Subject: Invitation: Alumni Talk on "Academics vs. Profession of Architecture" - Join Us!

Dear Ar. Vikas Kanojia,

We are delighted to extend a warm invitation to you to be our esteemed guest speaker for "Alumni Talks: Academics Vs. Profession of Architecture," scheduled for March 19th, 2019, from 2:00 PM to 4:00 PM.

As the Principal Architect of Studio CoDE, your extensive experience and insightful perspective on the architectural field make you an ideal speaker for this event. We believe your journey in establishing a successful practice will provide invaluable guidance to our current students.

"Alumni Talks" aims to bridge the gap between theoretical knowledge and practical application, offering students a realistic view of the profession. Your lecture will focus on the transition of professional practice, highlighting the challenges and opportunities that lie ahead: We are particularly interested in your insights on how academic foundations translate into real-world architectural projects.

We anticipate a lively and engaging session, and your participation will be greatly appreciated by our students and faculty. Please confirm your availability at your earliest convenience. We look forward to welcoming you.

You may reach to Asso. Dean, Himanshu Sanghani at +91 8447 272 105 for further details or any query related to the talk.

Dear Ar. Rudraksh Charan,

We are pleased to extend a formal invitation to 42mm Architecture to conduct a campus recruitment drive at the Sushant School of Art and Architecture on January 29th, 2021, from 2:00 PM to 4:00 PM.

Our graduating class comprises talented and highly motivated students who have demonstrated exceptional skills and creativity throughout their academic journey. We believe their diverse portfolios and strong work ethic align perfectly with the innovative spirit of 42mm Architecture.

This recruitment drive offers a unique opportunity for your firm to connect with promising young architects and designers, and to identify potential candidates who can contribute to your projects. We are confident that our students will impress you with their technical proficiency, design sensibilities, and passion for architecture.

We understand the importance of recruiting top talent, and we are committed to providing a seamless and efficient recruitment process. We will ensure that suitable facilities and resources are available to facilitate your interaction with our students.

Your presence and participation in this recruitment drive would be greatly appreciated. We believe this collaboration will be mutually beneficial, offering your firm access to exceptional talent and providing our students with valuable career opportunities. Please confirm your availability and let us know if you require any further information or assistance. We look forward to welcoming you to our campus.

For any further query you may connect with Asso. Dean, Himanshu Sanghani at M: +91 8447 272 105.

Subject: Invitation: Alumni Meet - Internship & Placements Drive - Interview Session with Hines India (February 2, 2024, 2:00 PM)

Dear Ar. Akshay Goyal,

We hope this letter finds you well.

We are writing to you on behalf of the School of Art and Architecture, to invite you to deliver a lecture on the fascinating and rapidly evolving field of Robotics in Architecture. Your expertise and significant contributions to this domain make you an ideal speaker for our audience.

Our organisation is dedicated to promoting innovation in architecture, fostering knowledge sharing among students and professionals. We believe that your insights into the integration of robotics in architectural design and construction would be invaluable to our members.

We propose that the lecture be held on:

Date: 29th March 2024
 Time: 2:00 pm - 4:00 pm
 Venue: E-Block 509

The lecture is expected to be approximately 60 minutes followed by a Q&A session of 30 minutes. We are open to discussing the specific topics and focus of your lecture to best suit the interests of our audience. We would be honored if you would accept our invitation. We are pleased to offer an honorarium of Rs. 5000 and will cover all reasonable travel and accommodation expenses. We are also happy to provide any necessary audio-visual equipment and technical support.

Please let us know at your earliest convenience if you are able to accept this invitation. We are excited about the possibility of hosting you and learning from your expertise. Thank you for your time and consideration.

For any further query you may connect with Prof. Himanshu Sanghani at M: +91 8447 272 105.
