7.1.9 –DESCRIPTION about Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens.

The institution prepares the students and the employees to the constitutional obligations about values, rights, duties and accountabilities and constantly works upon to encourage them as better citizens of the country through various curricular and extra-curricular activities. The University curriculum is framed with courses like Introduction to the Constitution of India, Professional Ethics, Value Added Courses, Philosophy of Human Rights and Transdisciplinary courses etc. which is an attempt to inculcate constitutional obligations among the students. The University establishes policies that replicate core values. Code of conduct is primed for students and staffs and everyone obey the conduct rules. The institution reassures participation of students in Sports and Games, NCC and NSS at National level to reinforce nationwide bond and relation.

The institution takes many initiatives like conducting legal awareness campaigns as enshrined in the Indian Constitution. Also, the University organizes orientation programmes, training programmes, seminars and workshops to sensitize the future leaders to inherit human values coping with the constitutional obligations. Ethical Values, rights, duties and responsibilities of citizens are some of the topics that are enlisted in Elocution/ Debates activities. The institution has strived forward with great determination to increase the level of awareness and appropriate practices amongst the students in the divergent areas:

1. To combat health issues
2. To create legal awareness in the remote villages
3. To do recycle in environment activities
4. To promote the awareness about various constitutional and legal obligations
5. To conduct Parliamentary debates on burning issues to create awareness

The students have enthusiastically participated in various activities like seminar, conferences, expert talks, poster making competition, competition on various contemporary legal issues. legal awareness camps to impart awareness of such issues etc.

Sushant University takes pride in the fact that in addition to preparing a comprehensive academic foundation of the student community; the University constantly works upon to improve the individuals as better citizens of the country. In this regard, the University, apart from imparting professional legal education, instils a feeling of togetherness among the student community through various practices and programs. Various faculties have always been in the practice of organizing activities that not only initiate but also motivate the students to adopt various practices that promote the "Unity in Diversity" of our motherland.

India, as a country, includes individuals with different backgrounds viz., cultural, social, economic, linguistic, and ethnic diversities governed and guided by the Constitution irrespective of caste, religion, race.

To equip students with the knowledge, skill, and values that are necessary for sustaining one's balance between a livelihood and life by providing an effective, supportive, safe, manageable, and reasonable learning environment. These elements are indoctrinated in the value system of the university community. The students are stimulated by participating in various programs on culture, traditions, values, duties, and responsibilities by inviting prominent people. The institute conducted awareness programs on the ban on plastics, cleanliness, Swachh Bharat.

