

APPENDIX 5.3.2

**Other clubs: Office Order, Minutes Of
Meeting, Events Yearwise- 2019-2024**

Date: 30.08.2019

OFFICE ORDER: Establishment of the Sushant School of Design Creative Club

In recognition of the need to foster creativity and collaboration among students, Sushant School of Design (SSD) hereby establishes the SSD Creative Club, effective immediately. This club will serve as a platform for students to explore, express, and enhance their creative abilities through various activities, workshops and events.

Purpose of the SSD Creative Club:

1. To encourage student-led initiatives in creative and design-related fields.
2. To provide opportunities for experiential learning and collaboration.
3. To organize events and activities that promote innovation and creativity.

The club will be headed by a team of student leaders under the guidance of faculty advisors. A constitution and structure for the club will be formalized as outlined in subsequent communications.

Dean SSD Office
Sushant School of Design, Ansal University

Date: 15.10.2021

OFFICE ORDER: Nomination of Student Leaders for SoD Creative Club

In line with the vision of fostering creativity and holistic development among students, the School of Design (SoD) hereby announces the nomination of the following student leaders as Club Heads for the SoD Creative Club. These leaders will be responsible for organizing and managing the activities of their respective clubs during the academic year 2021-2022.

The details of the clubs and their respective heads are as follows:

Club	Club Head
Software Club	Soumya Saxena
Dance Club	Saadhvi Kumar
Music Club	Archita Sharma
Sports Club	Kunal Goel
Photography Club	Sakshi Singh

Dean SoD Office
School of Design, Sushant University

SoD Creative Collective Club - Minutes of the Meeting

Date: 29/10/2021 Faculty Present:

- Asst. Prof. Anjali Marwah
- Dr. Sachin, Datt
- Dean - Prof. Sasi Menon

Agenda:

1. Introduction of student club heads.
2. Discussion on roles and responsibilities.
3. Planning upcoming events for the semester.
4. Addressing resource and support requirements.

Minutes:

- Introduction: Faculty introduced the structure and purpose of student clubs.
- Roles & Responsibilities:
 - Club heads to act as primary points of contact between faculty and students.
 - Organize and oversee club events.
 - Maintain documentation of activities and outcomes.
 - Encourage participation from students across all semesters.
 - Submit monthly reports to the faculty.
- Event Planning: Brainstormed ideas for events like workshops, competitions, and guest lectures.
- Resources: Discussed the budget and logistical support required for upcoming events.
- Action Items:
 - Club heads to submit a detailed event proposal within two weeks.

Date: 16.09.2022

OFFICE ORDER: Nomination of Student Leaders for SoD Creative Club

In line with the vision of fostering creativity and holistic development among students, the School of Design (SoD) hereby announces the nomination of the following student leaders as Club Heads for the SoD Creative Club. These leaders will be responsible for organizing and managing the activities of their respective clubs during the academic year 2022-2023.

The details of the clubs and their respective heads are as follows:

Club	Club Head

OFFICE ORDER

Nomination of Students for Med Mentor Club

The Med Mentor Club is a student-run organization designed to provide mentorship, guidance, and valuable resources for individuals aspiring to enter the medical field. Its primary focus is to support students throughout their academic journey, helping them develop both theoretical knowledge and practical skills. The club aims to create a nurturing environment where students can gain insights into the medical profession, receive career advice, and build networks with professionals in the field for the academic session of 2020-2021.

Purpose of the Club:

1. To encourage student-led initiatives in Healthcare fields.
2. To provide opportunities for experiential learning and collaboration.
3. To organize events and activities that promote innovation and creativity.

Club	Club Head
Awareness	Anand Kumar
Peer Mentorship	Anuja Sharma

BYLAWS FOR
Code Conqueror Club
School of Engineering and Technology

Article I: Name

The official name of the organization shall be **Code Conqueror Club** (referred to as "the Club").

Article II: Mission and Objectives

Section 1: Mission

The mission of the Code Conqueror Club is to foster innovation, collaboration, and technical excellence among students in the fields of coding, programming, and software development.

Section 2: Objectives

1. Provide a supportive environment for learning programming languages and frameworks.
2. Encourage members to solve real-world problems through technology.
3. Facilitate networking opportunities with industry professionals and alumni.
4. Prepare members for coding competitions, hackathons, and technical interviews.
5. Promote teamwork and leadership through collaborative projects.

