GENDER SENSITIZATION POLICY

1. Introduction:

Sushant University is committed to fostering an academic environment that is inclusive, respectful, and free from discrimination. The Gender Sensitization Policy is designed to create awareness, promote understanding, and establish a framework for addressing gender-related issues within the University community.

2. Policy Statement:

Sushant University upholds the values of diversity, equality, and respect for all members of the University community, regardless of gender identity, expression, or any other characteristic. This policy aims to create an educational and work environment that is free from gender-based discrimination and harassment.

3. Objectives:

3.1. Educational Focus: To integrate gender sensitization into the academic curriculum, fostering an understanding of gender issues and promoting equality in education.

3.2. Prevention of Discrimination: To prevent and address any form of gender-based discrimination or bias in academic and non-academic activities within the University.

3.3. Inclusive Practices: To implement inclusive practices that ensure equal opportunities for education, career growth, and participation for all genders within the University.

3.4. Research and Advocacy: To support and promote research and advocacy initiatives related to gender studies, contributing to a broader understanding of gender issues.

4. Definitions:

4.1. Gender Sensitivity: Acknowledging and respecting the diversity of gender identities and expressions, and promoting an inclusive academic environment.

4.2. Discrimination: Any unjust or prejudicial treatment based on gender, including but not limited to academic evaluation, admissions, and participation in extracurricular activities.

4.3. Harassment: Unwelcome conduct, whether verbal, physical, or visual, that is based on gender and creates a hostile or intimidating academic or social environment.

5. Responsibilities:

5.1. Academic Leadership: Academic leaders, including faculty and administrators, are responsible for championing a culture of gender sensitivity and ensuring the integration of gender perspectives in academic programs. They shall focus on advancing knowledge, supporting research initiatives, and fostering a gender-inclusive academic environment.

5.2. Student Support Group: Students Support Group will provide support and resources to address gender-related issues and will organize awareness programs and workshops for fellow students.

6. Education and Training:

6.1. Faculty, staff, and administrators will undergo periodic training and development sessions to stay informed about evolving best practices, legislation, and societal attitudes related to gender sensitivity.

6.2. Professional development opportunities will be provided to ensure that all members of the University community are equipped with the knowledge and skills necessary to contribute to a gender-inclusive environment.

7. Reporting Mechanism:

7.1. The University encourages the prompt reporting of any incidents of gender-based discrimination or harassment through established channels, including academic advisors, faculty members, and dedicated reporting mechanisms.

7.2. The University is committed to conducting thorough and impartial investigations into reported incidents, maintaining confidentiality.

8. Support Services:

8.1. Sushant University recognizes the importance of providing support services for individuals who may have experienced gender-based discrimination or harassment. Counseling services, helplines, and support groups will be made available to assist those in need.

8.2. Confidentiality and sensitivity will be prioritized in providing support services to ensure the well-being of individuals seeking assistance.

9. Collaboration and Partnerships

9.1. The university will actively seek collaborations and partnerships with external organizations, NGOs, and advocacy groups working towards gender equality and sensitization.

9.2. Collaborative efforts will include organizing events, conferences, and seminars that contribute to the broader discourse on gender-related issues.

10. Celebrating Diversity

10.1. The University will actively celebrate events such as International Women's Day, LGBTQ+ Pride Month, and other relevant occasions to promote awareness, understanding, and appreciation for the diverse experiences within the University community.

10.2. Such celebrations will serve as platforms for dialogue, cultural exchange, and the promotion of inclusivity.

11. Consequences of Non-Compliance:

Non-compliance with this policy may result in disciplinary action, or other appropriate measures, depending on the severity and recurrence of the violation.

12. Review and Updates:

This policy will be reviewed periodically by the University's Gender Sensitization Committee to ensure its effectiveness and relevance. Updates will be made as needed to address emerging issues or changes in legislation.

By implementing and adhering to this Gender Sensitization Policy, Sushant University is committed to providing a supportive and inclusive academic environment for all members of the University community.

13. Implementation of the policy-

This Policy is applicable from 3rd August, 2020.

