Description (min 250 to max 800 words)	On 26th August, 2019, Ansal University hosted an exhilarating Rangoli competition, celebrating the vibrant theme of "Cultural Diversity." The event drew enthusiastic participation from students and faculty turning the venue into a canvas of colourful expression and cultural celebration. The theme of Cultural Diversity was chosen to highlight the rich tapestry of traditions, customs, and artistic expressions that define various cultures around the globe. Participants were encouraged to create Rangolis that depicted symbols, patterns, and motifs representative of different cultural heritages, fostering an atmosphere of unity and mutual appreciation. The competition saw a plethora of stunning designs, each telling a unique story. Some participants chose to portray intricate patterns inspired by Indian festivals like Diwali and Pongal, while others depicted elements from Japanese, African, Mexican, and European cultures. The use of vibrant colors, natural dyes, and eco-friendly materials was a testament to the participants' dedication to both artistry and sustainability. PURANI DILLI DRAGGED TO GURGAON...Rare are the opportunities for the dwellers of the Millennium City to savor, in the true sense, the age-old delicacies of Chandni Chowk, or to experience in its true setting, a first-hand taste of what happens to be the livelihood of families whose generations have been engaged in concocting exquisiteness for centuries over.

The charm of Purani Dilli will never, neither should it ever, want to mix with that of Nayi Dilli. This gap is unique and we must agree that it should remain, the way it has been - for all the times to come.

Students of the School of Hospitality Management, forever hungry to create never-before events, have charted out in their curriculum, a busy calendar of activities, out of which, they chose, for this season a Purani Dilli ki Raunaq. *Such young, bubbly students, once given the liberty to go wild on their imagination, always come up with exceptional ideas...* was the comment of the Chef Sunil, the man behind "Foods Streets of Purani Dilli"

It was an enjoyable, yet a formal afternoon, *Ibtidaa* – for starters, were the tongue-teasers, known popularly, in the hospitality students' jargon, as "appetite arousers" as Gol Gappas, chaat-papri, aloo tikki – served by a young student Sparsh Kapoor – who challenged anybody

ANSAL UNIVERSITY ★ SECTOR-55, GURGAON ★

to come up with anything even close to her special creation she was proudly serving at her '*Ashoka Chaat Bhandaar*'

While Jaskeerat Singh promotes his *Kake di Hatti*, in which, he swears, the a 'real dal makhni' being served with a choice of mirch, laccha and garlic paranthas, Deepanshu, his next-door neighbour is even louder about, brandishing on his very work table, decorated neatly in jars, the 'real masalas – star anise, red chilly, cumin, black cardamom, bay leaf, chana dal and cinnamon sticks' that he made use of to create his own version of a *Nihari Gosht*. "Without a Sheermal...Nihari is not good at all" says he, putting three of them together on the 'customer's' plate.

Al-Jawahar, a name that indirectly suggests 'an amalgamation of cultures' is where Rishabh put up his chicken biryani with a cooler Chhacch...' Chandni Chowk is the real Purani Dilli, shouts Gautam serving his Kachoris, for which, he admits, he worked for a whole week...! This challenge is soon met by Shrawan running "Natraj Dahi Bhalla" who claims to revive the legacy of Dahi Bhallas and Aloo Tikkis cooked in Desi Ghee...absolutely pure... he confidently insists..

Aashna claims that her Kashmiri Wazwaan, is *incomparable and incontestable* – which, she prophesizes *is my greatest strength, and the biggest weakness of my clients*. "Hand-chosen saffron rice, cooked with tender meatballs with a flavoured yoghurt gravy" – How does that sound...? asks she with a grin on her face.

SUSHANT UNIVERSITY ★ SECTOR-55 ★
ANSAL UNIVERSITY ★ SECTOR-55, GURGAON ★

Sunil Thapa, playing *Babu Ram, Parathe Wala* next door, sporting his big belly, super confident about his handiwork, wipes his face (and mouth) with his Gamchha, and nullifies Aashna's assertion by claiming – "You perhaps do not know what the world swears by – these are my Aloo Parathas" – they are famous all over the globe, across the seven continents...What are you talking about...?

"How sweet are we...!!" Says Ekhagrah, churning out a perfect, rather a geometry-perfect design of a jalebi..." *Ek baar khaega, baar-baar aayega*" whosoever eats it once once, is bound to come again...Shyam Sweets, inspired by Lord Kirshna's butter-heavy desserts, instantly pulls a crowd hovering around to round up for a Suji Halwa.

"This was the first ever festival totally conceptualized and executed by our students. I am overwhelmed to say that it was a resounding success. This triumph encourages us to go even further and organize festivals about the different regional cuisines of India on a much bigger scale" says Chef Sunil "*We did not take help from any external agency. Our students created everything with the available resources*" continues to say the Chef at the success of the festival...

The winners were judged by a team from Marriott hotels and the students were awarded prizes and accolades...

Description (min 250 to max 800 words)*	Rashtriya Ekta Diwas in Hindi, on October 31st of each year. This day marks the birth of Sardar Vallabhbhai Patel, a well-known Indian independence leader who played a crucial role in uniting India after it gained independence from British colonial rule. Significance of Sardar Patel: Often referred to as the "Iron Man of India," Sardar Patel was instrumental in the amalgamation of over 560 princely republics into the Indian Union upon their independence. He is credited with preventing India from possibly splitting at this pivotal phase of nation-building. On October 31, 2019, the School of Health Science observed National Unity Day. On that day, a vow is recited aloud: "I genuinely pledge to commit myself to maintaining the integrity, unity, and security of the country. Additionally, I work hard to spread this message among my fellow residents. In the spirit of my country's unification, which was made possible by Sardar Vallabhbhai Patel's vision and actions, I make this vow. I also resolutely resolve to contribute to the defense of the internal security of my country.

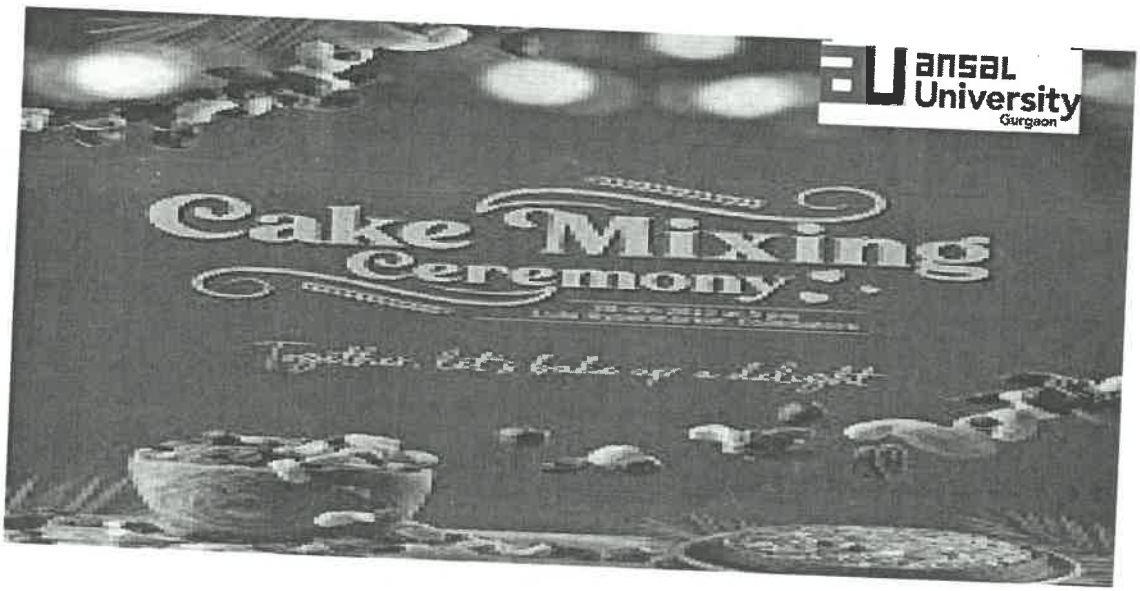
Cake Mixing Ceremony

04-12-19

ANSAL UNIVERSITY
SECTOR-55, GURGAON



As they do with joy each year, the students and faculty of Vatel Hotel and Tourism Business School Gurgaon enjoyed the Christmas cake-mixing routine on December 4, 2019. Six to eight weeks before to Christmas Day, this ceremony typically takes place. To create a mixture that will be preserved and left undisturbed for four to six weeks, the chefs and students eagerly put together the measured and balanced amounts of ingredients: raisins, currants, candied fruits, brown sugar, breadcrumbs, citron, candied lemon peel, mixed spices, and brandy. This will allow the mixture to gradually mature, intensify, and deepen its colour. Three months ago, the newly enrolled pupils discovered the ceremony.

Christmas, a wonderful and holy celebration that touches closely the heart of almost every human being on this planet, is a harbinger of bliss, joy and happiness. Almost everybody celebrates Christmas as it brings in a sense of purity in everybody's heart and, with the onset of the new year, people feel transformed into totally new human beings.

Sushant University

On 13th January 2020, Ansal University celebrated Lohri with great fervour and enthusiasm. The students, faculty members and non-teaching staff all actively participated in the event. The celebrations started with lighting bonfire and prayers to Almighty for the blessings to all .The traditional songs and dances followed. Students were served Lohri delicacies. All enjoyed this festival. Celebration was carried out at college with full enthusiasm and rituals like offering of peanuts, popcorn and sweets made of til, chirva, popcorn, gajak and revri to holy bonfire.

Principal, staff members and students of the college celebrated Lohri with fervour. The ambience of the venue and celebration was in tune with Lohri festivity. A cultural program was also organised during the celebration. The Lohri celebration at Sushant University in 2020 was not just a festive gathering; it was a vibrant tapestry of culture, camaraderie, and cherished traditions. The campus came alive with the crackling of the bonfire, echoing the warmth of shared joy and blessings.

Amidst the flickering flames, the soul-stirring melodies of traditional songs intertwined with the rhythmic beats of folk dances, painting a picture of unity and festivity. Throughout the celebration, rituals like the offering of peanuts, popcorn, and sweets to the holy bonfire served as a symbol of gratitude and reverence, fostering a sense of connection to the traditions of the past. As participants exchanged heartfelt wishes and blessings, the spirit of Lohri was palpable, enveloping everyone in a sense of warmth and goodwill.

Description (min 250 to max 800 words)*	Amidst the crisp January air, the grounds of Ansal University came alive with the vibrant colors of patriotism on the auspicious occasion of the Republic Day. The campus resonated with the echoes of nationalistic fervor as students, faculty, and staff gathered to pay homage to the ideals that define our great nation. The festivities commenced with the unfurling of the tricolor flag, symbolizing the unity, integrity, and diversity of India. As the flag soared high against the azure sky, it served as a poignant reminder of the sacrifices made by our forefathers to secure the freedoms we cherish today.

Following the ceremonial hoisting, the air was filled with the stirring strains of the national anthem, sung in unison by all present. The heartfelt rendition echoed the sentiments of pride and solidarity that bind us as citizens of India.

The celebrations continued with a plethora of cultural performances that showcased the rich tapestry of our country's heritage. From traditional dances that depicted the vibrant hues of various states to melodious renditions of patriotic songs that stirred the soul, each performance left an indelible impression on the hearts of the audience.

In addition to cultural festivities, the occasion was marked by thought-provoking speeches and discussions that underscored the significance of democracy, secularism, and social justice. Students and faculty alike engaged in dialogue, reflecting on the progress made by our nation since its inception and the challenges that lie ahead.

The spirit of Republic Day was further exemplified through various initiatives aimed at promoting civic responsibility and community service. Volunteers organized blood donation camps, cleanliness drives, and educational workshops, embodying the ethos of 'Service before Self.'

As the sun dipped below the horizon, signaling the culmination of the day's celebrations, a sense of camaraderie and pride permeated the atmosphere. The Republic Day celebration at Sushant University served not only as a tribute to our nation's glorious past but also as a reaffirmation of our commitment to shaping a brighter future.

As we bid farewell to yet another Republic Day, let us carry forward the spirit of patriotism and unity instilled in us today. Let us strive to uphold the values enshrined in our Constitution and work towards building a society that is inclusive, just, and progressive.

In conclusion, the Republic Day celebration at Ansal University in 2020 was a testament to the indomitable spirit of India and its people. May the ideals of liberty, equality, and fraternity continue to guide us on our journey towards a brighter tomorrow.

RENOWNED BLOGGERS VISIT VATEL HOSPITALITY SCHOOL FOR AN EXCLUSIVE TASTE

Recognized for thinking out of the box and renowned highly for undertaking exceptional projects, the students of Vatel Hotel and Business School, Ansal University, backed always by the support of the dean, professors and the management, took a very unique step - that of marketing their HM Institute in a rather unconventional and a unique way.

"We have two beautiful fine-dine restaurants, three kitchens and a bakery with the most modern equipment, fully loaded, air conditioned classrooms, Front Office and Housekeeping labs, a well-stocked library, excellent recreational facilities and collaboration with France's global hospitality school – all this in a superb location. It is high time people got to know what all we are proud of" say Sarthak Vats and Samrat Puri two bright Final Year students who spearheaded the exercise of conceptualization of this marketing-oriented event, of course with the guidance of their well experienced professors and chefs.

In keeping with the doctrine that says that the best way to win a man's heart is through his appetite, the students planned to invite a dozen-odd local food bloggers on February 7, 2020, - the ones who write enthusiastically about their gastronomic experiences and are followed by a sizeable crowd. Universally recognized as 'persuasive media influencers', the thought behind getting together the renowned bloggers was to re-inforce the overwhelming popularity of the Continental – Mediterranean cuisine, which for this prestigious event, was entirely planned, prepared and executed by the students of Vatel School.