Article III: Membership

Section 1: Eligibility

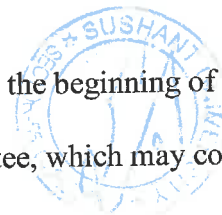

1. Membership is open to all undergraduate and postgraduate students of the School of Engineering and Technology.
2. Faculty members and alumni can join as honorary members without voting rights.

Section 2: Membership Types

1. **Active Members:** Participate in at least 75% of Club activities and events.
2. **Associate Members:** Individuals who are not part of the engineering school but collaborate on specific projects or events.

Section 3: Membership Application

1. Prospective members must fill out a membership form at the beginning of the semester.
2. Applications will be reviewed by the Executive Committee, which may conduct interviews if required.

Section 4: Membership Dues

An annual membership fee of ₹500 must be paid during the registration period.

Article IV: Governance

Section 1: Executive Committee

The Club shall be governed by an Executive Committee consisting of elected officers:

1. President

- Oversees all Club activities and presides over meetings.
- Represents the Club at external events and to the administration.
- Delegates responsibilities and ensures smooth functioning of the Club.

2. Vice President

- Assists the President in their duties.
- Takes charge in the absence of the President.
- Manages the mentorship program and member recruitment drives.

3. Secretary

- Prepares agendas and maintains minutes of meetings.
- Keeps records of member participation and event reports.
- Ensures timely communication with all members.

4. Treasurer

- Manages the Club's finances, including membership dues and sponsorships.
- Prepares an annual financial statement.
- Ensures transparency in expenditures and reports to the Executive Committee.

5. Event Coordinator

- Plans and executes workshops, competitions, and hackathons.
- Coordinates with external speakers and sponsors.
- Ensures event logistics and smooth operations.

6. Public Relations Officer (PRO)

- Promotes the Club through social media and posters.
- Builds partnerships with other organizations.
- Manages the Club's online presence and communication.

Section 2: Selection Process

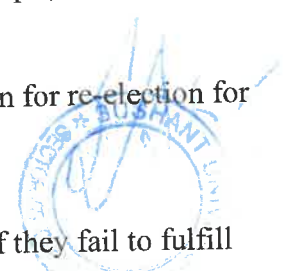

- 1. Eligibility for Office:** Only active members who have been part of the Club for at least one semester are eligible to run for office.
- 2. Election Process:**
 - Elections will be held at the end of the academic year in April.
 - Candidates must submit a formal nomination and present their vision for the Club during a general body meeting.
 - Voting will be conducted anonymously, either online or in person.

Section 3: Term of Office

Each officer shall serve for one academic year (June to May) and may run for re-election for one additional term.

Section 4: Removal of Officers

An officer may be removed by a two-thirds vote of the active members if they fail to fulfill their duties or violate the Club's code of conduct.

Article V: Events and Activities

The following events and activities shall be conducted regularly:

1. **Workshops:**
 - Beginner and advanced coding sessions.
 - Training on algorithms, data structures, and emerging technologies.
2. **Hackathons:**
 - Annual inter-college coding marathons.
3. **Coding Competitions:**
 - Weekly or monthly algorithm challenges.
 - Competitive programming contests on platforms like Codeforces, LeetCode, or HackerRank.
4. **Seminars and Guest Lectures:**
 - Talks by industry professionals, alumni, and faculty.
 - Focus on career guidance, tech trends, and project development.
5. **Team Projects:**
 - Collaborative projects addressing real-world problems.
 - Open-source contributions and interdisciplinary initiatives.
6. **Social Events:**
 - Annual coding and gaming fest and member recognition ceremony.
 - Networking events to build relationships among members.

Article VI: Code of Conduct

1. Members must adhere to ethical practices in all activities.
2. Harassment, discrimination, or disruptive behavior will not be tolerated.
3. Plagiarism or cheating during competitions or projects will result in immediate disciplinary action.
4. Members are expected to actively participate and contribute to the Club's mission.

Article VII: Finances

1. All financial transactions must be approved by the Treasurer and the President.
2. The Treasurer shall present a detailed financial report at the end of each semester.
3. Sponsorships and grants shall be utilized for specific events and development projects.