INTERNATIONAL YOGA DAY

**YOGA FOR
VASUDHAIVA KUTUMBAKAM**

21th June 2019 | 9:00AM to 10:30AM

Venue : University Ground

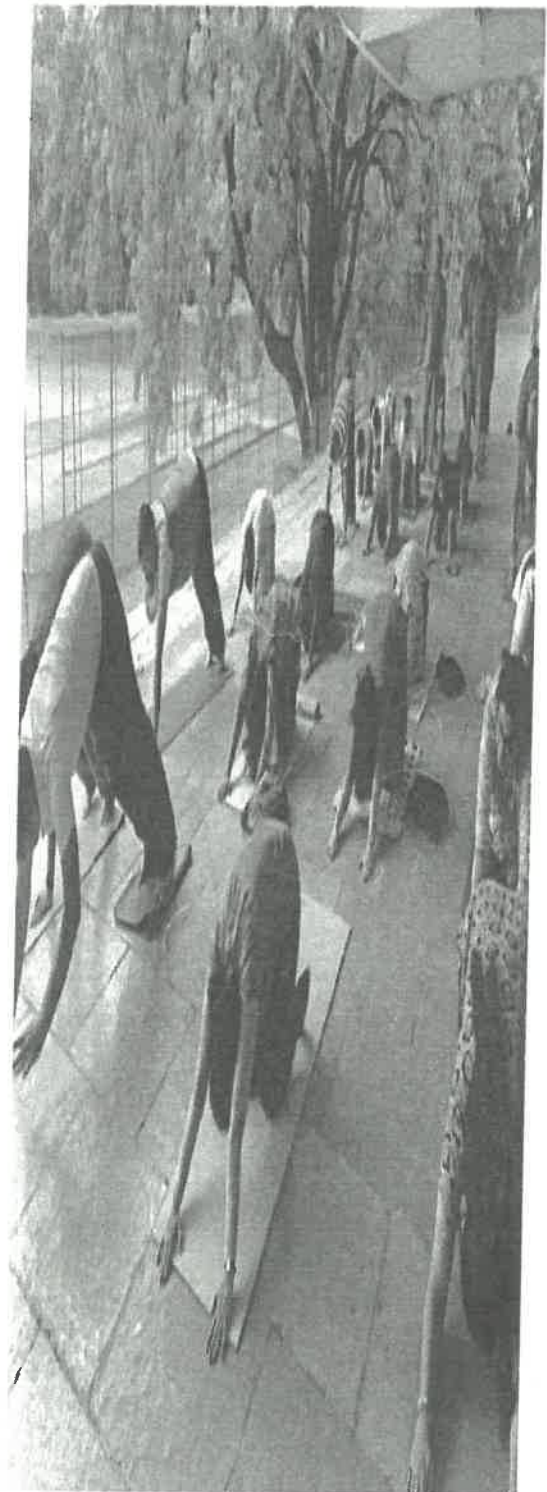

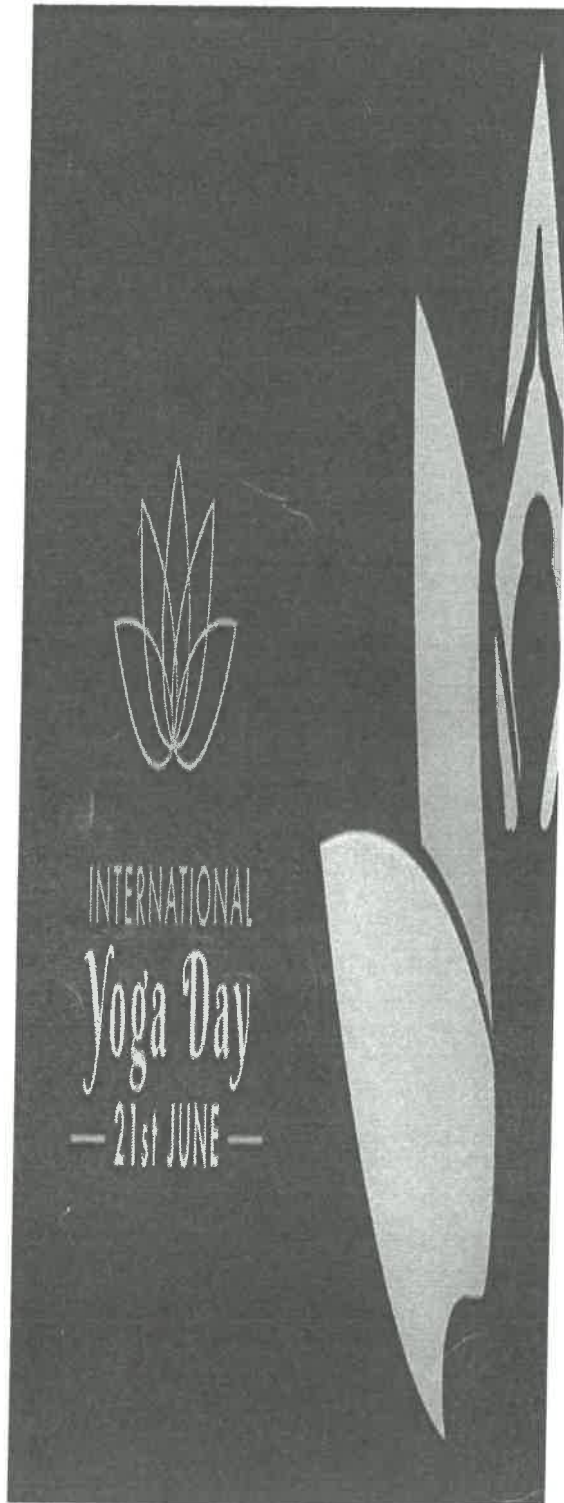

On 21th June 2019, Ansal University celebrated the international Yoga Day with great enthusiasm. The event attended by the Department Heads/Principals, Professors from different schools of the University, all of whom demonstrated a keen interest in this ancient practice. The objective of this year's celebration, themed "**Yoga for Vasudhaiva Kutumbakam,**" was to connect with a larger global community and promote the widespread adoption of yoga in every village in India. The event commenced with a comprehensive introduction to Yoga Day

The program kicked off with warm-up exercises, during which all faculty members actively participated. They guided through various sitting and standing asanas, with simultaneous explanations of their significance. The instructors emphasized the importance of incorporating yoga into daily life and maintaining harmony between the body and mind.

It successfully promoted the practice of yoga and its benefits, while also emphasizing its global significance. The event's success can be attributed to the meticulous planning, active participation, and the dedication of the organizing team. The session lasted for over an hour, witnessing active participation and engagement from all attendees.

Visit to Sambandh Foundation

Brief Description (min 250 to max 800 words)*

Department of Psychology from School of Health Sciences of Sushant University successfully organized an Experiential Learning Tour to Sambandh Health Foundation on 12th October 2022. Sambandh Health Foundation offers recovery programs for people living with severe mental illness and their family and caregivers. It is in collaboration with the Haryana Government and is free of cost. Sambandh focuses on the recovery model of coping with mental disorders and highlights the importance of choice in running their foundation. Their Community Integration Centre (CIC) remains open from 9:30am onwards to 3:30 where members can come in and engage in their choice of activity. They also offer Outreach Programs to reach out to people who are in a situation of isolation and need to be met at their home to begin with, alongside family self-help groups, awareness programs, community mental health programs and group homes. Their ultimate goal is to help these mentally ill individuals to find employment, meaningful engagement and lead a fuller life in the world.

SCHOOL OF BUSINESS

Description

Join us for a vibrant Ganesh Chaturthi celebration on 2 September 2019, from 3:00 PM to 5:00 PM at the School of Business! This annual festival marks the birth of Lord Ganesha, the remover of obstacles and the patron of intellect and learning.

Event Highlights:

- **Puja Ceremony:** Kick off the event with a traditional puja, where we'll offer prayers and seek blessings for success and wisdom in our academic pursuits and future careers.
- **Cultural Performances:** Enjoy captivating performances, including traditional music and dance, showcasing the rich heritage associated with Ganesh Chaturthi.
- **Interactive Activities:** Engage in fun activities like rangoli-making and craft stations, where you can create your own Ganesh idols using eco-friendly materials.
- **Delicious Festive Snacks:** Savor a variety of traditional sweets and snacks like modaks and ladoos, adding a delightful taste to the celebrations.
- **Community Spirit:** This is a wonderful opportunity to come together as a community, strengthen bonds, and celebrate diversity in our campus culture.

Everyone is welcome to join in the festivities, regardless of background. Let's make this Ganesh Chaturthi a memorable experience filled with joy, unity, and blessings!

Description :

On 20th November 2019, Ansal University's School of Law organised a Gender Sensitisation Training Workshop. The theme of the workshop was 'Women Empowerment'. All the students and faculty members participated in the event with great enthusiasm.