EPICURE, where the Vatel School organizes its events is a training restaurant, designed specially to demonstrate etiquette, ambience and the style usually found in the upscale, fine-dine restaurants of the world.

The menu started with exquisite specialities like Spinach with Ricotta Quiche and Chicken Vol-au-Vents, followed by Roasted Tomato, basil and ginger soup and a chicken-asparagus soup which, instead of being accompanied by the normal bread and butter, had mushroom and black garlic paste with toast. The main course comprised of Lamb Osso Bucco with Grilled Polenta and Roasted Broccoli and the traditionally famous Coq au Vin.

Young girls and boys dressed in their official Vatel uniforms, were eloquent and well versed in describing the dishes to the guests. "I was impressed by the style these people are looking after us with care, concern and smile" said one of the guests.

"Like it always happens, we get tremendous mileage and recognition from such events, especially from this one wherein we were in the company of personalities whose blogs the general public at large reads with a great deal of enthusiasm and follows them through...Said Dr. Garima Parkash, Dean, Vatel Hotel and Tourism Business School at Ansal University.

DETAILS OF THE EVENT – VHTBS on occasion of Womens day Invited Dr. Shivani Gupta for a motivational sessiuon for our female students. This is the story of Dr. Shivani Gupta, a determined, resolute and a strong-minded lady whose willpower, backed with a strong purpose made her achieve all that she wanted to, despite her everlasting physical limitations.

A carefree and a joyous young graduate from the hotel management stream who sought to excel in this field unfortunately suffered a setback, an accident which paralyzed her partially, and put her on a wheelchair for the rest of her life. "This was like being a child again. I started being dependent on people around me for everything", said she, though nor regretfully as she expressed joy in achieving all that she could not have otherwise.

Description (min 250 to max 800 words)*	On May 07, 2020, the School of Business organized an online session began celebrating Buddha Purnima. Faculty members took part in the event, which focused on embracing the universal ideals of compassion, mindfulness, and ethical leadership rather than religious devotion. It stands for a cutting-edge method of teaching that develops responsible global citizens in addition to successful professionals. One of the most important and revered holidays in Buddhism is Buddha Purnima, which honors the birth, enlightenment, and demise of Siddhartha Gautama, also known as the Buddha. Buddhists worldwide reverently commemorate this auspicious occasion, which is celebrated on the full moon day of the Vaisakh month (usually in April or May). Three major events in the life of the Buddha are commemorated by the festival: his birth in Lumbini, his attainment of enlightenment in Bodh Gaya, and his mahaparinirvana (death) in Kushinagar. These events are thought to be significant and symbolically related, signifying the Buddha's spiritual development and ultimate release from the cycle of suffering.

Description	On May 25, 2020, join us online to celebrate Islamic culture and the Muslim community Festival of Eid: A Virtual Celebration presented by the School of Design, highlighting Eid al-Fitr. Eid al-Fitr, which marks the end of the holy month of Ramadan, is an occasion of peace, joy, and festivity. People visit friends and family, give gifts, and eat sweets and delicious food. Muslims refrain from eating and drinking from sunrise to sunset throughout the holy month of Ramadan, which is celebrated with Eid al-Fitr. In Arabic, the word Eid al-Fitr means "Festival of Fast-Breaking". There is a specific salah for Eid al-Fitr that consists of two rakats and is typically conducted in a big auditorium or open field. Muslims celebrate Eid al-Fitr in a variety of ways following the salat, with food playing a major role. This gives the event the moniker "Sweet Eid" or "Sugar Feast."

Description (min 250 to max 800 words)*	On July 06, 2020, the celebration got underway at the School of Business on online mode with a formal assembly where senior faculty members gave motivational talks about the value of mentoring and the transformational potential of education. Through a variety of cultural acts, students joyfully participated and expressed their gratitude to their teachers. Additionally, there were interactive sessions where professors and students had deep conversations on professional development, academic paths, and the more general philosophical facets of learning. The guru-shishya (teacher-student) tradition and its continued significance in professional education were highlighted in these sessions. In addition to being a cultural occasion, the Guru Purnima ceremony served as a potent reminder of the transformational role that educators play in forming the next generation of leaders and professionals. In order to demonstrate the great regard for educational advice and information transmission, the School of Business celebrated Guru Purnima, an important traditional Indian event that celebrates teachers and mentors. Students, teachers, and administrative staff came together to honor the importance of educators and the value of learning.

Description (min 250 to max 800 words)	Sushant University recently hosted an innovative Digital Rangoli Competition centred around the theme of Environmental Conservation. Held virtually, this event aimed to blend traditional Indian art with modern digital techniques, highlighting pressing environmental issues through vibrant and thought-provoking designs. The competition saw enthusiastic participation from students across various disciplines, each bringing their unique perspective to the theme. The digital format allowed participants to experiment with a wide range of colours, textures, and patterns, creating intricate and visually stunning rangolis that conveyed powerful messages about the need for environmental protection. Participants were encouraged to draw inspiration from various aspects of environmental conservation, including climate change, wildlife preservation, renewable energy, and sustainable living. The resulting artworks were a testament to the students' creativity and awareness, depicting scenes of lush forests, endangered animals, clean energy sources, and the stark contrasts between polluted and pristine environments. Judged by a panel of faculty members, the competition emphasized originality, artistic skill, and the effectiveness of the environmental message.

Description (min 250 to max 800 words)*	The majority of Keralans celebrate Onam, a Hindu harvest festival, every year. It is the state's official festival and a significant annual event that features a variety of cultural activities. The celebration has a long history and is closely associated with Hindu mythology. Onam has a lengthy religious background and history in Kerala and the surrounding regions of South India, according to literary and epigraphical evidence, Onam has traditionally been a multi-day Hindu temple-based communal celebration, according to Kurup. Kerala's ancient Hindu festival of Onam honors the rice harvest. Two of these are more prevalent in Indian culture, where the celebration holds significance. On August 31, 2020, students from the School of Art & Architecture participated in an online rangoli competition to display their artistic abilities and passion for the arts and culture. Students' artistic talents were improved by participating in the competition, which gave them a platform to showcase their creativity and artistic abilities through Rangoli.

Despite the challenges posed by the global pandemic, the students demonstrated remarkable creativity and resilience, ensuring the success of this annual tradition. The event was reimagined with a hybrid format, combining both virtual and on-campus elements to ensure safety while preserving the essence of the celebration.

SUSHANT UNIVERSITY ★ SECTOR-55, GURGAON ★

Opening Ceremony

The day commenced with an inspiring virtual inaugural ceremony streamed live for the entire college community. The program began with a traditional lamp-lighting ceremony, carried out by a small group of student representatives on campus, adhering to all safety protocols. The ceremony was followed by a keynote address delivered by the principal, emphasizing the founder's timeless vision and its relevance in adapting to the unprecedented challenges of the year.

A short film created by students was one of the highlights of the opening ceremony. The film traced the founder's journey, highlighting their struggles, perseverance, and contributions to building the institution. The visually compelling narrative left a profound impact on viewers, serving as a source of inspiration during difficult times.

Virtual Cultural Performances

Cultural performances, a staple of Founder's Day, transitioned seamlessly into the virtual realm in 2020. Students showcased their talents through pre-recorded videos that were streamed during the event. From classical dance performances to soulful musical renditions, the performances reflected the diverse talents of the student body. A special segment featured students performing traditional art forms native to their regions, emphasizing the inclusive and multicultural ethos of the college.

A particularly moving moment was a collaborative musical piece performed by the college choir, recorded separately and merged into a harmonious video. The song's theme of hope and resilience resonated deeply with the audience, capturing the spirit of unity that defined the celebration.

Interactive Activities and Competitions

To keep the spirit of participation alive, several interactive activities were organized virtually. A quiz competition on the history and milestones of the college was conducted through an online platform, drawing enthusiastic participation from students and alumni. The winners were announced during the live session, adding an element of excitement.

An art and photography contest encouraged students to creatively express the theme "Legacy and Resilience." Submissions ranged from stunning photographs capturing campus memories to artwork inspired by the founder's vision. The entries were showcased in a virtual gallery, allowing the entire college community to appreciate and celebrate the creativity of their peers.

Panel Discussion and Guest Lecture

The event featured a thought-provoking panel discussion titled "Building a Legacy in Uncertain Times." Panelists included prominent alumni who

SUSHANT UNIVERSITY ★ SECTOR-55, GURGAON ★

shared insights on how the founder's values had shaped their professional and personal journeys. The discussion explored themes such as leadership, adaptability, and community building, drawing parallels between the founder's challenges and the resilience required in 2020. The session was interactive, with students submitting questions through an online chat feature, fostering an engaging dialogue.

A guest lecture by a renowned educationist provided another highlight of the day. The lecture focused on the importance of innovation and collaboration in navigating the future, emphasizing how the founder's principles could guide the institution in embracing change while staying rooted in its core values.

Festive Atmosphere and Community Engagement

Even though many students were participating remotely, efforts were made to create a festive atmosphere on campus for those who could attend in person. The campus was adorned with banners and installations inspired by the founder's vision, creating a sense of celebration and pride. A small gathering of faculty and student volunteers organized a tree-planting activity to symbolize growth, resilience, and a commitment to sustainability.

To extend the celebration beyond the college, a community outreach initiative was launched. Students organized a donation drive, collecting essential supplies for underprivileged communities affected by the pandemic. The initiative was a meaningful way to honor the founder's values of service and compassion.

Closing Ceremony

The day concluded with a virtual closing ceremony that brought together students, faculty, alumni, and well-wishers. The organizing committee delivered a vote of thanks, acknowledging the collective effort that made the celebration possible despite the challenges. A slideshow of memorable moments from past Founder's Day celebrations added a nostalgic touch, reminding everyone of the enduring legacy of the event.

The closing speech by the student council president was particularly inspiring, urging everyone to draw strength from the founder's vision and to continue striving for excellence, even in the face of adversity. As a final gesture, students released a digital collage of messages from the college community, expressing gratitude to the founder and reaffirming their commitment to upholding the institution's values.

Reflections and Impact

Founder's Day 2020 was a testament to the adaptability, creativity, and unity of the college community. By embracing a hybrid format, the event preserved its significance while ensuring the safety and well-being of participants. It provided a platform for students to showcase their

The celebration served as a reminder of the strength of community and the power of shared values in overcoming challenges. It inspired everyone to look to the future with hope and determination, guided by the vision of the founder. Founder's Day 2020 will be remembered not only as a celebration of heritage but also as a beacon of resilience and innovation during a challenging time.

Description (min 250 to max 800 words)*

The year 2020 brought unprecedented challenges due to the global COVID-19 pandemic, reshaping how educational institutions conducted their activities. Despite these challenges, the School of Design at Sushant University adapted to the new normal with resilience and creativity. The Teachers' Day celebration, traditionally held with much fanfare on campus, was conducted virtually on Google Meet. This digital celebration turned out to be a unique and memorable event, demonstrating the unwavering spirit of the students and faculty.

Preparation and Virtual Ambiance

In the weeks leading up to Teachers' Day, students at the School of Design coordinated extensively online to prepare for the celebration. Virtual meetings, group chats, and collaborative platforms were abuzz with ideas and plans. The students were determined to honor their teachers in a manner befitting the occasion, even if it had to be through screens.

On the day of the event, the Google Meet link buzzed with excitement as students and faculty joined from their respective homes. The virtual background feature was utilized creatively, with many students designing custom backgrounds showcasing messages of gratitude, colorful decorations, and creative graphics that added a festive touch to the digital gathering. The ambiance, though virtual, was filled with warmth and enthusiasm.

The Event Kicks Off

The celebration began with a welcome address by the student coordinator, who set the tone for the event with an inspiring speech. The students took turns to share their screens, displaying a beautifully designed digital poster that read, "Happy Teachers' Day 2020 – Thank You for Lighting Our Path." The teachers, dressed in their best, were visibly touched by the efforts put in by their students.

Speeches and Tributes

Following the welcome address, the head of the School of Design delivered a speech that resonated deeply with everyone. She spoke about the resilience and adaptability of both teachers and students in the face of the pandemic. This was followed by heartfelt speeches from students who shared personal anecdotes and expressed their deep appreciation for their teachers. These speeches, interspersed with slideshows of memorable photos from previous years, were a poignant reminder of the strong bonds forged between students and faculty.

Cultural Performances

Despite the limitations of a virtual setting, the cultural performances were a highlight of the celebration. Students had pre-recorded various performances which were then shared during the event. The performances included traditional dance routines, musical performances, and even a short theatrical skit, all of which were edited to perfection to ensure smooth playback.

One particularly memorable performance was a dance medley that combined traditional Indian dance forms with contemporary moves, symbolizing the blend of tradition and modernity that defines the School of Design. The musical renditions,

SUSHANT UNIVERSITY * SECTER-55, GURUGRAM *

featuring students singing and playing instruments from their homes, were a testament to their dedication and creativity.

Felicitation and Acknowledgment

A significant part of the celebration was the virtual felicitation ceremony. Each teacher was presented with a digital certificate of appreciation, accompanied by personalized messages from students. These certificates were beautifully designed, reflecting the artistic talent of the students. The teachers were also sent e-gift cards as tokens of appreciation, ensuring that the celebration retained a personal touch despite the physical distance.