Article VIII: Amendments

1. Any active member may propose an amendment to the bylaws by submitting it in writing to the Secretary.
2. The proposed amendment shall be discussed at a general body meeting and requires a two-thirds majority vote for adoption.
3. Amendments will take effect immediately after approval, unless otherwise stated.

Article IX: Dissolution

In the event of Club dissolution, all remaining funds and assets shall be transferred to the School of Engineering and Technology to support student-related activities.

OFFICE ORDER

2/2/2019

Subject: Constitution of Team Members for the Code Conqueror Club

In alignment with the objectives of fostering innovation, collaboration, and technical skill development among students, the Code Conqueror Club is hereby constituted for the academic year 2019-2020. The following students and faculty members have been appointed to form the team for the successful management and operation of the Club:

Executive Committee Members

1. **President:** Akshay Kumar, Anubhav Sinha
 - **Role:** Lead the Club, oversee activities, and represent the Club in all official matters.
2. **Vice President:** Tanya Yadav
 - **Role:** Support the President and manage mentorship and recruitment initiatives.
3. **Secretary:** Akanksha
 - **Role:** Maintain records, agendas, and minutes of meetings, and ensure timely communication.
4. **Treasurer:** Niyati Rana
 - **Role:** Manage the Club's finances, including membership dues and event budgets.
5. **Event Coordinator:** Kunal Yadav
 - **Role:** Plan and execute workshops, competitions, and hackathons.
6. **Public Relations Officer (PRO):** Arnav Lahri
 - **Role:** Promote the Club through social media, posters, and online presence.

Faculty Advisor/Incharge

- **Name:** Ms Sherry Verma
 - **Role:** Provide guidance, oversight, and support to the Executive Committee.

General Members

1. Parth Singh
2. Nehansh Jain
3. Ankush Metla
4. Yashasvini

This team is entrusted with the responsibility of planning, organizing, and executing activities that align with the Club's mission and objectives. Regular meetings, events, and updates shall be conducted as per the bylaws of the Club. The tenure of the Executive Committee members is one academic year, after which elections will be held to constitute a new team. All members are expected to abide by the Code of Conduct outlined in the Club bylaws and actively contribute to its success.

**Description (min
250 to max 800
words)***

School of Engineering and Technology, Sushant University has organized a technology masterclass on Non Fungible Tokens. Mr. Vikas Singh, Co-founder and CEO BloqueLabs, was an expert speaker. Mr. Vishal Singh has delivered Tedx talk in DITE Chapter, New Delhi and won an international hackathon in Atlanta, USA. Being the first trainer in Edureka, he has already trained more than 100 folks in Blockchain technology. He has designed and developed more than 10 projects in Blockchain. His expertise helped us gain insights on Non -Fungible Tokens. Registration link: <https://primetime.bluejeans.com/a2m/register/ufzzbrbs>

Minutes of Meeting

Club Name: Code Conqueror Club

Date: 17/10/2022

Time : 1 :30 – 2 :30 PM

Venue : online

Agenda

1. Welcome
2. Review of the previous work done
3. Planning for current, upcoming events and workshops.
4. Delegation of responsibilities

Attendees

1. Pankaj *Pankaj*
2. Jatin *Jatin*
3. Abhay *Abhay*
4. Drashika *Drashika*
5. Rahul Bansal *Rahul*
6. Aditya Gupta *Aditya*
7. Harsh Kedia *Harsh*
8. Tarun *Tarun*
9. Hardik Solanki *Hardik*
10. Dr Sherry Verma *Dr Sherry*
11. Dr Latika *Dr Latika*
12. Ms Rinky *Ms Rinky*
13. Mr Antim Dev Mishra *Antim*

1. The President welcomed all attendees.
2. The club appreciated the hard work of all its members in the successful conduct of webinar in September 2022.
3. Planning for Upcoming workshop on real world applications and challenges in Blockchain Technology & IoT on 15-16 December, 2022 was made.
4. Looking at the expertise of Dr Dinesh Rai and Mr Antim Dev Mishra, they were finalized to deliver the workshop
4. Responsibility of Poster creation and link for registration were given to Rahul Bansal.
5. Dr Rinky was delegated with the duty of moderator.