It is important that people become aware about the gender equality issues and take corrective measures to eradicate the same. The topic of 'feminism' was also discussed in detail, making students comprehend the concept more profoundly.

Various activities like poster making, poetry competition, declamation, presentations, rangoli making and debate were also on the list of the event. The cooperation of the staff and students made this event a great success.

Limits to Liberty:

Fundamental Rights vs. Fundamental Duties

26th November 2019 | 2:00PM-4:00PM

Venue: Moot Court Hall, SOL building

On November 26, 2019 School of Law, Ansal University celebrated Constitution Day. **Constitution Day (Samvidhana Divas)**, also known as “**National Law Day**” is celebrated in India on November 26 every year to commemorate the adoption of the Constitution of India.

The preamble of the constitution was read in the School of Law, Moot Court hall at 10 AM by the students to spread the importance of the constitution and the thoughts and ideas of Ambedkar. In addition, there were quiz and essay competitions both online and offline on the subject of the Constitution of India. There was a lecture on salient features of the constitution, and the department arranged mock inter-class debates on the theme ‘**Limits to Liberty: Fundamental Rights vs. Fundamental Duties**’ for students.

As part of the celebration, five technical sessions took place from 2 PM to 4 PM. The event aimed to explore the crucial link between constitutional values, global aspirations, and the well-being of the planet and its inhabitants. Students, staff and faculty members participated with great enthusiasm.

LOHRI DAY

School of Law
Sushant University

On 13th January 2020, Ansal University celebrated Lohri with great fervour and enthusiasm. The students, faculty members and non-teaching staff all actively participated in the event. The celebrations started with lighting bonfire and prayers to Almighty for the blessings to all. The traditional songs and dances followed. Students were served Lohri delicacies. All enjoyed this festival. Celebration was carried out at college with full enthusiasm and rituals like offering of peanuts, popcorn and sweets made of til, chirva, popcorn, gajak and revri to holy bonfire.

Principal, staff members and students of the college celebrated Lohri with fervour. The ambience of the venue and celebration was in tune with Lohri festivity. A cultural program was also organised during the celebration. The Lohri celebration at Sushant University in 2020 was not just a festive gathering; it was a vibrant tapestry of culture, camaraderie, and cherished traditions. The campus came alive with the crackling of the bonfire, echoing the warmth of shared joy and blessings.

Amidst the flickering flames, the soul-stirring melodies of traditional songs intertwined with the rhythmic beats of folk dances, painting a picture of unity and festivity. Throughout the celebration, rituals like the offering of peanuts, popcorn, and sweets to the holy bonfire served as a symbol of gratitude and reverence, fostering a sense of connection to the traditions of the past. As participants exchanged heartfelt wishes and blessings, the spirit of Lohri was palpable, enveloping everyone in a sense of warmth and goodwill.

SCHOOL OF ENGINEERING AND TECHNOLOGY CELEBRATES

WORLD ENVIRONMENT DAY
JUNE 5

THIS WEEK, WE HAVE A SPECIAL ENVIRONMENT QUIZ FOR
YOU, TAKE THE QUIZ ON OUR INSTAGRAM STORIES

School of Engineering and Technology
World Environment Day
Report

Led by the United Nations Environment Programme (UNEP) and held annually on 5 June since 1973, World Environment Day is the largest global platform for environmental public outreach and is celebrated by millions of people across the world.

All over the world, ecosystems are threatened. From forests and drylands to farmlands and lakes, natural spaces on which humanity's existence depends are reaching a tipping point.

According to the UN Convention to Combat Desertification, up to 40 per cent of the planet's land is degraded, directly affecting half of the world's population. The number and duration of droughts has increased by 29 per cent since 2000 – without urgent action, droughts may affect over three-quarters of the world's population by 2050.

The School of Engineering and Technology celebrated World Environment Day by hosting a Quiz on SET Instagram page.

World Environment Day is celebrated annually on 5th June, 2020 for encouraging awareness and action for the protection of the Environment. The Quiz on environment day has received good participation.

Description

On June 21, 2020, we celebrated International Yoga Day with an engaging online event that connected participants globally. The day featured a series of live yoga sessions led by experienced instructors, offering various styles suitable for all levels, from beginners to advanced practitioners.

In addition to yoga classes, the event included guided meditations and discussions on the mental and physical benefits of yoga, emphasizing its role in promoting holistic well-being. Special guest speakers shared insights on integrating yoga into daily life, enhancing resilience and mindfulness during the pandemic.

Interactive Q&A sessions allowed participants to ask questions and share their experiences, fostering a supportive community atmosphere. With participants logging in from diverse backgrounds, the event highlighted yoga's universal appeal and its capacity to unite people, even from afar. The positive energy and shared commitment to wellness made it a memorable and uplifting experience for all involved.

On 15th August 2020, Ansal University's School of Law organized an event on the occasion of our 74th Independence Day. The theme of event was **SELF-RELIANT INDIA**. All students as well as faculty members participated in the event with great enthusiasm.

It is important about the self-reliance, particularly in the context of the COVID-19 pandemic and its economic impact.

The event was held online for safety reasons as Covid- 19 continues. The chancellor gave motivational speech to encourage the students. The program also included various activities such as guest speakers, presentations and poetry contests.

School of Law, Sushant University celebrated 71st Constitution Day on 26 November 2020 virtually. The programme began with the presentation by the students showcasing their knowledge on the

evolution of law covering common law system, ancient legal system, and development in Muslim law to the contemporary phase. After the presentation, the students and faculties of Sushant University took an oath along with the President of India to uphold the dignity of the Constitution of India in all times and adhere to the values enshrined in the Preamble of the Constitution of India.

This was followed by the Investiture Ceremony where the students took oath and pledged to work for their respective committees such as Moot Court Committee, Cultural Committee, Indian Youth Committee, Internship and Recruitment Committee, Sports Committee and Sushant Legal Aid Clinic and represent our school in various co-curricular and extra-curricular activities not only at the university level but outside the university as well.