Reflection and Conclusion

The 2020 Teachers' Day celebration at the School of Design, Sushant University, was a remarkable example of how a community can come together and celebrate despite challenges. The event, held on Google Meet, was not just a celebration but a testamentto the adaptability, creativity, and spirit of both the students and faculty.

The virtual format, while initially challenging, turned out to be a unique and enriching experience. It highlighted the importance of connection, gratitude, and community. The image of teachers and students, smiling and interacting through their screens, encapsulated the success of the day. It showed that even in times of crisis, the bonds between students and teachers remain strong and meaningful.

In conclusion, the 2020 Teachers' Day celebration at the School of Design, Sushant University, was a resounding success. It showcased the institution's commitment to fostering a supportive and creative learning environment, even in the face of adversity. The event was a perfect blend of innovation, appreciation, and joy, making it a memorable day for everyone involved.

International Housekeeping Week

Title – International Housekeeping Week

Theme – Positive Attitude Positive Difference

https://youtu.be/toWe7FyzY_M Absolutely new, unexposed and fresh though may the students of the first semester at the Vatel Hotel and Tourism Business School be, they are in no way short of the excitement, eagerness and they all host great enthusiasm which is so much sought after in the successful hoteliers of modern times.

There is a bit of hotelier in everybody – making the house look spic-and-span, extending a warm welcome and looking after the guests and bidding them farewell so that they look forward to visiting you again is what the hospitality trade is all about. Everybody does it in the best ways and means possible and the professional tinge given to such an activity is what hotel management is all about.

In order to prove the fact that there's a bit of housekeeper in everyone, the students were asked to, in whatever resources available to them, create a one-minute video within their own house in which they were shown tidying up their bedroom, making their wardrobes and books look neat and orderly and to dust the shelves and all visible equipment and furniture.

All this was done by the students with great enthusiasm and with a smile on their face, thereby exhibiting delight to learn and to do better and better.

The video clips of the students were collated together and transformed into a master video which is now destined to be put up on the university website.

Ms Chandana Paul, who looks after housekeeping said – "This was an experiment from our side and it really worked well. This encourages us to give to these students more and more of such exciting, little projects"

World Bread Day 2020

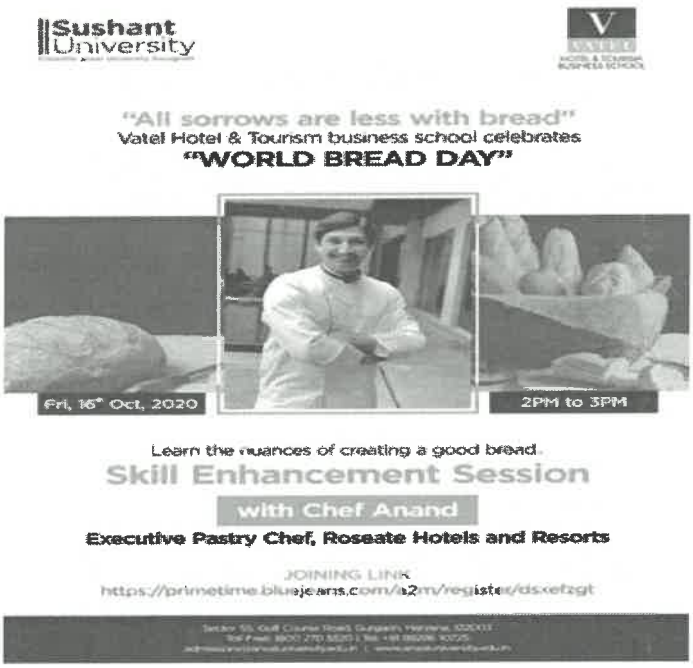
16-10-20

Title – World Bread Day 2020

Date – 16th October 2020

Theme- All Sorrows are less with bread.

Poster -



Description -

Keeping the tradition of exposing the students to the latest happenings and having them listen to the best of discourses and demonstrations delivered by the renowned experts of the industry, the Vatel Hotel and Tourism Business School invited Chef Anand Panwar a highly dedicated and impassioned Chef Boulanger who is in deep love with his profession.

Having trained under Chef of eminence Lucas Custeau and having worked at the Grand Hyatt, Marriott, Sheraton, Clarion and in the pre-opening chef for Lodi Hotel and the Dusit Devrana as corporate chef, Anand has a deep-rooted experience in the trade. "Bakery (Boulangerie in French) is an absolute science as it goes as per the formulae and has to strictly go as per the recipe which, if not followed accurately, can spoil the end product. The method, the proportions and the time are so scientifically and precisely defined that even a small aberration can destroy hours of work and toil." Says the chef with a smile.

SUSHANT UNIVERSITY

The Chef, while demonstrating the live baking of a sour dough in front of the students, spoke about the technicalities involved concerning the quantity of water, heat, moisture and the number of hours that it needs to be treated. "This is a typically Afghani or a Pakistani style of bread in which they put 'KHAMEER' to enhance a particular taste, which is good for health and digestion.

"A lot of food and culture habits have been given by India. The tradition of intermittent fasting was introduced by the ancient India in which, people used to not eat between sunset and sunrise." Says he with full confidence. "Hardest Things are the easiest to make. The delicacy of Sour dough does not take too may ingredients, it just takes time and care, just like your authentic Dal Makhani which may take 72 hours to prepare, but takes hardly three ingredients" Says he with a grin…

Description (min 250 to max 800 words)*	Rashtriya Ekta Diwas in Hindi, on October 31st of each year. This day marks the birth of Sardar Vallabhbhai Patel, a well-known Indian independence leader who played a crucial role in uniting India after it gained independence from British colonial rule. Significance of Sardar Patel: Often referred to as the "Iron Man of India," Sardar Patel was instrumental in the amalgamation of over 560 princely republics into the Indian Union upon their independence. He is credited with preventing India from possibly splitting at this pivotal phase of nation-building. On October 30, 2020, the School of Health Science observed National Unity Day. On that day, a vow is recited aloud: "I genuinely pledge to commit myself to maintaining the integrity, unity, and security of the country. Additionally, I work hard to spread this message among my fellow residents. In the spirit of my country's unification, which was made possible by Sardar Vallabhbhai Patel's vision and actions, I make this vow. I also resolutely resolve to contribute to the defense of the internal security of my country.

On 13th January 2021, School of Law, Sushant University organised the Lohri event , which was probably done with a different look from the previous years due to covid-19 pandemic. The spirit of Lohri resonated through the corridors of our college this year, albeit with a unique twist.

Despite the challenges posed by the ongoing pandemic, our college community came together to celebrate this vibrant festival while adhering to strict safety protocols. Therefore, students wore a mask and maintained social distancing while enjoying the Lohri bonfire. They wore traditional dresses, prepared Lohri delicacies, made offerings to the bonfire as everyone danced around it to popular folk music, and enjoyed the warmth and togetherness. Students and faculty alike joined in the festivities, albeit in smaller groups, ensuring a joyous yet responsible celebration. As participants exchanged heartfelt wishes and blessings, the spirit of Lohri was palpable, enveloping everyone in a sense of warmth and goodwill. From traditional performances to modern interpretations, each act contributed to the tapestry of culture and creativity that defined the Lohri celebration at Sushant University.

In the end, the Lohri celebration was more than just a festive gathering; it was a reflection of the university's commitment to fostering a sense of belonging and pride in its cultural heritage. It was a celebration of unity, diversity, and cherished traditions, uniting hearts and souls in a joyous embrace of the spirit of Lohri.

Description (min 250 to max 800 words)*	In the midst of unprecedented times, where the world grapples with the challenges posed by the COVID-19 pandemic, Sushant University stands unwavering in its commitment to uphold the spirit of patriotism and unity. As we commemorate the 72nd Republic Day, albeit in a virtual setting, our collective resolve to honor the ideals enshrined in our Constitution remains unshakeable. The transition to online celebrations underscores our adaptability and resilience in the face of adversity. Despite the physical distance that separates us, our hearts beat in unison, bound by the common thread of nationalism and fraternity. Through digital platforms, we come together as a community to pay homage to the founding principles that guide our nation. The virtual celebration kicks off with the rendition of the national anthem, a poignant reminder of our shared identity and allegiance to the tricolor flag. As the strains of "Jana Gana Mana" reverberate through cyberspace, they echo the sentiments of millions of Indians, transcending boundaries and barriers. In the digital arena, the essence of Republic Day is brought to life through a myriad of activities and events. From insightful panel discussions on the significance of democracy and civic responsibility to cultural performances that showcase the rich tapestry of Indian heritage, every aspect of our celebration resonates with patriotic fervor. Even in the virtual realm, we take a moment to honor the sacrifices of our brave soldiers, whose unwavering courage protects our borders and upholds our freedom. Their valor serves as a beacon of inspiration, reminding us of the price paid for the liberties we hold dear. As we navigate the challenges of the pandemic, we also reflect on the resilience of our nation and its people. The past year has tested our collective resolve, but it has also reaffirmed our unity in the face of adversity. Together, we have shown that the spirit of India cannot be dampened by any crisis. As the online celebration draws to a close, we emerge with a renewed sense of purpose and determination. While the pandemic may have forced us to adapt our traditions, it has not diminished our commitment to our country and its ideals. If anything, it has strengthened our

	resolve to build a brighter future for generations to come. In conclusion, as we mark the 72nd Republic Day at Sushant University in a virtual setting, let us reaffirm our allegiance to the principles of justice, liberty, equality, and fraternity. Let us stand united in our pursuit of a better tomorrow, where the ideals of our Constitution serve as a guiding light for all. Jai Hind!

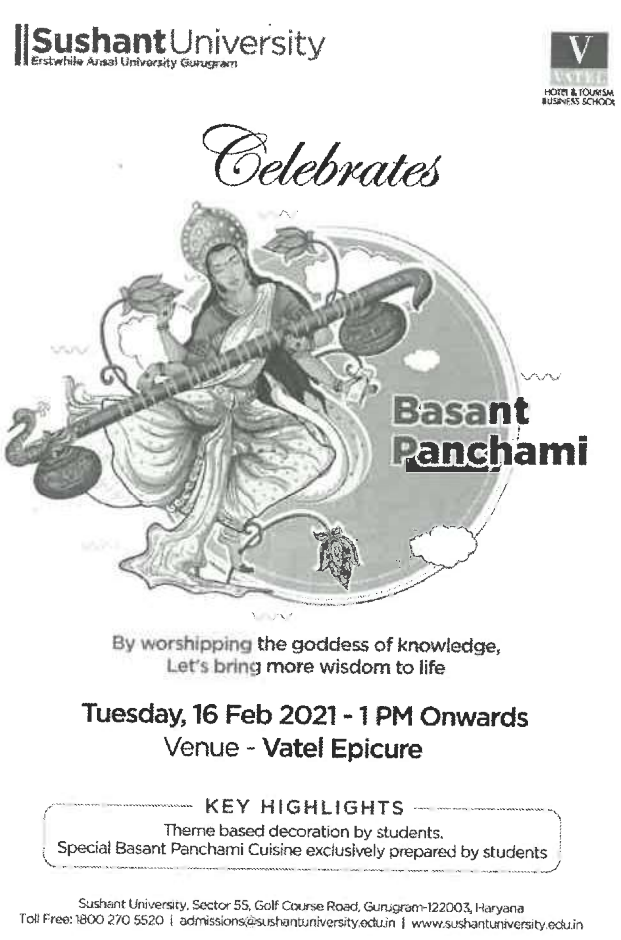
VATEL INDIA CELEBRATES BASANT PANCHMI

Marking all devoutness and piety towards Saraswati, the Goddess of learning and knowledge, the Vatel Hotel and Tourism Business School India, in its first-ever venture, celebrated Vasant Panchami wherein the vice chancellor, the registrar, deans of all schools of Sushant University, the heads of various departments and the office-holders were invited for lunch prepared and served by its students under the supervision of the faculty members.



The yellow color theme, in conformity with the color adorned by the Goddess was the theme which was used not only in decorating the venue, but also was the combination that the dean of the school, the members of the academic team and the students of the Vatel School wore. Yellow and orange marigold flowers, earthen pots with yellow flowers, orange and red Rangoli at the entrance of the school, yellow table cloths with red, yellow,

orange flower combinations were put up and even the menus were printed on nothing else but on yellow card boards.

Students of the Vatel school welcomed the invitees who entered the Epicure restaurant (the venue) after paying their reverences to the Goddess whose image was kept right at the entrance, listened to *Saraswati Vandana* and received the Prasaad. They were then ushered into the restaurant where a menu comprising of the traditional vegetarian dishes like Aloo Pyaz Bhaja, Paneer do Pyaza, Aloo Rassa, Moong Dal Khichdi, Poori and Rewa Kesari (milk-based dessert) was served in pre-plated thalis (round copper plates).

"I admire the thought that has gone into putting together an event which has a tremendous importance and significance to us as teachers and as educators. Though this was a small event, I was impressed by the micro details which were taken care of and the dexterity with which the event was organized. The food was indeed delicious and delightful" said the vice chancellor of the University, Dr. DNS Kumar.

The Vatel team who partook of the meal only after the invitees had been served, rejoiced at having put up yet another successful event, which was the first of its kind and also happened to be the first one organized after a gap of almost 12 months.

