the School of Business auditorium. The chief guest for the occasion was Dean SoB Prof Dubey. The master of ceremony Priyanka and Anubhav initiated the occasion with poetic verses and Hindi anecdotes. The Chief guest, Prof. Mukul and Prof Giri were felicitated during the ceremony. The event started with opening address by the Dean SoB and Prof Mukul. Thereafter the Rangoli and Bookmark completion was held. Meanwhile poem recitation was conducted and participants delivered with their heart. An impromptu volunteer also contributed with his own poem. The surprise element was the recitals by Prof AAnchal and Prof. Gunjan who kept the crowds at their wits end. A short Hindi quiz engaged the whole audience and teachers alike who were trying for one upmanship to answer the questions. The whole environment was ecstatic. Then came in the entries of the competition and soon the winners were announced. The closing address was delivered by Prof Giri who re-iterated the usage of Hindi. A quick photo session with the participants amongst the faculty spread contagious smiles across the auditorium. The event was a grand success with memorable participation by both faculty members and students of the University.

Description (min 250 to max 800 words)*

. A potpourri of history, royalty, opulence and aroma, the Hyderabad cuisine is well known for its exquisite recipes, assorted ingredients, rich palettes and the soulful experience that it offers!

In order to bring home the essence of 'Rivaayat-e-Hyderabad', the young culiniers of Vatel Hotel and Tourism Business School at Sushant University felicitously curated and served 'Rivaayat - Hyderabad Theme Lunch'.

Amidst the colourful rangolis, glittering diyas and embellished attires, the ambiance at VHTBS offered a truly surreal experience!

Right from the traditional decoration of the venue to the tehzeeb-infused greeting of guests accompanied by a mesmerizing classical music, the afternoon undoubtedly took the guests back to the 'City of Nawabs'.

Such events offer an opportunity for hospitality enthusiasts to put to test not only their technical knowledge but also their practical learnings on standard serving etiquettes and skillful handling of variety of guests.

The superlative moment of the luncheon however was when the young aspiring chefs were showered with words of appreciation and encouragement! It was an unforgettable moment indeed!

Description (min 250 to max 800 words)*

Lohri is a popular harvest festival of North India, celebrated especially in the states of Punjab, Haryana and Himachal Pradesh. It is the festival of joy that commemorates the passing of the Winter Solstice and marks the tilt of the sun towards the Northern Hemisphere causing the nights to get shorter from this day onwards. Students enjoyed Lohri celebration and understood the significance of this festival. They were dressed for the occasion in colourful festive traditional attires. They danced to Bhangra beats and sang Punjabi Tappas making the session full of vibrance and exuberance. Children played one minute games of 'cracking the groundnuts' and scooping popcorn with a spoon into another vessel. Students also prepared a Lohri bonfire craft operated tea-lights, flame cut-outs and completed it by offering groundnuts, rewadis, popcorn and gud pattis to it. The students were also made aware about the other harvest festivals being celebrated parallelly across the country around this time like Uttarayan, Pongal, Bihu and Makar Sankranti. These celebrations not only add a fun element but also teach the children to be close to their rich tradition and culture.

Sushant University celebrated the 75th Republic Day with a vibrant and patriotic program that underscored the importance of India's democratic values and cultural heritage. The event was marked by a series of activities designed to engage students, faculty, and staff, fostering a deep sense of national pride and unity. The celebration began with the ceremonial hoisting of the national flag by a senior faculty member, accompanied by the national anthem. This was followed by a speech that highlighted the significance of Republic Day, commemorating the adoption of the Indian Constitution on January 26, 1950. The speaker emphasized the values of democracy, liberty, and justice that the Constitution enshrines, reminding the audience of their duties as responsible citizens. One of the key highlights of the event was a parade featuring various student contingents. These contingents represented different states of India, showcasing the country's rich cultural diversity. The students, dressed in traditional attire, marched with precision and enthusiasm, symbolizing unity in diversity. The parade was complemented by a display of cultural performances, including traditional dances, songs, and a skit that depicted historical events leading to India's independence and the adoption of the Constitution.