Indian Youth Committee organised a Research Colloquium on “A tribute to Justice P.N. Bhagwati – A Judge as a Philosopher” followed by the debate on ‘Media behind Bars – Is it violation of Freedom of Press?’, where the participants enthusiastically spoke both in favour of and against the motion.

The programme was concluded with the Guest Lecture on ‘Significance on Constitutional Law in Supreme Court Practice’ by Swanendu Chatterjee. Advocate on Record, Supreme Court of India, Managing Associate, L & L Partners. This was an informative and insightful lecture for the students of law.

School of Law received lot of creative entries for the poster making competition on the theme ‘We the People of India’ where Vinayak and Shareen won the first and the second prize respectively, announced by Prof. (Dr.) Kanu Priya, Dean, School of Law Sushant University. She encouraged the students to participate more in such co-curricular and extra-curricular activities.

f t i n

On 13th January 2021, School of Law, Sushant University organised the Lohri event , which was probably done with a different look from the previous years due to covid-19 pandemic. The spirit of Lohri resonated through the corridors of our college this year, albeit with a unique twist.

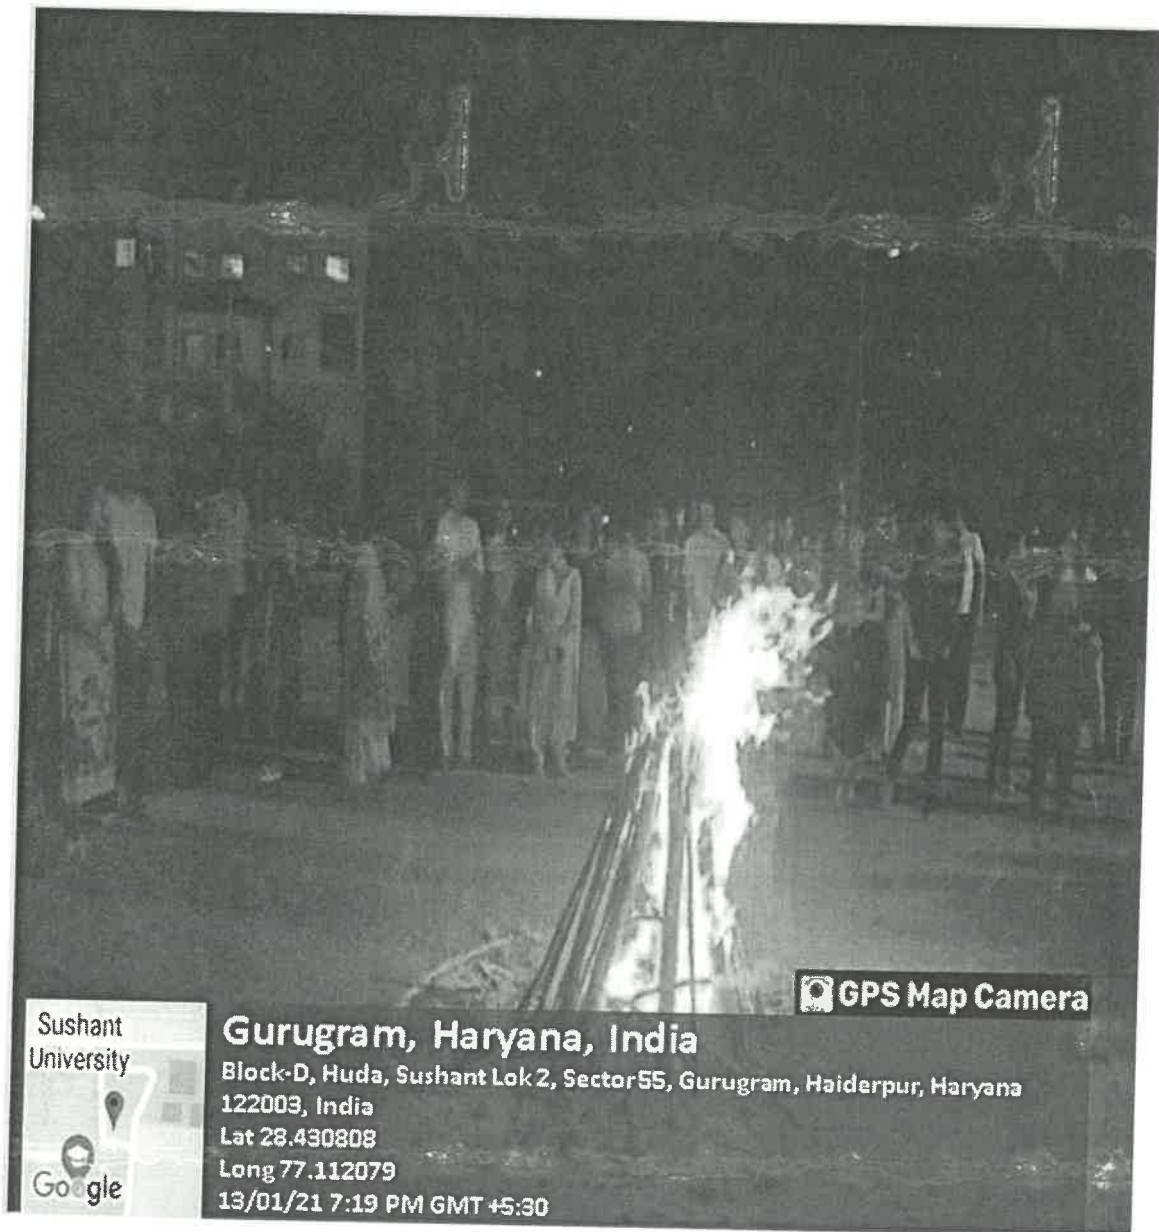

Despite the challenges posed by the ongoing pandemic, our college community came together to celebrate this vibrant festival while adhering to strict safety protocols. Therefore, students wore a mask and maintained social distancing while enjoying the Lohri bonfire. They wore traditional dresses, prepared Lohri delicacies, made offerings to the bonfire as everyone danced around it to popular folk music, and enjoyed the warmth and togetherness. Students and faculty alike joined in the festivities, albeit in smaller groups, ensuring a joyous yet responsible celebration. As participants exchanged heartfelt wishes and blessings, the spirit of Lohri was palpable, enveloping everyone in a sense of warmth and goodwill. From traditional performances to modern interpretations, each act contributed to the tapestry of culture and creativity that defined the Lohri celebration at Sushant University.

In the end, the Lohri celebration was more than just a festive gathering; it was a reflection of the university's commitment to fostering a sense of belonging and pride in its cultural heritage. It was a celebration of unity, diversity, and cherished traditions, uniting hearts and souls in a joyous embrace of the spirit of Lohri.

Earth Day 22nd April 2021
Report