Prof. Dr. Garima Parkash, dean of Vatel Hotel and Tourism Business School lauded the efforts of the team and that of the students by saying, *"This event is the harbinger of the beginning*

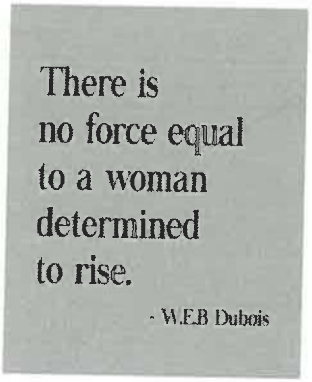
Womens Day 2021

08-03-21

Title – Women's Day Celebration
Date – 8 March 2021

Description

I AM A WOMAN.
WHAT'S YOUR SUPERPOWER?



It is a truth, universally acknowledged that we rarely get to realize the depth that this statement with a pink background carries. Times have changed a lot and the Woman Power (quite much the way in which we measure ***HP***) is now the true driving force behind all that matters and in every field. The saying that behind every successful man there is a woman cannot be distorted and coined as *Behind Every Successful Woman There Is A Man.* The roles just cannot be inter-changed. Behind every successful woman, is, actually, *another woman.*

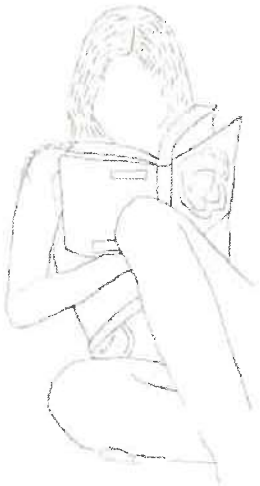
Why is there a need for us to highlight this fact time and again? What is it that is making the International Woman's Day more of a meaningful celebration rather than it being just a day to remember? One has to realize that the ladies of the present day are becoming more and more self-reliant, independent, free, self-governing and very powerful.

The Vatel Hotel and Tourism Business School, the only school of Vatel France, exclusively with the Sushant University (Erstwhile Ansal University) in the Indian Sub-Continent celebrated the Woman's Day with full pomp and show. The students did an audio-visual presentation, enumerating the achievements and accolades that the ladies of the past and the present day have been conferred upon. This may be called as a futile attempt, as many more would have been added by the time this list could finish.

A woman with a book
and a pen
has the power
to move nations.

A woman with a mind
and a voice
has the power
to change worlds.

Sasha Temerte



Monday, March 8, 2021 was dedicated forwards reveling about the woman power getting even stronger over the last two decades which has not only acquired a strong position for itself but also has taken deep roots into almost all walks of life and is ready to take the world on at all angles.

Sushant University
Erstwhile Ansal University Gurugram

With the majority of deans of the university being ladies, the manifestation of the fact indeed became very evident and apt for the occasion. Students created decorations and illustrations in the areas of celebrations and, of course, indulged in a bit of partying and, indeed in a few jam sessions. Chef Sunil of the Vatel School baked a cake in a large W shape, which, of course, had many shades of pink, studded with fresh strawberries.

"*Over the years the, care, concern and respect for ladies has grown several times across the globe and we now see a great change in India as well, though, we all need to get together and do a lot in terms of highlighting this feminine superiority amongst our villages and in the rural areas of our great Motherland*" Said Dr. Garima Parkash, dean, Vatel Hotel and Tourism Business School.

Description	On May 14, 2021, join us online to celebrate Islamic culture and the Muslim community Festival of Eid: A Virtual Celebration presented by the School of Design, highlighting Eid al-Fitr. Eid al-Fitr, which marks the end of the holy month of Ramadan, is an occasion of peace, joy, and festivity. People visit friends and family, give gifts, and eat sweets and delicious food. Muslims refrain from eating and drinking from sunrise to sunset throughout the holy month of Ramadan, which is celebrated with Eid al-Fitr. In Arabic, the word Eid al-Fitr means "Festival of Fast-Breaking". There is a specific salah for Eid al-Fitr that consists of two rakats and is typically conducted in a big auditorium or open field. Muslims celebrate Eid al-Fitr in a variety of ways following the salat, with food playing a major role. This gives the event the moniker "Sweet Eid" or "Sugar Feast."

Description (min 250 to max 800 words)*	The celebration of Buddha Purnima began on May 26, 2021, at online platform by School of Business. Faculty members took part in the event, which focused on embracing the universal ideals of compassion, mindfulness, and ethical leadership rather than religious devotion. It is an example of a cutting-edge educational strategy that produces responsible global citizens in addition to accomplished professionals. Buddha Purnima, which honors the birth, enlightenment, and demise of Siddhartha Gautama, the Buddha, is one of the most important and revered holidays in Buddhism. This auspicious occasion, which is usually held in April or May on the full moon day of the Vaisakh month, is highly revered by Buddhists worldwide. The festival commemorates three significant events in the life of the Buddha: his birth in Lumbini, his enlightenment in Bodh Gaya, and his death in Kushinagar. These events are all thought to be profound and symbolically related, signifying the Buddha's spiritual development and ultimate release from the cycle of suffering.

Description (min 250 to max 800 words)*	Senior faculty members gave motivational talks about the value of mentoring and the transformational potential of education at a formal assembly held on July 23, 2021, at the School of Business on online platform, to kick off the celebration. Pupils eagerly took part, showing their appreciation for their instructors through a variety of cultural events. Interactive workshops where teachers and students had meaningful conversations about professional development, academic journeys, and the more general philosophical components of learning were also part of the event. The focus of these talks was on the guru-shishya (teacher-student) tradition and how it still applies to professional education today. The Guru Purnima festival was a powerful reminder of the transforming role that educators play in forming the next generation of leaders and professionals, in addition to being a cultural event. Guru Purnima, a major traditional Indian festival that celebrates mentors and instructors, was celebrated by the School of Business, underscoring the deep regard for knowledge transmission and educational assistance. The occasion gathered together academics, administrative personnel, and students to honor the importance of teachers and the essence of learning.

Description (min 250 to max 800 words)*	The Hindu harvest festival of Onam is observed annually by most Keralans. It is a major yearly event that includes a range of cultural activities and is the official festival of the state. The festival is deeply rooted in Hindu mythology and has a lengthy history. According to literary and epigraphical evidence, Onam has a long religious history in Kerala and the neighboring South Indian states. It has historically been a multi-day Hindu temple-based communal celebration. Kurup claims that Onam is a Hindu temple-based community celebration that has been observed for many days. The rice harvest is celebrated during Kerala's ancient Hindu festival of Onam. The festival holds significance in Indian culture, with two more prevalent types. To showcase their artistic skills and love of the arts and culture, students from the School of Art & Architecture took part in an online rangoli competition on August 20, 2021. Participating in the competition helped students develop their artistic skills and provided them with a stage on which to display their Rangoli inventiveness and skill.

Her speech was followed by several students who took turns expressing their gratitude through touching tributes. They shared personal anecdotes and stories that underscored the impact their teachers had on their academic and personal lives.

One student recounted how a teacher's unwavering support had helped them navigate the difficulties of remote learning. Another student shared a poem they had written, capturing the essence of a teacher's role as a guide and mentor. These tributes were a testament to the profound influence the teachers had on their students.

Cultural Performances
The celebration featured a series of cultural performances that added a vibrant touch to the event. Students showcased their talents through dance performances, musical renditions, and short skits. These performances were a delightful mix of traditional and contemporary styles, symbolizing the diversity and creativity of the School of Design.

Interactive Activities and Games

SUSHANT UNIVERSITY

To foster interaction and engagement, the event included several fun activities and games. Teachers and students participated in a "Guess the Teacher" game, where childhood photos of teachers were displayed, and everyone had to guess who they were. This game elicited much laughter and added a light-hearted element to the celebration.

Another popular activity was a quick design challenge, where mixed teams of teachers and students had to create a design within a limited time. This activity not only showcased their creativity but also strengthened the bond between teachers and students through collaborative effort.

Felicitation Ceremony

A highlight of the event was the felicitation ceremony, where teachers were honoured with personalized gifts and notes from their students. Each teacher received a carefully crafted gift that reflected their personality and teaching style. The gesture was deeply appreciated by the teachers, who were touched by the effort and thoughtfulness of their students. The image of the faculty holding their gifts and sharing smiles encapsulates the gratitude and affection shared during the ceremony.

The Founder's Day celebration in 2021 was a testament to the enduring spirit of unity, tradition, and innovation that defines our college community. Held amidst the backdrop of a world gradually recovering from the pandemic, the event brought a renewed sense of hope and determination. Organized in a hybrid format, the celebration combined virtual and on-campus activities, ensuring inclusivity and safety for all participants.

Opening Ceremony

The festivities commenced with an inspiring opening ceremony held in the college auditorium and streamed live to virtual attendees. A traditional lamp-lighting ritual was conducted by student representatives and faculty members, symbolizing knowledge and enlightenment. The ceremony began with a soulful rendition of the college anthem, performed by the student choir, which set a reverent and celebratory tone for the day.

The principal delivered a keynote address that reflected on the founder's vision and its relevance in today's evolving educational landscape. A student-produced documentary showcasing the life and legacy of the founder was unveiled, offering a vivid and heartfelt portrayal of their enduring impact on the institution and its community.

Cultural Extravaganza

The cultural performances were a highlight of Founder's Day 2021, with students enthusiastically participating in various artistic and creative expressions. The event featured mesmerizing dance performances that celebrated cultural diversity, from traditional classical routines to contemporary fusion acts. Musical performances ranged from instrumental solos to band acts, each showcasing the extraordinary talent of the student body.

A unique addition this year was a spoken word poetry segment, where students shared original works inspired by the theme "Legacy and Progress." The performances evoked a sense of pride and inspiration, connecting deeply with the audience, both in-person and online.

Interactive Sessions and Exhibitions

The celebration featured a variety of interactive activities designed to engage and educate the participants. A campus history quiz was conducted online, inviting students and alumni to test their knowledge about the college's milestones and achievements. The competition fostered a sense of pride and nostalgia among the participants.

An exhibition, both virtual and physical, showcased student projects, art installations, and research initiatives inspired by the founder's ideals. These exhibits ranged from architectural models to digital posters, reflecting the creativity and innovation nurtured within the institution.

The hybrid format allowed remote participants to explore the displays through an interactive online platform.

Panel Discussion and Alumni Talks

The day included an engaging panel discussion on the theme "Adapting Tradition to Innovation: The Founder's Vision in the Modern Era." The panel comprised esteemed alumni and student leaders who shared insights on how the founder's values remain a guiding force in tackling contemporary challenges. Discussions revolved around themes such as sustainability, technological advancements, and inclusivity in education.

Additionally, a series of alumni talks were organized, where graduates from various fields recounted how the college's principles shaped their careers and lives. Their stories were not only motivational but also underscored the lasting impact of the founder's vision on generations of students.

Community Engagement and Outreach

In keeping with the founder's commitment to service and community welfare, a special outreach initiative was organized. Students and faculty collaborated on a tree-planting drive within the campus and surrounding areas, symbolizing growth, resilience, and sustainability. Furthermore, a charity drive was launched to support underprivileged communities, with donations of essential supplies and funds.

A unique feature of this year's celebration was a storytelling session with local community members who shared anecdotes and personal experiences related to the founder and the college's early days. This initiative fostered a deeper connection with the institution's roots and its surrounding community.

Closing Ceremony

The event concluded with a grand closing ceremony that celebrated the collective efforts of the students, faculty, and staff in organizing a successful Founder's Day. The student council president delivered a heartfelt vote of thanks, expressing gratitude to everyone who contributed to the event's success.

The ceremony featured a commemorative video compilation of the day's highlights, capturing the enthusiasm and creativity of the participants. As a symbolic gesture, a time capsule containing messages and memorabilia from the students was buried on campus, to be unearthed in a future celebration. This act served as a poignant reminder of the legacy being built for generations to come.

Reflections and Legacy

Founder's Day 2021 was more than just a celebration; it was a reaffirmation of the values and vision that define our institution. The hybrid format allowed for greater inclusivity, enabling the entire college

	community, including alumni and remote students, to participate in meaningful ways. The event highlighted the resilience, creativity, and unity of the students, who successfully organized a multifaceted celebration despite ongoing challenges. Through cultural performances, intellectual discussions, and community initiatives, the celebration honored the founder's enduring legacy while inspiring all participants to carry forward their mission. The 2021 Founder's Day will be remembered as a vibrant and meaningful occasion that celebrated tradition, embraced innovation, and looked towards a promising future for the institution.

Description (min 250 to max 800 words)*	A fresher's party, also known as a welcome party or orientation event, is typically organized by educational institutions to welcome new students (freshers) to campus. The event serves as an introduction to the college or university environment and allows new students to interact with each other, as well as with faculty and staff. Fresher's parties often include various activities such as icebreaker games, performances, speeches from senior students or faculty members, and sometimes themed decorations or costumes. These events aim to create a friendly and inclusive atmosphere, helping new students feel comfortable and excited about their academic journey. The specifics of a fresher's party in 2021 would have varied depending on the institution and any COVID-19 restrictions in place at the time. Many universities likely adapted their events to comply with health and safety guidelines, potentially hosting virtual or hybrid gatherings to accommodate social distancing measures. Despite these challenges, fresher's parties remain an important tradition for fostering community and camaraderie among new students.