Evolution of Embedded Systems Integrated Circuits(IC's)

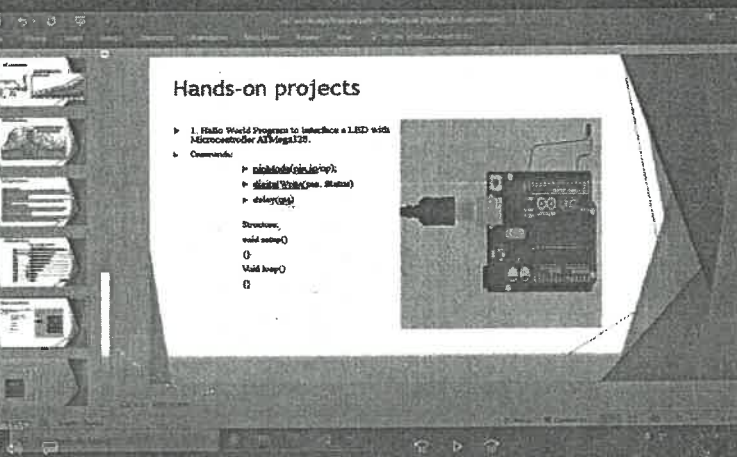

John Bardeen was an American physicist and engineer. He is the only person to be awarded the Nobel Prize in Physics twice: first in 1956 with William Shockley for the invention of the nobel component transistor; and again in 1972 for a fundamental theory of conventional superconductivity.

Description (min 250 to max 800 words)*

Department of Computer Science and Engineering of Sushant University has conducted a two-day workshop on the real-world applications in the Block-chain Technology and Internet of things on Dec 15-16, 2022. The workshop was organised in association with SAM Global University, Bhopal. This workshop was aimed to impart knowledge about the real-time applications of Block-chain Technology and IOT among students. The workshop focused on theoretical and hands-on experience in IOT and Blockchain Technology to interface the things for different applications.

This was a two-day event having a session of two hours on each day. On first day i.e. Dec15,2022, the session was on "Introduction to Blockchain technology and it's applications". It was delivered by esteemed speaker (Dr. Dinesh Rai) from Sushant University.

On second day i.e Dec16, 2022, the session was on "Evolution of embedded systems and IOT with its Real Time Applications". It was delivered by honored Professor Antim Dev Mishra from Sushant University.

Description (min 250 to max 800 words)*

We are a passionate group of students/professionals dedicated to exploring and advancing technology. Our mission is to provide hands-on experience, promote collaboration, and inspire creativity in the field of tech. From coding and robotics to AI and cyber security, we cover a broad spectrum of technological interests. This event turned out to be an exciting and engaging experience for all participants. The day featured a variety of activities, including a volleyball tournament, an open mic, gaming events, capture the flag competition and marked its beginning with the beautiful performance by the students. Event was an excellent opportunity to build up a community and learn too, in the process! one of the premier technology events of the year! Our club, dedicated to fostering innovation and tech education, will showcase our latest projects and engage with tech enthusiasts.

Subject: Code Conquerors Club - Nominations invited for New Council

DEAN SET <deanset@sushantuniversity.edu.in>

Fri, Sep 8, 2023, 2:00 PM
to SU SET Students (School of Engineering and Technology), SU SET Faculty (School of Engineering and Technology)

Dear Students,

Greetings of the Day!!

As per rotation policy, we change the council of our students' club every year. We are very thankful to the members who have been running the club so far, and are inviting nominations from the other students for the new council of the CCC (Code Conquerors Club). Open positions are:

1. President
2. Vice President
3. Head PR and marketing
4. Member Secretary

If you are interested, please share your CV and cover letter on latikaduhan@sushantuniversity.edu.in latest by **September 17th, 2023**

Best regards
Latika

OFFICE ORDER

22/10/2023

Subject: Reconstitution of Team Members for the Code Conqueror Club

In alignment with the objectives of fostering innovation, collaboration, and technical skill development among students, the Code Conqueror Club is hereby reconstituted for the academic year 2023-2024. The following students and faculty members have been appointed to form the team for the successful management and operation of the Club:

Executive Committee Members

1. **President:** Harsh Kedia
 - **Role:** Lead the Club, oversee activities, and represent the Club in all official matters.
2. **Vice President:** Aditya Gupta
 - **Role:** Support the President and manage mentorship and recruitment initiatives.
3. **Secretary:** Keshav
 - **Role:** Maintain records, agendas, and minutes of meetings, and ensure timely communication.
4. **Treasurer:** Kshitiz
 - **Role:** Manage the Club's finances, including membership dues and event budgets.
5. **Event Coordinator:** Pratham
 - **Role:** Plan and execute workshops, competitions, and hackathons.
6. **Public Relations Officer (PRO):** Tanisha
 - **Role:** Promote the Club through social media, posters, and online presence.