Our planet is an amazing place, but it needs our help to thrive! That's why each year on April 21 more than a billion people celebrate Earth Day to protect the planet from things like pollution and deforestation. By taking part in activities like picking up litter and planting trees, we are making our world a happier, healthier place to live.

The School of Engineering and Technology celebrated Earth Day by hosting a National Level Poster Competition starting from 15th April 2021.

The competition has received good participation of students. The main aim was to increase SET Social media presence. The winner was announced on 22nd April on the Earth Day and given an Amazon voucher worth Rs. 500.

INTERNATIONAL YOGA DAY

SUSHANT UNIVERSITY

Sushant
University
Erstwhile Ansal University Gurugram

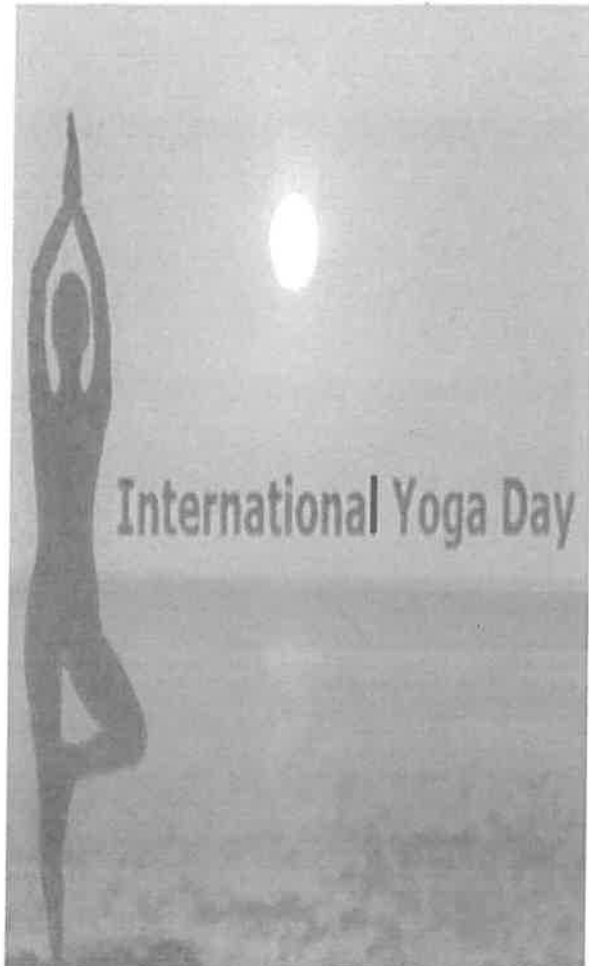

The School of Law, Sushant University on 21st June 2021, celebrated International Yoga Day in a grand manner, with students and faculty coming together to participate in various yoga activities. The day began with a special assembly, where the significance of yoga and its positive impact on health and well-being were discussed. A short skit was played highlighting the importance of yoga in our daily lives. The students and Professors were then led through a guided meditation session, which helped everyone to relax and prepare for the yoga activities that followed.

The University had arranged for certified yoga instructors to lead the sessions, ensuring that everyone received proper guidance and instruction. The sessions included a variety of yoga poses, breathing exercises, and relaxation techniques, catering to students of all ages and abilities. It was heartwarming to see students of all backgrounds and abilities coming together to practice yoga and support each other in their journey towards health and wellness.

Overall, the International Yoga Day celebrations at the University were a resounding success. The event brought the school community together in a spirit of unity and wellness, and it helped to spread awareness about the incredible benefits of yoga. It was a day filled with joy, inspiration, and a sense of fulfillment, and it served as a powerful reminder of the transformative power of yoga in our lives. We were grateful to have been a part of such a meaningful and uplifting celebration, and we look forward to continuing our journey with yoga in the years to come.

Gender Sensitisation Training Workshop VEHEMES -2021

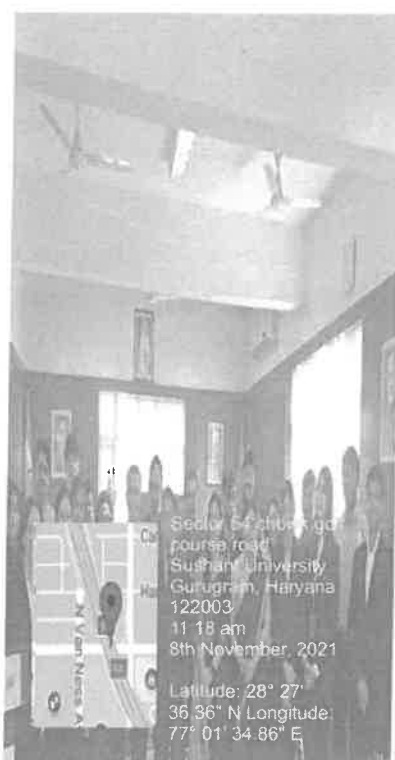

School Of Law

On 8th November 2021 , Sushant University's school of law organized a gender sensitisation training workshop. The theme of this event was "Her Voice, Her Strength". All faculty and student participated in the event with enthusiasm .