Description (min 250 to max 800 words)*	India observes National Unity Day, also known as Rashtriya Ekta Diwas in Hindi, on October 31st of each year. This day marks the birth of Sardar Vallabhbhai Patel, a well-known Indian independence leader who played a crucial role in uniting India after it gained independence from British colonial rule. Crucial information on National Unity Day: Significance of Sardar Patel: Often referred to as the "Iron Man of India," Sardar Patel was instrumental in the amalgamation of over 560 princely republics into the Indian Union upon their independence. He is credited with preventing India from possibly splitting at this pivotal phase of nation-building. On November 1, 2021, the School of Health Science observed National Unity Day. On that day, a vow is recited aloud: "I genuinely pledge to commit myself to maintaining the integrity, unity, and security of the country. Additionally, I work hard to spread this message among my fellow residents. In the spirit of my country's unification, which was made possible by Sardar Vallabhbhai Patel's vision and actions, I make this vow. I also resolutely resolve to contribute to the defense of the internal security of my country.

Christmas, a wonderful and holy celebration that touches closely the heart of almost every human being on this planet, is a harbinger of bliss, joy and happiness. Almost everybody celebrates Christmas as it brings in a sense of purity in everybody's heart and, with the onset of the new year, people feel transformed into totally new human beings.

This year on December 04, 2021 the students and academic resources of Vatel hotel and Tourism Business School Gurgaon celebrated, like they cheerfully do every year, the Christmas cake-mixing ritual. This ceremony usually takes place six to eight weeks before the Christmas day. The chefs and students enthusiastically assembled the measured and balanced quantities of ingredients - raisins, currants, candied fruits, brown sugar, breadcrumbs, citron, candied lemon peel mixed spices and brandy, all to be carefully blended

into a mix which is to be preserved and left in a state of no disturbance for four to six weeks – allowing it to gently mature, intensify and for its colour to deepen over time... The new students who had joined just about three months ago, found the ceremony to be unique as they had never come across something as exceptional as this. "We never knew this cake-mixing would turn out to be such a formal ceremony, carried out in full style and ambience – I am really impressed" said one of the fresher students.

"All such ceremonies held in the past have been participated by the students along with the university's leadership and resources from the 8 different schools, who are too eager to book their orders in advance and wait impatiently for these delicious puddings to be delivered to them by the Vatel Boulangerie" said Dr. Garima Parkash, dean, Vatel Hotel and Tourism Business School. "This is our university, our institute, our students who work in own kitchens and the bakery. We are not looking it more as a learning activity and therefore use the best of ingredients, undertake a careful baking, decorate and present these cakes in the best of packaging – representing the true spirit of the festival" says Chef Amit Kumar who is an ace in Patisserie and Boulangerie.

As we unfurl the tricolor flag today, let it serve as a reminder of our shared heritage and the responsibilities that come with it. Let us pledge to be responsible citizens, to uphold the principles of democracy, and to contribute towards the greater good of society. Let us embrace our differences and celebrate our unity, for it is in unity that we find strength. Today, as we mark the 73rd Republic Day, let us also honor the frontline workers who have selflessly served the nation, especially during these challenging times. Their dedication and sacrifice remind us of the resilience of the human spirit and inspire us to strive for a better tomorrow. In conclusion, as we come together to celebrate the 73rd Republic Day at Sushant University, let us cherish the values that define us as Indians – unity, diversity, and progress. Description (min 250 to max 800 words)*	Ambedkar Jayanti is celebrated around the world, especially by those who embraced Buddhism, women, labor workers, Adivasi, and Dalits. In India, people visit local statues of Ambedkar in processions with fanfare. On April 14, Ambedkar Jayanti, also known as Bhim Jayanti, is celebrated in remembrance of Indian politician and social reformer B. R. Ambedkar. Ambedkar, who was born on April 14, 1891, has a birthday today. On April 14th, 1990, Ambedkar received the Bharat Ratna. The Central Hall of Parliament also hosted the unveiling of his life-size portrait that same year. It was designated as the "Year of Social Justice" in honor of Babasaheb between April 14, 1990, and April 14, 1991. Some people in India also call his birthday "Equality Day." On April 14, 2022, the School of Law hosted an awareness workshop in which students participated and the faculty of law led the session.

Description	Muslims refrain from eating and drinking from sunrise to sunset throughout the holy month of Ramadan, which is celebrated with Eid al-Fitr. In Arabic, the word Eid al-Fitr means "Festival of Fast-Breaking". There is a specific salah for Eid al-Fitr that consists of two rakats and is typically conducted in a big auditorium or open field. It has seven more Takbirs and can only be recited in congregation (jamaat). Three Takbirs occur at the beginning of the first rakat and three right before rukūʿ in the second rakat, according to the Hanafi school of Sunni Islam. Twelve Takbirs are typically seen in other Sunni schools, divided into groups of seven and five. The salat in Shia Islam consists of five Takbirs in the second rakat and six Takbirs in the first rakat at the end of Tilawa, prior to rukūʿ. The local legal opinion determines whether this salat is farḍ or mustaḥabb. Muslims celebrate Eid al-Fitr in a variety of ways following the salat, with food playing a major role. This gives the event the moniker "Sweet Eid" or "Sugar Feast." On May 03, 2022, the School of Design held an exhibition in honor of Eid-ul-Fitr to celebrate cultural unity. Students from the design school participated and looked forward to their art and craft projects.

Description (min 250 to max 800 words)*	The faculty took part in the celebration of Buddha Purnima, which began on May 16, 2022, at the School of Business in D-508. The event focused on embracing the universal ideals of compassion, mindfulness, and ethical leadership rather than religious devotion. It is an inventive method of teaching that creates responsible global citizens in addition to accomplished professionals. In Buddhism, Buddha Purnima is one of the most important and revered holidays, marking the birth, enlightenment, and demise of Siddhartha Gautama, also known as the Buddha. Usually held in April or May, this auspicious occasion is celebrated on the full moon day of the Vaisakh month. Buddhists worldwide hold it in high regard. The festival commemorates the Buddha's birth in Lumbini, his enlightenment in Bodh Gaya, and his death in Kushinagar. These three significant events are thought to be profoundly interconnected and symbolic of the Buddha's spiritual journey and ultimate release from the cycle of suffering.

Description (min 250 to max 800 words)*

Teachers' Day 2022 at the School of Design, Sushant University, was a splendid occasion marked by creativity, appreciation, and a heartfelt reunion of the academic community. After the disruptions caused by the pandemic, this celebration symbolized a return to normalcy and a renewal of the bonds between students and teachers.

Preparation and Decor
In the weeks leading up to Teachers' Day, students were abuzz with excitement and enthusiasm, meticulously planning the celebration. They wanted to make this day special for their mentors, who had guided them through the challenging times of remote learning. The venue was transformed into a vibrant space with colourful decorations, including handmade posters, floral arrangements, and intricate rangoli designs at the entrance, showcasing the artistic talents of the students.

Warm Welcome
The day began with students warmly welcoming their teachers at the entrance. Each teacher was greeted with a traditional 'tilak' ceremony and presented with a small bouquet of flowers. This gesture of respect and gratitude set a positive tone for the day. Teachers were visibly touched by the effort and thoughtfulness of their students.

Opening Speech and Tributes
The formal part of the celebration kicked off with an opening speech by the head of the department. She expressed deep gratitude to the faculty for their dedication and resilience, particularly highlighting their efforts during the pandemic. She emphasized the importance of teachers in shaping the future of their students and thanked them for their unwavering commitment.

Following this, several students took to the stage to share their experiences and express their gratitude. Each speech was a heartfelt tribute, filled with personal anecdotes that highlighted the impact their teachers had on their lives. One student shared a touching story of how a teacher's encouragement helped them through a difficult period, while another spoke about the life lessons learned beyond the classroom. These tributes were a testament to the profound influence teachers have on their students.

Cultural Performances
A series of cultural performances added a vibrant and entertaining dimension to the celebration. Students showcased their talents through dance, music, and drama. The performances were a blend of traditional and contemporary styles, reflecting the diverse cultural heritage and creative spirit of the School of Design.

Interactive Activities and Games

To foster a sense of camaraderie and fun, the celebration included several interactive games and activities. One popular game was "Guess the Teacher," where students had to identify teachers from their childhood photos. This game brought much laughter and light-hearted moments, strengthening the bond between students and teachers.

Another engaging activity was a quick design challenge. Teams comprising students and teachers were tasked with creating a design within a limited time. This activity not only showcased their creativity but also encouraged teamwork and collaboration, embodying the spirit of the School of Design.

Felicitation Ceremony

The highlight of the day was the felicitation ceremony. Students presented their teachers with personalized gifts and handwritten notes, expressing their heartfelt appreciation. Each gift was thoughtfully chosen to reflect the personality and interests of the teacher. The teachers were deeply moved by this gesture, and many were seen exchanging warm hugs and words of thanks with their students.

Conclusion

The Teachers' Day celebration at the School of Design, Sushant University, in 2022 was a resounding success. It was a day filled with joy, gratitude, and a renewed sense of community. The event not only honoured the contributions of the teachers but also strengthened the bonds between students and faculty. Description (min 250 to max 800 words)*	A Hindu harvest festival, every year. It is a significant annual event that serves as the state's official festival and features a variety of cultural events. With a long history, the celebration has profound roots in Hindu mythology. In Kerala and the surrounding South Indian states, Onam has a lengthy religious history, as supported by literary and epigraphical evidence. It has traditionally been a communal celebration held in Hindu temples over several days. Kurup says Onam has been a long-standing communal event centered around Hindu temples. During Kerala's traditional Hindu festival of Onam, the rice harvest is celebrated. Two additional common forms of the festival are significant in Indian culture. On September 8, 2022, students from the School of Art & Architecture participated in a rangoli competition to display their artistic abilities and passion for the arts and culture. In addition to giving kids a platform to showcase their Rangoli creativity and talent, competition participation assisted pupils in honing their artistic abilities.

Description (min 250 to max 800 words)*	The celebration of Vishwakarma Puja symbolizes the recognition of the importance of technology and craftsmanship in the field of engineering and education. Vishvakarma is considered to be the divine architect of the universe and the personification of divine creativity in the Rigveda. He is credited with the construction of the city of Dvaraka for Krishna, the palace of Indraprastha for the Pandavas, and many fabulous weapons for the gods, such as the Sudarshana Chakra of Vishnu, the trishula of Shiva, and the lance of Kartikeya. He is also regarded to have authored the Sthapatya Veda, the science of mechanics and architecture. He is regarded to be the patron deity of all craftsmen, with implements of trade often venerated in his honour on the occasion of Vishvakarma Puja. It also serves as a way to invoke divine blessings for the success and safety of all equipment and machinery used in teaching and research. We all pay homage to Lord Vishwakarma and seek his blessings for the smooth functioning of tools and machinery, which are integral to the field of engineering and technology. School of Engineering & Technology organized a VishwaKarma Puja to mark the importance of the day.

Description (min 250 to max 800 words)*	**Founder's Day Celebration 2022** The Founder's Day celebration in 2022 was an extraordinary occasion marked by a special focus on honoring the legacy of the visionary architect and founder of our institution, Mr. M.M. Rana. This year's celebration held profound significance as it introduced the prestigious "M.M. Rana Award" series, a testament to the founder's enduring influence on education, architecture, and innovation. Organized entirely by students with active support from faculty, the event was a vibrant mix of tradition, creativity, and acknowledgment of exceptional contributions.

SUSHANT UNIVERSITY ★ SECTOR-55, GURGAON ★

Opening Ceremony

The day began with an elegant opening ceremony in the college's grand auditorium, which had been meticulously decorated with elements inspired by Mr. M.M. Rana's architectural philosophy. The event commenced with the traditional lighting of the lamp by student leaders and faculty members, symbolizing the illumination of knowledge and the founder's guiding vision.

The principal's keynote address set a reflective and celebratory tone for the day. In their speech, the principal highlighted Mr. Rana's remarkable journey from being a trailblazing architect to a visionary educator who laid the foundation of the institution. A multimedia presentation followed, showcasing rare photographs, blueprints, and personal anecdotes about Mr. Rana's life and legacy. This powerful tribute deepened the audience's understanding of the founder's contributions to both the field of architecture and the broader community.

Launch of the M.M. Rana Award Series

A defining moment of the event was the launch of the M.M. Rana Award series. This new initiative aims to recognize excellence in fields aligned with the founder's ideals, including architecture, innovation, community service, and academic leadership. The inaugural M.M. Rana Award for Architectural Excellence was presented during the ceremony to a distinguished alumnus who has made significant contributions to sustainable and inclusive design practices. The recipient delivered an inspiring acceptance speech, underscoring the impact of the founder's teachings on their professional journey.

The introduction of the M.M. Rana Award series was met with enthusiastic applause and admiration. It represents a meaningful step in celebrating the values that Mr. Rana instilled in the institution—integrity, creativity, and service to society. A special plaque was unveiled, bearing the award's insignia and a quote from Mr. Rana: "Architecture is not just about buildings; it is about building lives and communities." This plaque will be displayed prominently on campus as a lasting tribute.

Cultural Performances and Artistic Tributes

A series of captivating cultural performances followed, with students expressing their creativity through music, dance, and theater. A classical dance performance depicted the theme of "harmony and heritage," reflecting the values embodied by Mr. Rana. The music segment featured original compositions inspired by the founder's ideals, blending traditional and contemporary styles to create a unique auditory experience.

One of the standout performances was a theatrical skit titled "The Architect's Vision," which dramatized key moments from Mr. Rana's life.

SUSHANT UNIVERSITY ★ SECTOR-55, GURGAON ★

The skit portrayed his challenges, breakthroughs, and unwavering commitment to education and design excellence. The performance left the audience deeply moved and inspired.

Interactive Activities and Exhibitions

The campus was abuzz with interactive activities and exhibitions that engaged participants throughout the day. A specially curated exhibition showcased the founder's architectural projects, including iconic designs and sketches. The displays were complemented by student-led models and digital renderings that reimagined Mr. Rana's work in modern contexts.