Faculty Advisor/Incharge

- **Name:** Dr Sherry Verma
 - **Role:** Provide guidance, oversight, and support to the Executive Committee.

General Members

1. Kshitiz
2. Aditya Minz

This team is entrusted with the responsibility of planning, organizing, and executing activities that align with the Club's mission and objectives. Regular meetings, events, and updates shall be conducted as per the bylaws of the Club. The tenure of the Executive Committee members is one academic year, after which elections will be held to constitute a new team. All members are expected to abide by the Code of Conduct outlined in the Club bylaws and actively contribute to its success.

This is for your information and record

Elevate Your University Experience with Zenith – Join the Movement Today!

Dear Students,

Are you ready to take your university experience to the next level? 🚀 We're thrilled to introduce **Zenith**, Sushant University's groundbreaking Event Management Club that's set to redefine campus life. Whether you're into organizing large-scale festivals 🎪, professional workshops 📚, or gaming competitions 🎮, Zenith is where your ideas come to life.

Why Zenith?

Zenith isn't just a club; it's a movement. We're here to bridge the gap between creativity, leadership, and hands-on experience by organizing events that energize and elevate. As a student-driven powerhouse, we aim to transform Sushant into a dynamic hub where students from all schools come together to create exceptional events that leave a lasting impact.

What's in it for You?

Be a Leader, Not Just a Follower

Whether you dream of leading teams or pulling off unforgettable events, Zenith gives you the platform to step up and shine.

Real-World Skills

You'll gain practical, resume-worthy experience in event management, communication, leadership, and problem-solving—all essential skills for a successful career.

Description (min 250 to max 800 words)*

The HackPulse event, organized by the Zenith Event Management Club of Sushant University on November 7, 2024, was a dynamic initiative that blended technical innovation with recreational engagement. Held at Lab D-108, D Block, the event brought together students from diverse disciplines for a day of learning, competition, and collaboration. The event featured a hackathon with the theme “Portfolio Web Development” and a gaming tournament. The hackathon challenged participants to build personal portfolio websites using HTML, CSS, and React, with a unique twist of integrating generative AI through prompt engineering. Each team was provided with AI prompt credits, encouraging strategic usage to optimize

their designs. The competition saw 30 teams and 50 students showcase creativity, technical prowess, and innovative AI applications. A panel of judges, including Dr. Urvashi Kumari, Mr. Antim Dev Mishra, Ms. Shiksha Kumari, and Dr. Sherry Verma, evaluated the projects, recognizing the best for their exceptional work. Simultaneously, the gaming tournament engaged 25 squads and around 100 participants in high-energy matches, including BGMI, Call of Duty Mobile, Valorant, and Stumble Guys. This part of the event fostered teamwork, strategic thinking, and camaraderie. With about 150 attendees, HackPulse successfully balanced academic and recreational elements, promoting interdisciplinary collaboration. The event concluded with a prize distribution ceremony led by the Vice Chancellor, who praised the participants' dedication. The Zenith Club team ensured the club's commitment to fostering innovation and creating opportunities for student growth, highlighting plans for future engaging events. Participant feedback was overwhelmingly positive, highlighting the innovative format, practical AI integration, and the enjoyable balance between technical challenges and recreational fun. Special thanks were extended to the Vice Chancellor, Mr. Vinod Kumar, Head of the Department of Engineering and Technology, and Dr. Sherry Verma, Zenith Club Coordinator, for their support and leadership. HackPulse exemplified Sushant University's mission to offer a holistic educational experience, combining academic learning with extracurricular activities. The event set a high standard for future initiatives, demonstrating the power of student-led innovation and fostering an

environment of creativity, collaboration, and passion.