It is important for people to that The term violence against women means any act of gender based violence that results in, or is likely to result in, physical, sexual or psychological harm or whether occurring in public or private life.

The main focus of event was 'the discrimination and violence faced by women'. Various activities were conducted such as declamation, presentation ,debate and poster making competition engaging all students along with faculty.

Venue: Moot Court Hall, School of Law, Sushant University

FACULTY COORDINATORS

Dr. Sulakshana Banerjee
Assistant Professor,
School of Law, Sushant University

Ms. Kirty Lamba
Assistant Professor,
School of Law, Sushant University

School of Law, Sushant University organized 'Constitution Day' by unifying the various activities and events for the students on November 26, 2021. Constitution Day, also known as '**Samvidhan Divas**' is celebrated in our country on November 26 every year to commemorate the adoption of the Constitution of India on November 26 1949.

The event, **Ka'law'kriti** was organized by Dr. Sulakshana Banerjee Mukherjee, Associate Professor of Law at the Art Club at the University. The prompt was to paint on themes related to the Constitution (for example, fundamental rights). Students, faculty, and staff colorfully expressed their perceptions, aspirations, and imaginations of what the Constitution means to each one of them. The participants in the event reflected on various themes of the constitution, such as democracy, freedom of speech, and various other rights that our constitution strives to provide.

This event helped us appreciate the use of artistic ways to understand, feel, and express constitutional values. The event saw good participation from the students and faculty across different courses. It provided an interactive space outside the classroom to form a wider sense of community that law schools aim to build.

**Description (min
250 to max 800
words)***

School of Law Sushant University, Gurugram organized an interactive webinar on the topic “Gender Mainstreaming in Higher Educational Institutions” on 22nd January, 2022. Dr. Sulakshana, Assistant Professor of Law host and executed the entire event very diligently. The session was enlightened by the benign presence of the Honourable Guest Prof. (Dr.) Vageshwari Deswal, Delhi University. She is an academican, author, feminist and routinely writes for the blog “Legally speaking” for the Times of India. In this webinar various issues of Gender inequality and the solution to it were discussed. Prof. (Dr.) Jagbir Singh Dahiya Dean, School of Law welcomed the Honourable Speaker and explained the Constitutional perspective of “Gender Mainstreaming”.

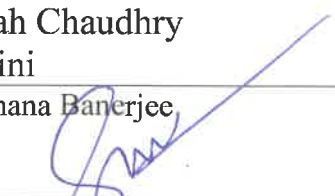

Dr. Deswal explained about the inception of “Gender Inequality” and the challenges faced in it. Though our Indian Social Reformers like Swami Vivekananda, Mahatma Gandhi fought and work a lot for Gender equality in India but unfortunately till date this issue is not properly resolved as “Gender Equality is a Human fight not a Female fight.”

The entire session was highly insightful and enlightening one. The session ended with thought-provoking question and answers round and it was coordinated by Ridhi Sharma student of BA LL.B. 3rd semester. Prof. (Dr.) Kanu Priya, Associate Dean, SOL conveyed vote of thanks and highly appreciated Dr. Sulakshana, Assistant Professor of Law for conducting such illuminating session.

Celebration of National Girl Child Day 2022 at Sushant University, Gurgaon

On January 24, 2022, Sushant University in Gurgaon celebrated National Girl Child Day with a vibrant and impactful event. The occasion was organized by the student to promote awareness about the rights and empowerment of girl children.

Event Highlights

Inaugural Session

The event commenced with an inaugural address by Dr. Piplani, the Dean of School of Design, who emphasized the ongoing need to support and empower girl children. Dr. Piplani highlighted the university's initiatives aimed at creating equal opportunities for girls in education and beyond.

Keynote Speaker

The keynote address was delivered by Dr. Brar, a renowned Teacher at University. Dr. Brar spoke passionately about "Empowering Girls for a Brighter Tomorrow," sharing inspiring stories of young girls

overcoming challenges and achieving their dreams. His speech was a call to action for all attendees to actively participate in promoting gender equality.

Interactive Workshops

The celebration featured several interactive workshops focusing on leadership, digital literacy, and self-defense. These sessions were conducted by experts and designed to build confidence and skills among girl students, preparing them to face future challenges confidently.

Conclusion

The National Girl Child Day celebration at Sushant University in 2022 was a resounding success, highlighting the importance of continuous support and opportunities for girl children. The event fostered a sense of community and commitment towards creating a more equitable society.

Description (min 250 to max 800 words)*

As the dawn breaks on the 73rd Republic Day of our beloved nation, Sushant University stands as a beacon of unity, diversity, and progress. Today, amidst the fluttering tricolor flags and the resonating strains of the national anthem, we come together as a community to commemorate the ideals that bind us as Indians.

The journey of our nation, since its inception, has been one of resilience and fortitude. From the sacrifices of our freedom fighters to the strides we've made in various fields, every milestone reflects the indomitable spirit of India. As we gather here today, we pay homage to those who laid down their lives for the cause of independence and reaffirm our commitment to upholding the principles of justice, liberty, equality, and fraternity.

