Ansal University, Gurgaon, successfully hosted its annual sports fest, 'Blaze 3.0,' on the 7th and 8th of March, 2019. The two-day event, open to all schools of the university, celebrated the true spirit of sportsmanship and teamwork, with participation from both internal students and those from external institutions such as MIRTC Alwar (Rajasthan), KIIT, IILM, and others.

The opening ceremony was a grand affair, graced by the presence of the Hon'ble Vice Chancellor, Prof. (Dr.) Raj Singh, who inaugurated the event by releasing balloons and lighting the ceremonial lamp. Alongside him were the deans, faculty members, and students from all schools of the university, who gathered to cheer on the participants and show their support.

	<p>Blaze 3.0 featured a wide variety of sports, including Cricket, Football, Volleyball, Basketball, Lawn Tennis, Table Tennis, Badminton, Chess, and various athletic events. The fest provided a platform for students to not only showcase their athletic talents but also to build character, perseverance, and teamwork, all of which are essential life skills that sports inherently teach. As Billie Jean King said, "Sports teaches you character...it teaches you about life," and this event truly embodied that sentiment.</p> <p>The closing ceremony, held on the 8th of March, was a fitting end to the action-packed event. It was attended by notable chief guests, including Mr. Karan Singh Chautala, Vice President of the Indian Olympic Federation, and Mr. Aman Dahiya, an International Basketball Player. Both guests addressed the gathering and distributed the prizes to the winners. A special moment during the ceremony was the felicitation of Mr. Hitesh Yadav, a student from the School of Social and Behavioral Sciences (SSB), who had recently won the Bronze Medal in the India University Championship and the Silver Medal in the South Asian Championship (2019), held in Bhutan.</p> <p>Blaze 3.0 was a resounding success, brimming with energy, enthusiasm, and camaraderie. The event was a testament to Ansal University's commitment to the all-round development of its students, focusing not only on academic excellence but also on physical fitness, teamwork, and sportsmanship.</p>

**Summary of the Sports Event at Sushant University – October 22, 2020**

On October 22, 2020, the Sports Committee of Sushant University organized an exciting sports event for both staff and students. This event, aimed at fostering a sense of camaraderie and promoting fitness, featured four main sports: badminton, volleyball, cricket, and races. Held on the university's sprawling sports grounds, the day was filled with enthusiasm, teamwork, and competitive spirit.

**Opening Ceremony:** The event began with an energetic opening ceremony. The Vice-Chancellor of Sushant University, along with members of the faculty, addressed the participants, emphasizing the importance of sports in developing physical fitness and mental well-being. The Sports Committee President also encouraged participants to embody the values of teamwork, perseverance,

and sportsmanship throughout the day. The national anthem marked the official start of the event, and soon after, the games commenced.

**Badminton Tournament:** The badminton matches saw immense participation, both from staff and students. Held in the university's indoor courts, the tournament followed a knockout format. Singles and doubles matches were held, and the competition was fierce, especially in the student's singles category. For the staff, a special category was arranged, which allowed teachers to showcase their athletic skills. The final match, which was a highlight of the day, saw a gripping battle between two skilled players. Ultimately, the students' singles champion was crowned after an intense three-set match, while the doubles finals witnessed a similar level of excitement.

**Volleyball Competition:** Simultaneously, the volleyball tournament took place outdoors. Teams were mixed, with both staff and students playing together, promoting teamwork and collaboration. The competition was friendly yet spirited, with teams striving hard to win each point. The audience, consisting of fellow students and faculty members, cheered enthusiastically for their favorite teams. The final match was a thrilling contest, with both teams displaying excellent coordination and strategy. The game went down to the wire, with the winning team emerging victorious by a narrow margin.

**Cricket Matches:** Cricket, a favorite sport among many, drew a large crowd. Two tournaments were organized—one for staff members and one for students. The matches were held in a 10-over format to accommodate the number of teams. For the students' tournament, competition was intense as teams displayed strong batting and bowling performances. The staff cricket match was equally thrilling, with teachers surprising students with their cricketering skills. The final match between the two best-performing student teams saw a dramatic finish, with the winning team chasing down a competitive total in the last over.