An architectural competition titled "Building Tomorrow" invited students to present innovative designs inspired by the founder's principles. The competition attracted a large number of participants, with projects emphasizing sustainability, inclusivity, and community engagement. Winning entries were displayed prominently, reflecting the creativity and dedication of the students.

Panel Discussion and Alumni Engagement

A thought-provoking panel discussion on the theme "Living the Founder's Legacy: Bridging Tradition and Innovation" brought together student leaders, alumni, and faculty members. Panelists shared insights on how Mr. Rana's architectural philosophy and educational vision remain relevant in addressing contemporary challenges. The discussion explored topics such as sustainable urban planning, digital transformation in education, and fostering a sense of community in modern design.

Alumni engagement was another highlight of the celebration. Notable alumni shared their experiences and memories of interacting with Mr. Rana, offering unique perspectives on his leadership and mentorship. Their stories painted a vivid picture of the founder as a passionate, visionary, and empathetic leader whose influence continues to resonate.

Community Initiatives and Social Impact

In alignment with Mr. Rana's commitment to community welfare, several outreach initiatives were organized as part of the celebration. A donation drive for underprivileged children was conducted, collecting books, stationery, and art supplies. Students also participated in a community mural project, creating a vibrant artwork that depicted the founder's values and vision for a better society.

A tree-planting ceremony on campus served as a symbolic gesture of growth, resilience, and environmental stewardship. Faculty and students planted saplings together, reinforcing the institution's commitment to sustainability and the founder's love for nature.

SUSHANT UNIVERSITY ★ SECTOR-55, GURGAON ★

	Closing Ceremony The day concluded with a grand closing ceremony held under the evening sky. The student council president delivered a heartfelt vote of thanks, expressing gratitude to the organizing committee, faculty, and all participants for their contributions to a successful celebration. A visually stunning fireworks display lit up the night, marking the end of an unforgettable day. As a final act, students released sky lanterns bearing messages of gratitude and hope, symbolizing the aspirations of the college community. **Reflections and Legacy** Founder's Day 2022 was a resounding success, blending heartfelt tributes, creative expressions, and meaningful initiatives to honor the legacy of Mr. M.M. Rana. The introduction of the M.M. Rana Award series added a new dimension to the celebration, ensuring that the founder's values will continue to inspire and guide future generations. The event not only celebrated the past but also looked forward to a future shaped by the ideals of excellence, innovation, and community service. It reinforced the collective responsibility of the college community to uphold and expand upon the founder's vision. Founder's Day 2022 will undoubtedly be remembered as a milestone in the institution's journey, embodying the spirit of its illustrious founder.

Description -

The world celebrates September 27th as the World Tourism Day. Despite the tourism sector having faced an acute recession due to Covid over the last two years, one can now see almost all the sectors springing back into business, thereby re-energizing tourism in a big way, which is once again spreading its wings far and wide…The tourism sector gives opportunities of employment to small and big business and to millions of people and stands to be one of the biggest foreign exchange earners for all economies of the world. Revenge Tourism, as some of the experts have coined this era will, now that we are at the threshold of the tourist season, see a great influx of tourists from abroad and will give an unprecedented fillip to the domestic tourism, conferences, conventions, meetings and exhibitions. The Vatel Hotel & Tourism Business School commemorated this important day in a unique way, by dedicating itself towards conserving the environment by way of creating an EDIBLE GARDEN. Students of First Year, who have recently joined the BHM Programme, took a lot of interest in first understanding the significance of the tourism Day and in coming to terms with the importance of conservation of environment, that is to Reduce, Reuse and Recycle. The

saplings they planted were of Cuphea, Thai basil, chilly, coriander, carom, lemongrass, mint and guava. The end products of these plants will be used in the college kitchen practical classes and the students will also be induced to create their own mini garden for their own, domestic kitchens at home.

Dr. Sanjeev Sharma, Pro-Vice Chancellor and Registrar of Sushant University inaugurated the Edible Garden and Dr. Jyoti Sinha, hear of the School of Pharmacy, Sushant University planted a few saplings. "I am happy to see the interest our young generation has towards the fine art of tourism and the awareness that they are creating towards making our planet green, clean and unpolluted, which stands to be the need of the hour" said Dr. Sanjeev Sharma. Ms. Chandana Paul & Ms. Aashiyan Assistant Professor of the college worked closely with the students to procure the saplings and helped them organize a small speech about the theme of the event and the expression of gratitude towards the University for providing an area, permanently earmarked for such, environment-oriented activities.

Description (min 250 to max 800 words)*	the Hindu festival of lights, with variations celebrated in other Indian religions.[a] It symbolises the spiritual "victory of light over darkness, good over evil, and knowledge over ignorance". Diwali is celebrated during the Hindu lunisolar months of Ashvin (according to the amanta tradition) and Kartika—between around mid-September and mid-November. The celebrations generally last five or six days. Diwali is connected to various religious events, deities and personalities, such as being the day Rama returned to his kingdom in Ayodhya with his wife Sita and his brother Lakshmana after defeating the demon king Ravana. It is also widely associated with Lakshmi, the goddess of prosperity, and Ganesha, the god of wisdom and the remover of obstacles. SU Annual Diwali Mela, was celebrated on 20 October 2022 this year, encapsulated the beauty of people coming together to celebrate community and light. The Diwali Mela is a celebration of our spirit of service, creativity and endeavor to 'give back'. The brilliance of lights and the beauty of everything that surrounded us from the wonderful stalls to the smiles on the faces of students made the whole atmosphere beautiful and all the hard work that was put into making it successful worth it. The Mela catered to SU students and the faculty. During the festival, the celebrants illuminate their homes, temples and workspaces with diyas (oil lamps), candles and lanterns. Hindus, in particular, have a ritual oil bath at dawn on each day of the festival. Diwali is also marked with fireworks as well as the decoration of floors with rangoli designs and other parts of the house with jhalars. Food is a major focus with families partaking in feasts and sharing mithai. The festival is an annual homecoming and bonding period not only for families, but also for communities and associations, particularly those in urban areas, which will organise activities, events, and gatherings.

Description (min 250 to max 800 words)*	Every year on October 31st, India celebrates National Unity Day, also called Rashtriya Ekta Diwas in Hindi. Sardar Vallabhbhai Patel, a well-known Indian independence leader who was instrumental in bringing India together following its independence from British colonial authority, was born on this day. Important facts on National Unity Day: Significance of Sardar Patel: Known as the "Iron Man of India," Sardar Patel played a key role in the post-independence integration of more than 560 princely republics into the Indian Union. He is recognized for having kept India from potentially becoming divided at the crucial stage of nation-building. The School of Health Science commemorated National Unity Day at D-421 Auditorium on October 31, 2022. A promise is read out on the day: "I sincerely promise to dedicate myself to upholding the nation's integrity, unity, and security. I also make a concerted effort to disseminate this message among my fellow citizens." I make this commitment in the spirit of my nation's unification, which was made possible by Sardar Vallabhbhai Patel's vision and deeds. I also firmly decide that I will do my part to protect my nation's internal security.

Report Submitted by *(write faculty coordinator name)*	***Objective: To give a small tribute to the Unsung heroes (Non-Academic Staff) of Sushant University for their enormous efforts.*** A poster making titled "Let's Give Thanks" was hosted by the Kaatib Club on the occasion of Thanksgiving. The anchors took on the stage and dedicated a song to our Universe to provide every resource we have. They showed us how many unsung heroes like the IT Staff, security guard, mess in-charge, the canteen chefs, and other non-academic staff members don't get the appreciation they deserve. Our Hon'ble Dean reminded us how they might not look that significant, but they are a cog in a big wheel. Students presented the posters they had made for the staff and gave them a note of thanks. After that, a friendly balloon-blowing competition was conducted. A final note was given by the Dean which was followed by a ***gratitude rally*** via which the thank you cards, and posters were distributed among the staff members. Special Thanks to Dr. Priyanka Pradhan, Assistant Professor, School of Business, for organizing this event.

Description (min 250 to max 800 words)*	The camp houses some 500 patients to whom food, shelter and clothing are given absolutely free of charge. These people – of all ages who have either been abandoned by their families or have been found on the roads in an injured and in a battered state, have been safely brought to the camp to whom all first-aid and medical facilities are provided and they are housed in the camp till such time that anybody of their family comes to claim them.The founder of ESF, late Mr. Ravi Kalra's selfless devotion towards the welfare of the less privileged has also been focused towards the protection of the environment and taking care of the animals. He had expressed deep appreciation of the services provided to the NGO by his staff and has called them as the "heart and soul of the organization" Generous quantities of kitchen provisions including various flours, rice, lentils, pulses, sugar, biscuits and cookies were collected by the Vatel School and were presented to the NGO on behalf of Sushant University. The team members also enrolled themselves as members of the Foundation and expressed their readiness to come to help in whatever way possible. "This was a very eye-opening and yet a very satisfying experience" said one of the team members – "We must do this at least once during academic semester" **Key Points** • Students will develop team-building and collaboration skill • Students will understand of the value of intergenerational relationships • Students will be able to empathize and respect elderly individuals • Students will be able to appreciate for volunteerism and the value of giving back to the community

Description (min 250 to max 800 words)*	On Wednesday, February 22, 2023, Mr. Nikhil Sharma, Regional Director, Eurasia, Wyndham Hotels visited the Vatel Hotel & Tourism Business School, Sushant University, to address our students and to give them insights into the latest trends of the service industry with regard to career progression both as a hotel professional and as an entrepreneur. "I had a deep rooted passion for this exciting industry and I joined hotels at but a very junior, entry level position. It has indeed been a journey full of ups and downs and now, at a position of a regional director when I look back, I can see that the hotels and my personal experience have given me tremendous opportunities to learn and to advance in my career." advised he emphatically to the students. Wyndham was formed 42 years ago in Dallas, Texas, USA whose founder was Trammel Crow. The organisation runs 22 brands out of which the most popular are – Registry, Dolce, Esplendor, dazzler Hotels, La Quinta, Ramada etc. Mr. Sharma gave a brief about the various openings and employee- friendly schemes that the organisation believes in for keeping the employees happy and motivated. This was the first ever interaction that the college had with the Wyndham Hotels. "Your students are bright and whatever organisation they happen to be a part of, they will, over a certain period of time, make progress and achieve as this trade offers several opportunities both within and outside the domain of hotels, but hard work and persistence always pays off in the long run – so do not get deterred by external factors and just concentrate on your goals" he advised.

Description (min 250 to max 800 words)*	The School of Business at Sushant University organized Poster and Slogan Making Competition to pay homage to Martyrs on the occasion of Shaheed Diwas on 23rd March, 2023. 23rd March is observed as **Shaheed Diwas**, a day of pride, and honour for the people of India. The event started with the masters of the ceremony, **Ojas** and **Ananya** (Students, SOB) addressing the audience by presenting the significance of this day and its history. The teachers assembled to pay tribute to the martyrs by offering them flowers. The event started with the address of Prof. Vijay Dubey (Dean School of Business) who, in his powerful words, forced the gathering to think about the love for nation and emphasized on good conduct by remembering the sacrifice of the martyrs. **Ms. Aanchal Dangwal**, Faculty, School of Business recited a beautiful poem which had the audience motivated, some in tears. **Mokshika**, a student of BBA Sem IV presented a classical dance on a patriotic song which took us knee deep in the feeling of patriotism and made us sway with her. Finally, the posters created by the participants of the Poster Making Competition had us amazed with the level of creativity they displayed through their wonderful posters that really brought out the beauty of this day as an important part of India's history.
	The event concluded with prize distribution by **Prof. Vijay Dubey** (Associate Dean, SOB) and **Prof. Atul Kumar Agarwal** (Faculty, SOB) to the winners of the competition followed by a group photograph of all the attendees. The event was conceptualized and organized by **Dr. Suman Dahiya**.

Description (min 250 to max 800 words)*	Ambedkar Jayanti is celebrated around the world, especially by those who embraced Buddhism, women, labor workers, Adivasi, and dalits. In India, people visit local statues of Ambedkar in processions with fanfare. Bhimrao Ramji Ambedkar was the first Law Minister of Independent India and the principal architect of the Indian Constitution. He is often called the "Father of Indian Constitution". He was a champion of civil rights and social justice for the Dalit caste, which was then considered "untouchable". Ambedkar Jayanti, also known as Bhim Jayanti, is celebrated on April 14th in remembrance of Indian social reformer and politician B. R. Ambedkar. On April 14, 1891, Ambedkar was born, and today is his birthday. Ambedkar was given the Bharat Ratna award on April 14, 1990. In the same year, his life-size image was also unveiled in Parliament's Central Hall. The 14 April 1990–14 April 1991 month was commemorated as the "Year of Social Justice" in honor of Babasaheb Some Indians also refer to his birthday as "Equality Day." Students participated in an awareness-raising workshop held by the School of Law's professors on April 15, 2023.