7.1.1- MEASURES INITIATED BY THE INSTITUTION FOR THE PROMOTION OF GENDER EQUITY DURING THE LAST FIVE YEARS

Sushant University has a strong ethical work culture that is based on inclusivity. It identifies highest ethical principles in all its undertakings. Equal opportunities are provided to all individuals irrespective of gender, race, caste, color, creed, language, religion, political or other opinion, national or social origin, property, birth or other status. Its distinctive work culture, healthy ethnicities and ethos have led to inscription of the employees extensively.

Gender sensitivity is an intrinsic value in the cultural spirit of the institute as is evident by the following facilities –

Safety and Security:

Protecting the wellbeing of students, staff, faculty, and guests is not only simply the right thing to do, but it also reduces risk and exposure for the institution itself. Security guards throughout campus creates for a safe environment and makes sure that students feel comfortable and safe. Guards, including lady guards, and installation of CCTVs in each block ensures the safety of staff as well as students in the university. Vending machines are also available in lady washrooms. Moreover, the university provides maternity leave and child care leave to its female staff for their safety. Universities provide access to campus safety and security services, such as police helpline no of emergency response teams, and security escorts. Students are very much aware of how to contact these services in case of an emergency. A well-established security management system

guarantees protection towards the sizable population of students, faculty, and administrative staff in academic institutions. The security and safety measures matter in the following aspects-

Physical and Emotional Well-being:

Optimal Learning Environment:

Building Trust and Confidence:

Preventing Bullying and Harassment:

Emergency Preparedness:

Promoting Mental Health

Fostering Positive School Culture

Anti-Ragging and Disciplinary Committee

Strict entry and exit procedures.

Common Rooms:

A University common room is the student's paradise. Here he/she is completely free. In between classes, student finds recreation and relaxation. A common room in a University or any other educational institutions is necessary for the rejuvenation of the students in the recesses. Newspapers and magazines are supplied in the Common Rooms for use by the students in their leisure hours. A few indoor games are also provided for mental progression of students. A common room is a room in a university or school where people can sit, talk, and relax. Common Room facilities offer a welcoming and versatile space. A common room provides spaces and facilitates learning throughout the day in a number of ways-

- Continuing discussions after class
- . Scheduling collaborative work outside class.
- Impromptu meetings.
- Individual focus.

- Collegial atmosphere.

Counseling:

A Counselor's compassion is a soothing balm for the wounds of the soul. Counselors listen with their hearts, understanding the unspoken words hidden within our silence. Counselors hold the space for our growth, nurturing us as we blossom into our true selves. Counselling is planned to give students an opportunity to discuss their problems freely at this University.

Strict Entry and Exit Procedures.

The main purpose of security, whether it's provided by security agencies, or event security guards services, it is to ensure the safety, protection, and well-being of individuals, properties, and assets etc. Security measures, such as surveillance systems, access control, and trained security personnel, provide a sense of safety and personal protection. They act as a deterrent against criminal activities, making individuals feel more secure in public spaces, workplaces, and residential areas. Institution greatly needs the services of a professional security team to ensure that employees, students, and visitors are kept safe at all times. Institutional security management involves handling all the processes and managing every personnel involved within an institution's security system. Sushant University also ensures Institutional security. Here fire extinguishers are also made available for any sudden accident due to short circuits etc. Safety is a basic human need, an inalienable right and the foundation of security. Without safety people cannot function or be productive, businesses will not grow and new businesses will not open. Safety is the foundation of security and it is often the first thing we all strive for in life. Sushant University ensures the same very delicately.

SAFETY AND SECURITY

Safety and security: In Sushant University, special safety and security measures for students are being followed. Safety and security must be front of mind for university and college administrators. Protecting the wellbeing of students, staff, faculty, and guests is not only simply the right thing to do, but it also reduces risk and exposure for the institution itself. Campus safety issues in contemporary times have expanded from violence and crime to complex socio-cultural issues with regards to ragging, sexual harassment, bullying, drug-related incidents, etc. For these very reasons, campus security is a paramount responsibility of the educational administration. Campus security guards can be present during any student protests that occur or any other campus events that may potentially lead to violence. Having security guards throughout campus creates for a safe environment and makes sure that students feel comfortable and safe to do as they please without any fear. Guards, including lady guards, and installation of CCTVs in each block ensures the safety of staff as well as students in the university. Vending machines are also available in lady washrooms. Moreover, the university provides maternity leave and child care leave to its female staff for their safety. Universities provide access to campus safety and security services, such as police helpline no of emergency response teams, and security escorts. Counselling