These included essay writing, poster making, and debates centered around the theme of patriotism and national unity. The winners of these competitions were awarded certificates and prizes, encouraging students to engage more deeply with the country's history and civic responsibilities.</p> <p>The event also included a special address by the university's Pro- Vice-Chancellor, who spoke about the importance of education in shaping responsible and informed citizens. He encouraged students to uphold the values of the Constitution and contribute positively to the nation's development. The speech was followed by the distribution of sweets, adding a festive touch to the occasion.</p> <p>The celebration concluded with a musical performance by the university's choir, which performed patriotic songs that resonated with the spirit of the day. The atmosphere was charged with enthusiasm and pride as the audience joined in, waving flags and singing along.</p> <p>Sushant University's Republic Day celebration was not just a display of cultural diversity and patriotism, but also a reaffirmation of the values that bind the nation together. Brief Description (min 250 to max 800 words)*

In an attempt to start a conversation around mental health, the 1st year students from the Department of Psychology, School of Health Science created an eye opening Nukkad Natak that delved into the life of a depressed boy. The storyline resonated with many because it depicted the realities faced by today's youth. It highlighted the significance of expert intervention which is required to treat mental health issues, and addressing the stigma surrounding psychological illnesses. The narrative revolved round a younger guy grappling with depression, pressured by his parents, career and relationships. While initially his family's tries to discover an answer through conservative means by consulting a *baba*, they soon find that consulting a mental health profession is the best way to treat mental health problems. Throughout the performance, the audience was immersed into the protagonist's journey, witnessing the inner struggles and societal pressures that frequently accompany mental health problems. By portraying the protagonist's reluctance to seek professional help and then eventually finding relief through professional psychological therapy, the message that psychological problems are no longer a reason to feel shame was emphasized. To sum up, the Nukkad Natak helped to raise awareness of mental health, challenging preconceived notions,

	<p>and promoting acceptance and support for people living with mental health conditions. Through the power of storytelling, the students connected with the audience, moved their minds, and encouraged them to take action to break the taboo around mental health.</p> <p>Key Points</p> <ul style="list-style-type: none"> • Awareness Through Art • Stigma and Societal Pressures • Importance of Seeking Professional Help • Community Engagement • Empathy and Understanding • Breaking the Stigma
Outcome*	<p>The street play was a way to raise awareness, about health issues specifically focusing on depression. With a storyline the audience was drawn into the life of a boy dealing with depression. The performance highlighted the challenges faced by the character including misunderstandings within his family struggles in relationships and unsuccessful attempts to seek help. By portraying the journey of this boy seeking assistance from sources such as a spiritual guru recommended by his aunt and eventually a psychologist, the street play emphasized the importance of professional intervention and reducing stigma around mental health treatment. Spectators were encouraged to reflect on the significance of recognizing and addressing health problems with sensitivity and understanding. Additionally the interactive nature of the performance allowed engagement with the audience sparking conversations and fostering a sense of community awareness. Viewers were prompted to contemplate how common mental health struggles are in society and recognize the need for compassion and support, for those facing challenges. Ultimately besides raising awareness this street play also advocated for empathy, understanding and seeking help when dealing with health difficulties.</p> <p>The event was a reminder of how crucial it's to reduce the stigma surrounding mental health issues and create a supportive environment, for individuals struggling with their mental well being.</p>

<p>Description (min 250 to max 800 words) *</p>	<p>The Department of Pharmacy (School of Health Sciences) organized a Herbal Garden visit to Amrit Udyan, Rashtrapati Bhawan, Delhi, on 22nd February, 2024. The Amrit Udayan is called the 'soul' of the Presidential Palace and is open to the public every spring. A visit was organized to the Amrit Udyan, which intended to create a representation of an earthly utopia in which humans co-exist in perfect harmony with all elements of nature. Some of the typical features include pools and fountains inside the gardens. They also saw specially cultivated tulips of 12 unique varieties, which are expected to bloom in phases, as well as 120 varieties of roses and a variety of hyacinths, marigolds, dahlias, and other flowers. The highlight of the garden is a 200-year-old Sheesham tree. There were QR codes placed in the garden next to each variety of plant, which were scanned by the educator to get more information about any particular flower, plant, or tree and discussed with students. This luxurious garden is divided into three sections, namely the Pearl Garden, Butterfly Garden, and Circular Garden. The entire garden space consists of the rarest species of flowers, and the greenery is so lush that one cannot take their eyes off the complex. The students observed that the garden is divided into 36 squares by a grid of water channels and paths. The students thoroughly enjoyed the visit to the sprawling 15 acres of greenery featuring herbal plants, medicinal plants, decades-old bonsais, and patches full of fresh blooms in myriad colors and varieties.</p> <p>The objective of this visit is to create awareness of the conservation and traditional uses of herbs and medicinal plants. It was a rejuvenating and informative experience where the students got a chance to appreciate and admire nature's wonders.</p> <p>Key Points</p> <ul style="list-style-type: none"> • Mughal garden • Medicinal plants • Rashtrapati Bhawan