**Race Events:** The race events added an element of speed and endurance to the day's activities. Races were organized in various categories, including 100 meters, 400 meters, and relay races. Both staff and students participated in these events, making

	<p>the races more inclusive and fun. The relay races, in particular, were a crowd favorite, with teams of four racing around the track in a show of teamwork and endurance.</p> <p><b>Closing Ceremony:</b> The day concluded with a grand closing ceremony. Winners of the various sports were awarded medals, trophies, and certificates by the Vice-Chancellor and faculty members. The event ended on a celebratory note, with participants and audience members alike sharing in the joy of the day. The Sports Committee thanked everyone for their enthusiastic participation and expressed hope for more such events in the future.</p> <p>Overall, the event successfully promoted a spirit of unity, competition, and physical fitness among staff and students alike.</p>

Summary of Volleyball Match Organized by the Sports Committee of Sushant University – 27th September 2021. On the 27th of September 2021, the Sports Committee of Sushant University organized an exhilarating Volleyball match exclusively for the students of the School of Art and Architecture(SSAA). This event was a part of the broader initiative taken by the university to promote sportsmanship, fitness, and camaraderie among students, emphasizing the importance of extracurricular activities in a well-rounded educational experience.

The match took place in the sprawling sports complex of Sushant University, with the SSAA students showing up in large numbers to support their respective teams. Both players and spectators were excited to participate in this break from the academic rigors, which gave them a platform to exhibit their athletic skills, build team spirit, and foster connections beyond the classroom. The event was held with strict adherence to COVID-19

protocols, ensuring the safety of both participants and the audience.

### **Team Formation and Preparation**

The teams were formed through a preliminary selection process that had taken place a few weeks prior to the event. The selection committee, composed of coaches and senior students, aimed to balance the teams by mixing experienced players with novices, ensuring that everyone had a chance to participate. Each team had an equal representation of students from different batches within the SSAA, creating a sense of unity across the school.

In the weeks leading up to the event, students engaged in regular practice sessions to build their teamwork, strategies, and gameplay skills. The commitment shown by the participants was evident as they balanced their academic responsibilities with the demanding practice schedule. Their dedication paid off, setting the stage for a highly competitive and exciting match.

### **Match Day Excitement**

The match commenced in the early evening under clear skies, with the atmosphere brimming with energy and anticipation. The two teams, Team A and Team B, entered the court amidst loud cheers from their peers. Each side was determined to claim victory, but it was clear that the spirit of fairplay and sportsmanship was the overriding priority for everyone involved.

From the very first serve, the match was highly competitive. Both teams displayed impressive coordination, with remarkable spikes, well-timed blocks, and strategic serves that kept the game tight. The communication between teammates was seamless, and the defensive and offensive maneuvers were a testament to their preparation. The match saw several extended rallies, with neither team willing to concede an easy point. The audience was on the edge of their seats, cheering with every point scored.

### **Final Moments and Results**

As the game progressed, the intensity increased, with both teams demonstrating immense skill and determination. The match lasted for three sets, with Team A narrowly edging out Team B in a closely contested final set. Team A's consistent teamwork

	<p>and precise execution of their game plan ultimately helped them claim victory.</p> <p>While Team A was declared the winner, both teams earned the admiration of the audience for their hard work, coordination, and sportsmanship. The match concluded with a formal award ceremony where the Sports Committee, alongside faculty members from SSAA, presented medals and certificates to the participants. Both teams were praised for their performance, and the event highlighted the importance of maintaining a balance between academics and physical activities.</p> <p><b>Conclusion</b></p> <p>The Volleyball match was a resounding success, bringing the SSAA community together and reinforcing the value of sports in student life. It provided students an opportunity to not only showcase their athletic skills but also strengthen bonds with their peers and faculty. The Sports Committee of Sushant University received widespread appreciation for organizing such an engaging and well-executed event.</p>

On 31st October, the birth anniversary of Sardar Vallabhbhai Patel was celebrated as 'Rashtriya Ekta Diwas' at Ansal University, in line with the directives from the Haryana State Technical Education Society. To mark the occasion, a "Run for Unity" was organized, followed by a debate and group discussion on the topic "Sardar Vallabh Bhai Patel – Iron Man of India: Challenges and Strengths to the Unity of India in Present and Future."

The event witnessed enthusiastic participation from students across various departments of the university, reflecting the spirit of unity and national pride inspired by Sardar Patel. The "Run for Unity" symbolized the collective effort toward national integration, encouraging students to work together for the greater good of the country, just as Sardar Patel did during India's formative years.

The debate and group discussion provided an excellent platform for students to reflect on the visionary leadership of Sardar Patel, who played a pivotal role in uniting the princely states and shaping the Indian nation. The discussion focused on the challenges to national unity in the present times and how Patel's ideals of strength,

	<p>determination, and integrity continue to guide India's path toward a unified and prosperous future.</p> <p>Prof. Ashutosh Raj Anand from the School of Law moderated the debate and group discussion with his deep expertise on the subject, ensuring an engaging and thought-provoking exchange of ideas. The students appreciated his valuable insights and guidance throughout the session.</p> <p>The event was successfully supervised by Dr. Astha Mehta, Associate Professor, who provided unwavering support in organizing and managing the event.