COUNSELLING

Counseling: A Counselor's compassion is a soothing balm for the wounds of the soul. Counselors listen with their hearts, understanding the unspoken words hidden within our silence. Counselors hold the space for our growth, nurturing us as we blossom into our true selves. Counseling is designed to give students a healthy outlet to safely discuss their problems, work together to resolve conflicts, improve behaviour, and help with social development. Help students to devise attainable goals and develop useful skills or habits. Administer assessments to gauge students' capabilities, personality traits and interests. Evaluate students on their competencies, interests and ambitions to identify suitable academic and professional pathways. Counseling provided by trained professionals can make a profound impact on the lives of individuals, families and communities. This service helps people navigate difficult life situations, such as the death of a loved one, divorce, natural disasters, school stress and the loss of a job. the counseling specialty concerned with providing advice and assistance to students in the development of their educational plans, choice of appropriate courses, and choice of job etc. Sushant University shows utmost concern towards the wellbeing of students. To address the student stress, career advice and family concerns, the institute has set up a Student Counseling Centre. A qualified student Counsellor is looking after this Counseling Centre. The Counseling Centre addresses various degrees of problem and provides suitable solutions from time to time. The professionals try to resolve the matter in a more satisfying way. The services are open to all the students for free of cost and are totally confidential. The person is asked to visit the Counsellor in a scheduled day in a fixed counsel room. The Counsellor will counsel the students according to his/her problem after registering his identification and keeping all the information confidential. Further, every batch has a mentor appointed who also counsels the students and facilitates their life at the University. Counsellors of University provide guidance, support, and resources to help students overcome personal, academic, and emotional difficulties. By possessing the necessary skillsets and qualities, college counsellors can make a significant impact on the well-being and success of college students. There are plenty of benefits of counseling for college students. A counselor can help students to dissect their problems and help them figure out how to solve the problems on their own. In many ways, counseling helps to align everything into a place and shape students into responsible and confident adults. Guidance and counselling are important for children, and universities have a huge role in bringing out the best in children. Good conduct is coveted, but sometimes young minds need guidance to polish

their personality. Through counselling, children are given advice on how to manage and deal with emotional conflict and personal problems. Proper counselling will help incorporate valuable lessons in their daily life. Some sessions should involve career guidance, where the students are advised on the selection of courses and different career paths. It's important to prepare them for life after school.

Dear All,

World Suicide Prevention Day serves as a critical reminder of the importance of coming together as a community to support one another, raise awareness and take action to prevent suicide. This year the theme chosen by the World Health Organization is : **"Creating Hope Through Action"** to emphasize the power we all have to make a positive impact.

We at Sushant University believe that by coming together, we can create a community of hope and support that can save lives. Your presence and participation can make a significant difference in our collective effort to prevent suicide.

Event Highlights are:

- Guest lecture by Dr Satish Kaushik: Consulting Counselling Psychologist & Certified Happiness Coach
- Showcasing of the reels on the theme "Creating Hope Through Action "
- Skit Presentation by the students of the Department of Psychology

The reel making competition is open for all the students of the university. The chosen reels shall be posted on the department's and School 's Instagram handle

Request you all to kindly join the event to spread awareness among the students that suicide can be prevented.

Look forward to seeing you all in the event at D 421, on 12th September, 1:30 pm onwards.

Dear All,

Greetings from School of Law, Ansal University!

CBSE has recently been informed by the Supreme Court to cancel the pending examinations and declare the results based on the internal assessments. It has led to a state of confusion and mayhem for both students and parents. There is result stress, admission tension and various personal concerns during this pandemic Covid-19 heightening anxiety for all Class X and XII students. Worrying can get the better of almost anybody.

Thus, to address significant issues pertaining to this 'delay in academic calendar' School of Law, Ansal University presents a webinar **"Delay in Academic Calendar and the Road Ahead" on 03 July 2020.**

The esteemed panel at this webinar will address all your queries and concerns with respect to board exam results evaluation, competing with students from other states and other examination boards whose results will be evaluated on regular exams not facing any issue due to postponement of exams, delayed admissions for under-grad programs, appearing for entrance exams, stress management etc. **Hear from various stakeholders and be informed to make the right decision for yourself.**