At Sushant University, we take pride in our diversity, which mirrors the rich tapestry of our nation. Our campus is a microcosm of India, where students from different states, cultures, and backgrounds come together to pursue knowledge and excellence. It is this diversity that enriches our academic discourse, fosters

	<p>understanding, and nurtures empathy among our future leaders.</p> <p>On this auspicious occasion, let us reflect on the progress we've made as a nation and the challenges that lie ahead. As we celebrate our achievements, we must also rededicate ourselves to the task of nation-building. Whether it's in the fields of science, technology, arts, or humanities, each one of us has a role to play in shaping the destiny of our country.</p> <p>As we unfurl the tricolor flag today, let it serve as a reminder of our shared heritage and the responsibilities that come with it. Let us pledge to be responsible citizens, to uphold the principles of democracy, and to contribute towards the greater good of society. Let us embrace our differences and celebrate our unity, for it is in unity that we find strength.</p> <p>Today, as we mark the 73rd Republic Day, let us also honor the frontline workers who have selflessly served the nation, especially during these challenging times. Their dedication and sacrifice remind us of the resilience of the human spirit and inspire us to strive for a better tomorrow.</p> <p>In conclusion, as we come together to celebrate the 73rd Republic Day at Sushant University, let us cherish the values that define us as Indians – unity, diversity, and progress. Let us march forward with confidence, knowing that the future of our nation lies in our hands. Jai Hind!</p>

Two days Workshop on Teaching & Learning in 21st Century

Date of Event:-4th and 5th February 2022

School of Engineering Technology Sushant University organised two days workshop for school educators on the theme “**Teaching and Learning in 21st Century**” with the objective to discuss the emerging areas that can prove to be major catalysts in the transformation of education in India and abroad.

The key note speakers for the first day of workshop was Dr. DNS Kumar, Vice Chancellor, Sushant University, who built awareness about National Education Policy for senior secondary to the educators. The programme started with an opening remark delivered by Dr. Alpana Jijja, Assistant Professor, School of Engineering Technology Sushant University. After that our session expert Mr. Manish Pathak, CEO, Maths Planet shared their knowledge pertaining to real world applications of Mathematics in everyday life that enriched all the participants who are working in this field as well as those who are beginning to work in this field.

On 5th February 2022, Our Expert Mr. Sasi Gopal Menon, Dean School of Design, Sushant University emphasized on the topic Creative thinking in education, that motivated our all dynamic educators. In the last our session expert Mr Pradyumn Khanchandani focused on cyber security awareness to develop each participants of this program technically in societal transformation.

BLOOD DONATION

DATE - 11 FEB, 2022

Blood Donation

Date: 11th February 2022

Venue: Sushant University

Nothing is comparable to the preciousness of human blood.

In spite of so many innovations and discoveries in medical science, there is no laboratory that manufactures blood. It can only be found in the human body.

Blood donation is the only way of accumulating blood at safe storage to meet emergency requirements.

Rotaract Club of Sushant University organized a blood donation camp in collaboration with Lions Blood Bank where we raised around 95 units of blood. I was a part of this drive as a volunteer.

Organising this made me realise how important it is for us to donate blood and do our part towards the community

"Donate blood because you never know how valuable it can be to someone"

Manimala

Description (min 250 to max 800 words)*

It was with this thought in mind that the Vatel Hotel and Tourism Business School organised International Women's day with the theme Break-

	<p>The-Bias, wherein the students – mostly girl students, clad in the best of their attire, put up stalls of eateries and of their merchandise either created by themselves or procured by them from artisans. The stalls consisted of Indian street food, best of oriental delicacies, marvels of Indian cuisine, bakes and desserts, besides having stalls of ladies' interest – jewellery, fashion accessories and photo shoots. All these stalls were the result of a direct endeavour of the students either in consultation with the renowned, celebrated chefs or out of their own ingenuity.</p>

BOOK DONATION

DATE - 22 March , 2022

Book Donation

Date: 22nd March 2022

Venue: Dream Girl Foundation , Gurgaon

The importance of education cannot be overestimated, as it is the key to a bright and successful future. All children deserve a chance to get a quality education, as it is the best way for them to realize their true potential.

The poor in the developing world and those stranded in refugee camps across the world know what they want for their children. Almost all of them recognize that a good education is key to providing a better future for their children and improving their own quality of life.

Keeping this in mind we as the new generation took an initiative of donating notebooks to underprivileged kids at dream girl foundation through Rotaract Club of Sushant university. We then spent time with the children there.

Visiting them and seeing their smiles made me realise that how much these small gesture means to these kids and how satisfied you feel after doing something for others.

“Education is the movement from darkness to light”

<p>(Geotag) Photograph-2</p>	 
<p>Description (min 250 to max 800 words)*</p>	<p>World Optometry Day is celebrated on March 23rd every year worldwide to create awareness about Primary eye care and the role of Optometrists in health care.</p> <p>Optometry is primary health care professions in eye care .They are trained specialists in</p>

role of Optometrists in health care.

Optometry is primary health care professions in eye care .They are trained specialists in examining the eyes, diagnosing diseases, prescribing the latest and appropriate spectacles; Contact Lenses, Low Vision devices (magnifiers, telescopes) and eye exercises in the form vision therapies.

Along with these roles they also involve in public health care activities like School Vision Screening programmes and Cataract screening programmes for elderly population.

Our theme nationwide for World Optometry Day" was " General eye health", " myopia control, and " Role of Optometry" .All activities were based on the same theme for three days .