Description (min 250 to max 800 words)*	Muslims refrain from eating and drinking from sunrise to sunset throughout the holy month of Ramadan, which is celebrated with Eid al-Fitr. In Arabic, the word Eid al-Fitr means "Festival of Fast-Breaking". There is a specific salah for Eid al-Fitr that consists of two rakats and is typically conducted in a big auditorium or open field. It has seven more Takbirs and can only be recited in congregation (jamaat). Three Takbirs occur at the beginning of the first rakat and three right before rukūʿ in the second rakat, according to the Hanafi school of Sunni Islam. Twelve Takbirs are typically seen in other Sunni schools, divided into groups of seven and five. The salat in Shia Islam consists of five Takbirs in the second rakat and six Takbirs in the first rakat at the end of Tilawa, prior to rukūʿ. The local legal opinion determines whether this salat is farḍ or mustaḥabb. Muslims celebrate Eid al-Fitr in a variety of ways following the salat, with food playing a major role. This gives the event the moniker "Sweet Eid" or "Sugar Feast." On April 21, 2023, the School of Design held an exhibition in honor of Eid-ul-Fitr to celebrate cultural unity. Students from the design school participated and looked forward to their art and craft projects.

Description (min 250 to max 800 words)*	On May 05, 2023, the school of business in D-508 began celebrating Buddha Purnima. Faculty members took part in the event, which focused on embracing the universal ideals of compassion, mindfulness, and ethical leadership rather than religious devotion. It is a cutting-edge method of teaching that produces responsible global citizens in addition to accomplished professionals. One of Buddhism's most important and revered holidays, Buddha Purnima honors the birth, enlightenment, and demise of Siddhartha Gautama, also known as the Buddha. This auspicious occasion is celebrated with great reverence by Buddhists worldwide on the full moon day of the Vaisakh month, which is usually in April or May. Three significant events in the life of the Buddha are commemorated by the festival: his birth in Lumbini, his attainment of enlightenment in Bodh Gaya, and his mahaparinirvana (death) in Kushinagar. These events are thought to be profound and symbolically connected, signifying the Buddha's spiritual journey and ultimate release from the cycle of suffering.

Description (min 250 to max 800 words)*	On July 03, 2023, the festivities got underway at the School of Business in D-401 with a formal assembly where senior faculty members gave motivational talks about the value of mentoring and the transformational potential of education. Pupils actively took part, showing their appreciation for their instructors through a variety of cultural events, such as recitals of traditional dance and music that captured the day's profound cultural significance. In addition, there were interactive sessions where professors and students had deep discussions on professional development, academic paths, and the more general philosophical facets of learning. The focus of these seminars was the teacher-student (guru-shishya) tradition and its continued applicability in professional education today. In addition to being a cultural event, the Guru Purnima festival served as a powerful reminder of the transformational role that educators have in forming the next generation of leaders and professionals. The School of Business celebrated Guru Purnima, a major traditional Indian holiday that pays tribute to mentors and instructors and emphasizes the great value placed on knowledge transfer and educational assistance. Students, teachers, and administrative personnel came together to commemorate the importance of educators and the spirit of learning.

The theme of the event was Nation First, Always First. All students as well as faculty members participated in the event with great enthusiasm. Independence Day reminds us of the many sacrifices and struggles made by Indian freedom fighters to help the country gain freedom from the British Raj and why we must respect this independence. Today there is also a need for a sense of patriotism, the desire to serve the country and lead development. It also creates unity and responsibility among citizens. Everyone gathered for flag hoisting, national anthem and March pass. Later everyone moved towards the moot court of school of law for various activities which were such as guest lecture; competitions like presentation, poster making and debate and many other.

Description (min 250 to max 800 words)*	An annual Hindu harvest celebration. It is an important yearly occasion that includes a range of cultural activities and is the official festival of the state. The festival has a lengthy history and deep Hindu mythological roots. Literary and epigraphical evidence supports the long religious history of Onam in Kerala and the neighboring South Indian states. Traditionally, it has been a multi-day communal event that takes place in Hindu temples. The rice harvest is commemorated during Kerala's traditional Hindu festival of Onam. In Indian culture, there are two other popular variations of the occasion that hold significance. Students from the School of Art & Architecture showcased their artistic skills and love of the arts and culture on August 29, 2023, by competing in a rangoli competition. Participation in the tournament helped students develop their artistic skills while also providing a stage for children to display their Rangoli originality and flair.

Description (min 250 to max 800 words)*

Teachers' Day 2023 at the School of Design, Sushant University, was a remarkable event, brimming with joy, appreciation, and a deep sense of community. After the disruptions of previous years, the 2023 celebration was a reaffirmation of the strong

bonds between students and faculty, and it served as a testament to the resilience and spirit of the academic community.

Preparation and Atmosphere

The preparations for the event began well in advance, with students enthusiastically taking charge. The aim was to create an event that would truly honour and celebrate their teachers. The venue was tastefully decorated with vibrant colours and creative displays that showcased the artistic talents of the students. Handcrafted posters, intricate rangoli designs, and floral arrangements added to the festive atmosphere, transforming the space into a warm and welcoming environment.

Warm Welcome

As the teachers arrived, they were greeted with warm smiles and heartfelt gestures from the students. Each teacher received a small bouquet of flowers and a personalized card expressing gratitude. This gesture of respect and appreciation set a positive tone for the day and highlighted the students' sincere efforts to make their teachers feel special.

Opening Remarks and Tributes

The celebration officially commenced with an opening speech by the head of the Associate Dean. She spoke eloquently about the invaluable contributions of the teachers, highlighting their dedication, passion, and the pivotal role they play in shaping the future of their students. Her words resonated deeply with the audience, setting an inspirational tone for the event.

Following this, several students took to the stage to share their personal tributes. Each student recounted specific instances where their teachers had made a significant impact on their lives. One student shared a touching story of how a teacher's encouragement had helped them overcome personal challenges, while another spoke about the invaluable life lessons learned through their mentor's guidance. These heartfelt tributes underscored the deep respect and affection the students had for their teachers.

Cultural Performances

The cultural performances were a highlight of the celebration, showcasing the diverse talents of the students. The program included dance routines, musical performances, and dramatic skits, all designed to entertain and honour the teachers. The performances were a blend of traditional and contemporary styles, reflecting the rich cultural heritage and innovative spirit of the School of Design.

Felicitation Ceremony

A significant part of the celebration was the felicitation ceremony, where students presented their teachers with personalized gifts and handwritten notes. Each gift was thoughtfully chosen to reflect the personality and interests of the teacher. The teachers

were deeply moved by this gesture, and many were seen exchanging warm hugs and words of gratitude with their students.

Conclusion

The Teachers' Day celebration at the School of Design, Sushant University, in 2023 was a resounding success. It was a day filled with joy, gratitude, and a renewed sense of community. Description (min 250 to max 800 words)*	On September 12th, the School of Business had the privilege of hosting a guest lecture by Mr. Amit Sharma, Senior Territory Manager at Sharekhan Ltd. Mr. Sharma shared his extensive knowledge and experience in the field of finance and investment, providing valuable insights to students. His engaging session offered a unique perspective on the financial industry, leaving attendees inspired and better informed about the dynamics of the business world. A stock market, equity market, or share market is the aggregation of buyers and sellers of stocks (also called shares), which represent ownership claims on businesses; these may include securities listed on a public stock exchange as well as stock that is only traded privately, such as shares of private companies that are sold to investors through equity crowd funding platforms. Investments are usually made with an investment strategy in mind. A stock exchange is an exchange (or bourse) where stockbrokers and traders can buy and sell shares (equity stock), bonds, and other securities. Many large companies have their stocks listed on a stock exchange. This makes the stock more liquid and thus more attractive to many investors. The exchange may also act as a guarantor of settlement. These and other stocks may also be traded "over the counter" (OTC), that is, through a dealer. Some large companies will have their stock listed on more than one exchange in different countries, so as to attract international investors. Trade in stock markets means the transfer (in exchange for money) of a stock or security from a seller to a buyer. This requires these two parties to agree on a price. Equities (stocks or shares) confer an ownership interest in a particular company.

(Geotag) Photograph-2	Description (min 250 to max 800 words)*	**Founder's Day Celebration 2023** The Founder's Day celebration of 2023 marked yet another milestone in our institution's legacy of excellence, creativity, and innovation. Organized specifically for the architecture students, this year's event was an inspiring tribute to the visionary founder, Mr. M.M. Rana, and his enduring influence on architectural education. The celebration also spotlighted the prestigious M.M. Rana Award series and introduced a brand-new accolade, the "Dean's Appreciation Award," honoring students for their exceptional commitment and contributions. **Opening Ceremony**

The event began with great enthusiasm and a spirit of unity as students, faculty, and alumni gathered in the college's central courtyard. The opening ceremony set a reflective tone with a traditional lamp-lighting ritual performed by the Dean of Architecture, student representatives, and the awardees. The venue was adorned with creative installations and banners designed by students, celebrating the founder's architectural philosophies and principles.

In her welcome address, the Dean shared heartfelt insights into the values instilled by Mr. M.M. Rana and their relevance in shaping the future of architecture. A special tribute followed, with a multimedia presentation showcasing the founder's groundbreaking contributions to the field and the institution. Rare photographs, anecdotes, and excerpts from his writings offered a deeper appreciation of his legacy.

The M.M. Rana Award Presentation

Continuing the tradition, the highlight of the ceremony was the presentation of the M.M. Rana Award for Architectural Excellence. This coveted award recognizes students who have demonstrated exceptional talent, innovation, and leadership in their academic and professional pursuits. The recipient of this year's award delivered an inspiring speech, sharing their journey and the pivotal role that the institution played in fostering their growth.

The award presentation reaffirmed the founder's vision of nurturing architectural brilliance. It also motivated students to aspire toward excellence and embody the principles of sustainability, creativity, and community service—the core values of Mr. M.M. Rana's philosophy.

Introduction of the Dean's Appreciation Award

This year, a significant addition to the event was the introduction of the Dean's Appreciation Award. Designed to recognize holistic contributions to the institution, the award celebrates students who excel not only academically but also through leadership, teamwork, and community engagement. The first recipients of the award included a group of students who spearheaded a sustainable design project benefiting local communities. Their impactful work was celebrated as a shining example of the institution's mission to blend education with real-world impact.

The Dean's Appreciation Award was warmly received, adding a fresh dimension to the event. It symbolizes the importance of well-

rounded excellence and reinforces the institution's commitment to nurturing socially responsible architects.

Cultural Performances and Creative Displays

A vibrant array of cultural performances followed, bringing energy and color to the day's celebrations. Architecture students showcased their creative flair with dance performances, musical renditions, and a special theatrical piece titled "Designing Dreams: The Legacy of M.M. Rana." The play depicted the founder's journey, highlighting the challenges and triumphs that shaped his vision.

Another standout feature of the event was an exhibition of student projects. Titled "Architectural Expressions," the exhibition displayed innovative models, sketches, and digital renderings inspired by Mr. Rana's principles. These projects reflected the students' ability to merge tradition with contemporary design philosophies, demonstrating their exceptional talent and dedication.

Workshops and Interactive Activities

To engage participants actively, the event included hands-on workshops and interactive activities tailored for architecture students. A "Design Sprint" workshop challenged students to create sustainable and functional urban solutions within a limited timeframe. The session was both exciting and educational, fostering teamwork and critical thinking.

A heritage walk titled "Tracing the Founder's Vision" took students on a guided tour of iconic architectural landmarks designed by Mr. Rana. This activity provided valuable insights into his design approach, inspiring students to explore the deep connection between architecture and cultural identity.

Panel Discussion: Shaping the Future of Architecture

A student-led panel discussion on "Architectural Evolution: Lessons from the Past, Visions for the Future" was a thought-provoking segment of the day. Panelists included award recipients, alumni, and faculty members who discussed emerging trends, challenges, and opportunities in architecture. Topics such as sustainable design, technological integration, and the role of architects in community building were explored, leaving the audience with valuable perspectives and inspiration.

Community Outreach and Social Responsibility

SUSHANT UNIVERSITY ★ SECTOR-55, GURGAON ★

	In keeping with the founder's ethos of service, the celebration also featured meaningful community outreach initiatives. Students collaborated on a project to refurbish a local community center, applying their architectural skills to create a more functional and welcoming space. This initiative highlighted the transformative power of architecture in improving lives and underscored the importance of giving back to society. A donation drive was also organized, collecting books, clothing, and essential supplies for underprivileged communities. The enthusiastic participation of students and faculty reflected the institution's collective commitment to social responsibility. **Closing Ceremony** The grand finale of the event was the closing ceremony held in the evening. The student council president delivered a heartfelt vote of thanks, expressing gratitude to everyone who contributed to the success of the celebration. A commemorative plaque bearing the names of the awardees was unveiled, ensuring their achievements are remembered for years to come. A symbolic tree-planting ceremony brought the day to a meaningful close, signifying growth, resilience, and continuity. As a final gesture, students released biodegradable lanterns into the night sky, carrying messages of hope, gratitude, and aspiration. **Reflections and Impact** Founder's Day 2023 was a resounding success, celebrating the rich legacy of Mr. M.M. Rana while embracing new traditions such as the Dean's Appreciation Award. The event provided architecture students with a platform to showcase their talents, reflect on their responsibilities, and draw inspiration from the founder's timeless vision. Through its blend of tribute, creativity, and forward-thinking initiatives, the celebration reinforced the values of excellence, innovation, and community service. It served as a reminder of the institution's mission to shape architects who not only design buildings but also contribute meaningfully to society. Founder's Day 2023 will be remembered as a defining moment in the institution's journey, honoring the past while inspiring a brighter, more innovative future.

Description (min 250 to max 800 words) *	Festivals brought happiness, faith, devotion, and a sense of unity to everyone. So, SPD of Sushant University organized Navrang on the occasion of Navratri on 30 Sept 2023. After completion of routine lectures students and faculty gather in the Lawn Tennis Court. The celebration started by offering prayers and chanting Garba in chorus in front of the idol of Goddess Navdurga. Everyone was dressed in traditional dresses and groomed exquisitely. All the bright-colored fabrics made the event appealing. At sharp 2:00 PM, everyone started enjoying Garba on the beats of DJ Music. Everyone was deeply synced with the beats of the music and the steps of Garba. The festivities extend beyond goddess Durga and various other goddesses such as Saraswati and Lakshmi. Deities such as Ganesha, Kartikeya, Shiva, and Parvati are regionally revered. For example, a notable pan-Hindu tradition during Navaratri is the adoration of Saraswati, the Hindu goddess of knowledge, learning, music, and arts, through Ayudha Puja. On this day, which typically falls on the ninth day of Navaratri, peace and knowledge is celebrated. Warriors thank, decorate, and worship their weapons, offering prayers to Saraswati.[16] Musicians upkeep, play, and pray their musical instruments. Farmers, carpenters, smiths, pottery makers, shopkeepers, and all sorts of tradespeople similarly decorate and worship their equipment, machinery, and tools of trade. Students visit their teachers, express respect, and seek their blessings. This tradition is particularly strong in South India, but is observed elsewhere too.

Description (min 250 to max 800 words)*	As the spirit of Diwali fills the air, SU celebrated the Diwali Fest 2023 at Sushant University. Students joined for the day brimming with joy, generosity, and togetherness. **Event Details: Diwali Fest 2023** Date: 8th November 2023, Wednesday Time: 9:30 AM to 5:00 PM Venue: Sushant University Diwali is connected to various religious events, deities and personalities, such as being the day Rama returned to his kingdom in Ayodhya with his wife Sita and his brother Lakshmana after defeating the demon king Ravana. It is also widely associated with Lakshmi, the goddess of prosperity, and Ganesha, the god of wisdom and the remover of obstacles. During the festival, the celebrants illuminate their homes, temples and workspaces with diyas (oil lamps), candles and lanterns. Hindus, in particular, have a ritual oil bath at dawn on each day of the festival.[22] Diwali is also marked with fireworks as well as the decoration of floors with rangoli designs and other parts of the house with jhalars. Food is a major focus with families partaking in feasts and sharing mithai. The festival is an annual homecoming and bonding period not only for families, but also for communities and associations, particularly those in urban areas, which will organise activities, events, and gatherings. **Dress Code:** Elevate the Diwali spirit by dressing in traditional Indian attire. Wear your most splendid ethnic outfits, and you might win the 'Best Dressed' Faculty/Staff or Student award in Spectacular Ethnic Attire. **Share the Joy through Donations:** As we celebrate the festival of lights, let's not forget those in need. So all our students to participated in the donation drive. Conveniently placed donation boxes throughout the University were ready to receive the contributions of non-perishable food items, gently used clothes, shoes, and other essentials. **Live DJ and More:** The Diwali Fest, an entire day of non-stop entertainment! Students enjoyed with the high energy brought by our live DJ, engaging games, and exciting surprises.

Description (min 250 to max 800 words)*	A potpourri of history, royalty, opulence and aroma, the Hyderabadi cuisine is well known for its exquisite recipes, assorted ingredients, rich palettes and the soulful experience that it offers! In order to bring home the essence of 'Rivaayat-e-Hyderabad', the young cuisiniers of Vatel Hotel and Tourism Business School at Sushant University felicitously curated and served 'Rivaayat - Hyderabadi Theme Lunch'. Amidst the colourful rangolis, glittering diyas and embellished attires, the ambiance at VHTBS offered a truly surreal experience! Right from the traditional decoration of the venue to the tehzeeb-infused greeting of guests accompanied by a mesmerizing classical music, the afternoon undoubtedly took the guests back to the 'City of Nawabs'. Such events offer an opportunity for hospitality enthusiasts to put to test not only their technical knowledge but also their practical learnings on standard serving etiquettes and skillful handling of variety of guests. The superlative moment of the luncheon however was when the young aspiring chefs were showered with words of appreciation and encouragement! It was an unforgettable moment indeed!

Description (min 250 to max 800 words)*	World AIDS Day, designated on 1 December every year since 1988, is an international day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease. The acquired immunodeficiency syndrome (AIDS) is a life-threatening condition caused by the human immunodeficiency virus (HIV). The HIV virus attacks the immune system of the patient and reduces its resistance to other diseases. Government and health officials, non-governmental organizations, and individuals around the world observe the day, often with education on AIDS prevention and control. Designing a poster for World AIDS Day is a great way to raise awareness and convey important messages about HIV/AIDS prevention, treatment, and support. lleviate some of the stigma surrounding the disease and boost recognition of the problem as a family disease. SOL organized a poster competition on 1st December 2023. This was an opportunity to express solidarity and promote understanding about HIV/AIDS.

Description (min 250 to max 800 words)*	The history of cake-mixing says that it marked the arrival of the harvest season. During those days a lot of fruits and nuts were picked, to go into the preparation of the traditional Christmas fruit cake. They used to save up the mix for the coming year in the belief that it would bring another abundant year. It was originally done as a way to preserve fruitcakes and other sweets during the winter months. The process of cake mixing involves combining dried fruits, nuts, and spices with flour, sugar, and eggs. This mixture is then baked into a cake or pudding. The students and faculty of Vatel Hotel and Tourism Business School Gurgaon enjoyed the Christmas cake-mixing routine on December 4, 2023. Six to eight weeks before to Christmas Day, this ceremony typically takes place. This will allow the mixture to gradually mature, intensify, and deepen its color. Three months ago, the newly enrolled pupils discovered the ceremony.

Description (min 250 to max 800 words)*	Vatel Hotel and Tourism business school organized cleanliness drive on January 19,2024 at D- block ground floor in Vatel school. A cleanliness drive is a concerted effort to promote and instil the values of cleanliness and hygiene within the students. This proactive initiative involved collective participation, with students coming together to clean and maintain their surroundings. The primary objective was to create a cleaner and healthier environment, reducing the risks of diseases, promoting well-being, and fostering a sense of civic responsibility. These drives typically targeted public spaces, such as reception, Offices,Labs and Corridors. Students engaged in activities like garbage collection, sweeping, and general upkeep to rid these areas of litter and waste. Additionally, awareness campaigns are often an integral part of cleanliness drives, educating students about the importance of maintaining cleanliness and the impact of individual actions on the community. Cleanliness drives not only transform the physical landscape but also contribute to community bonding and a shared sense of pride. By fostering a culture of cleanliness, these initiatives aim to create lasting habits that extend beyond the event itself. In essence, a cleanliness drive is a powerful mechanism to inspire positive change, promote a sense of collective responsibility, and enhance the quality of life for all.

	significance of Republic Day, commemorating the adoption of the Indian Constitution on January 26, 1950. The speaker emphasized the values of democracy, liberty, and justice that the Constitution enshrines, reminding the audience of their duties as responsible citizens. One of the key highlights of the event was a parade featuring various student contingents. These contingents represented different states of India, showcasing the country's rich cultural diversity. The students, dressed in traditional attire, marched with precision and enthusiasm, symbolizing unity in diversity. The parade was complemented by a display of cultural performances, including traditional dances, songs, and a skit that depicted historical events leading to India's independence and the adoption of the Constitution. This year's celebration had a special focus on women empowerment, aligning with the broader national theme. The event featured performances and displays that highlighted the significant contributions of women to India's progress and development. A notable performance was a dance drama that portrayed the stories of prominent Indian women leaders and freedom fighters, inspiring the audience with their courage and dedication. In addition to the cultural programs, the university organized various competitions and activities for students. These included essay writing, poster making, and debates centered around the theme of patriotism and national unity. The winners of these competitions were awarded certificates and prizes, encouraging students to engage more deeply with the country's history and civic responsibilities. The event also included a special address by the university's Pro- Vice-Chancellor, who spoke about the importance of education in shaping responsible and informed citizens. He encouraged students to uphold the values of the Constitution and contribute positively to the nation's development. The speech was followed by the distribution of sweets, adding a festive touch to the occasion. The celebration concluded with a musical performance by the university's choir, which performed patriotic songs that resonated with the

Brief Description (min 250 to max 800 words)*	In an attempt to start a conversation around mental health, the 1st year students from the Department of Psychology, School of Health Sciencecreated an eye opening Nukkad Natak that delved into the life of a depressed boy.The storyline resonated with many because it depicted the realities faced by today's youth. It highlighted the significance of expert intervention which is required to treat mental health issues, and addressing the stigma surrounding psychological illnesses.The narrative revolved round a younger guy grappling with depression, pressured by his parents, career and relationships. While initially his family`s tries to discover an answer through conservative meansby consulting a *baba*, they soon find that consulting a mental health profession is the best way to treat mental health problems.Throughout the performance, the audience was immersed into the protagonist's journey, witnessing the inner struggles and societal pressures that frequently accompany mental health problems.By portraying the protagonist's reluctance to seek professional help and then eventually finding relief though professional psychological therapy, the message that psychological problems are no longer a reason to feel shame was emphasized. To sum up, the Nukkad Natak helped to raise awareness of mental health, challenging preconceived notions,
	and promoting acceptance and support for people living with mental health conditions. Through the power of storytelling, the students connected with the audience, moved their minds, and encouraged them to take action to break the taboo around mental health. **Key Points** • Awareness Through Art • Stigma and Societal Pressures • Importance of Seeking Professional Help • Community Engagement • Empathy and Understanding • Breaking the Stigma

The performance highlighted the challenges faced by the character including misunderstandings within his family struggles in relationships and unsuccessful attempts to seek help. By portraying the journey of this boy seeking assistance from sources such as a spiritual guru recommended by his aunt and eventually a psychologist, the street play emphasized the importance of professional intervention and reducing stigma around mental health treatment. Spectators were encouraged to reflect on the significance of recognizing and addressing health problems with sensitivity and understanding. Additionally the interactive nature of the performance allowed engagement with the audience sparking conversations and fostering a sense of community awareness. Viewers were prompted to contemplate how common mental health struggles are in society and recognize the need for compassion and support, for those facing challenges. Ultimately besides raising awareness this street play also advocated for empathy, understanding and seeking help when dealing with health difficulties. Description (min 250 to max 800 words)*	Vasant Panchami is celebrated every year on the fifth day of the bright half of the Hindu lunisolar calendar month of Magha, which typically falls in late January or February. Spring is known as the "King of all Seasons", so the festival commences forty days in advance. It is generally winter-like in northern India, and more spring-like in central and western parts of India on Vasant Panchami, which gives credence to the idea that spring is actually in full bloom 40 days after the Vasant Panchami day. In India, festivals are all about togetherness and harmony. With the onset of the spring season, it's time to celebrate the festival of Basant Panchami. It is said that Goddess Saraswati can bestow on her devotees lots of wisdom, learning and knowledge as the goddess is considered to be an epitome of wisdom. ***Let us personify Vidya (knowledge) and dispel tamas (ignorance)*** *as B*asant Panchami is the day to dedicate your time for noble cause ***with Arpan 2024*** join Students and Faculty members of VHTBS, as we join hands with the profound NGO, Teens Of God Sector 15 Gurugram to donate Books, Stationary Items, Clothing Pieces and other items that can contribute to lives of these young individuals for their educational, nutritional, and well-being requirements.

Description (min 250 to max 800 words)*	Eid al-Fitr is a celebration of the end of Ramadan, a holy month of fasting when Muslims abstain from eating and drinking from dawn to dusk. The name Eid al-Fitr translates to "Festival of Fast-Breaking" in Arabic. Eid al-Fitr has a particular salah that consists of two rakats generally performed in an open field or large hall. It may only be performed in congregation (jamaat) and features seven additional Takbirs. In the Hanafi school of Sunni Islam, there are three Takbirs at the start of the first rakat and three just before rukūʿ in the second rakat. Other Sunni schools usually have 12 Takbirs, similarly split in groups of seven and five. In Shia Islam, the salat has six Takbirs in the first rakat at the end of Tilawa, before rukūʿ, and five in the second. Depending on the juristic opinion of the locality, this salat is either farḍ or mustaḥabb. After the salat, Muslims celebrate the Eid al-Fitr in various ways with food being a central theme, which also gives the holiday the nickname "Sweet Eid" or "Sugar Feast". On the auspicious occasion of Eid School of Design organized an exhibition on occasion of Eid-ul-fitr for celebrating harmony of culture on 11th April 2024, where students from design school participated and anticipated their art & craftwork.

Description (min 250 to max 800 words)*	Ambedkar Jayanti is celebrated around the world, especially by those who embraced Buddhism, women, labor workers, Adivasi, and dalits. In India, people visit local statues of Ambedkar in processions with fanfare. Bhimrao Ramji Ambedkar was the first Law Minister of Independent India and the principal architect of the Indian Constitution. He is often called the "Father of Indian Constitution". He was a champion of civil rights and social justice for the Dalit caste, which was then considered "untouchable". Ambedkar Jayanti, also known as Bhim Jayanti, is celebrated on April 14th in remembrance of Indian social reformer and politician B. R. Ambedkar. On April 14, 1891, Ambedkar was born, and today is his birthday. Ambedkar was given the Bharat Ratna award on April 14, 1990. In the same year, his life-size image was also unveiled in Parliament's Central Hall. The 14 April 1990–14 April 1991 month was commemorated as the "Year of Social Justice" in honor of Babasaheb Some Indians also refer to his birthday as "Equality Day." Students participated in an awareness-raising workshop held by the School of Law's professors on April 15, 2024..