First day ,We had Ms Lakshmi Shinde. Executive Manager of Global Education IACLE as our chief guest for the event. She gave lecture about future of optometry in India and its progressive aspects towards career growth both in hospital and corporate sectors. Contact lens & IACLE (international Association of Contact Lens Educators) resources were discussed in detail and they are easily accessible to the students were was explained by her clearly. The guest had visited our clinic where the

	<p>posters done by our optometry students were displayed and top three best posters were selected as winners . This event was very energising ,informative and all salient features were highlighted well . The program was bound up with a vote of thanks by the Ms. Shenbagam- Programme Coordinator –Department of optometry.</p>

**FUNDRAISER FOR CANCER
PATIENT**

DATE - 28 APRIL, 2022

Fundraiser for Cancer Patient

Date: 28th April 2022

Venue: Sushant University, Gurgaon

Cancer is a leading cause of death Today, however, most childhood blood cancer patients can expect to have full and productive lives.

Razi is a 7-year-old boy suffering from a chronic illness of Blood cancer. He comes from a poverty-stricken family and the total expense of the treatment is 15 lakhs, which has fallen like a mountain on this poor family.

Since November, Razi's treatment had been going on in Sir Ganga Ram Hospital, New Delhi. The family was facing the most challenging time emotionally and also financially.

So we(Rotaract Club) came forward to help them raise funds for him. We went to each and every classroom and asked for donations and fortunately people donated willingly.

His one chemotherapy costs around Rs 45,000. We were able to raise Rs 50,000+ through which we were able to fund his one chemotherapy and other expenses.

"Giving to those in need will bring more joy than money could ever buy."

FUNDRAISER

PROJECT RAAZI

ROTARACT CLUB OF SUSHANT UNIVERSITY
Donated 50,000 rupees for a 7-year-old boy suffering from blood cancer.

rotaractofsu

rotaractofsu "Giving is not just about make a donation, it's about making a difference."
Rotaract Club of Sushant University donated 50,000 rupees for child suffering from Blood Cancer.

CHABBEL SEVA

DATE - 16 MAY , 2022

Chabeel Seva

Date: 16th May ,2022

Venue: Huda City Centre Metro Station, Gurgaon

It's quite hot during the summer, and we are constantly thirsty. We (Rotaract Club) set up a Chabeel Seva Stall outside the Huda City Center Metro Station for two hours and gave Roohafza infused milk to everyone who stopped by.

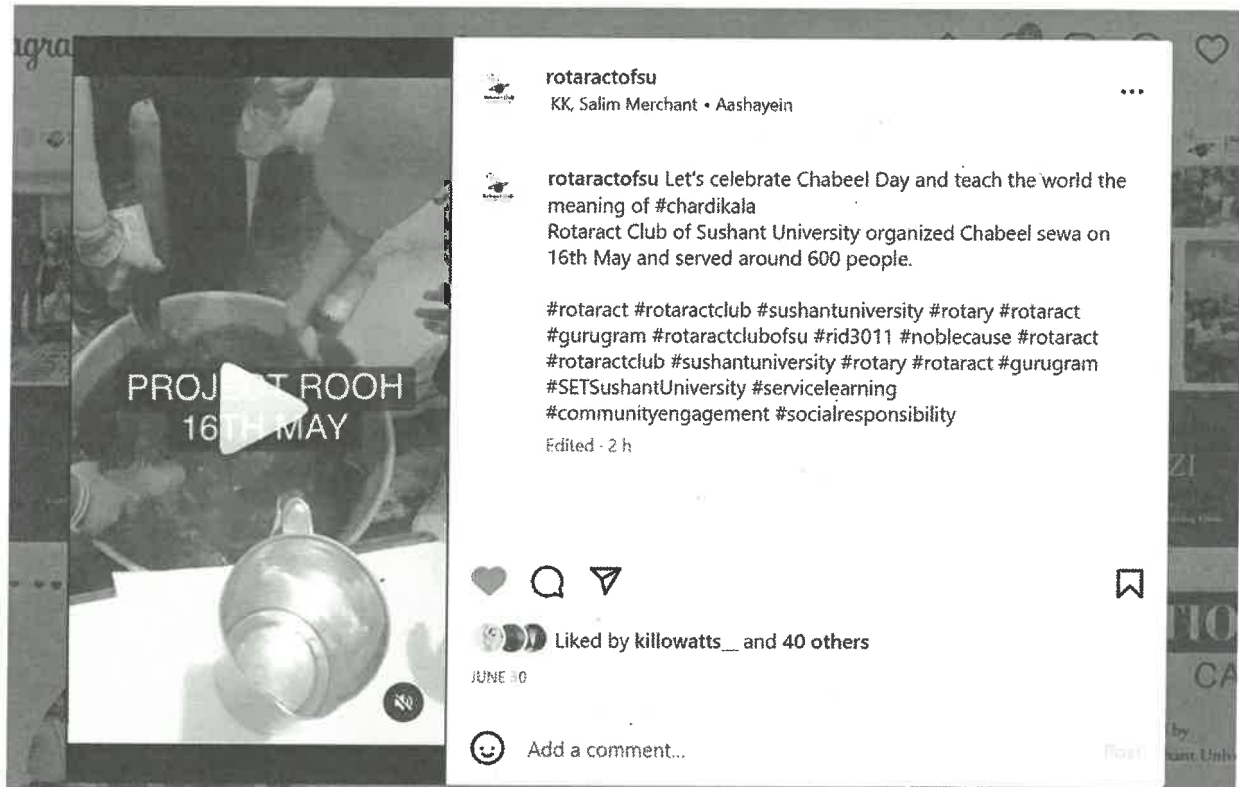

We served over 700+ people with drinks. The goal of this event was to relieve the thirst of people working in the blistering heat by providing them with this drink.

We received a lot of praise from the attendees because no one generally sets up these stalls there, and we did.

This event gave me a feeling of satisfaction and inculcated the value of community service in me.

“A kind gesture can reach a wound that only compassion can heal.”

Description (min 250 to max 800 words)*

On May 26-27, 2022, Sushant University observed International Myopia Week with focused events aimed at increasing awareness about myopia and promoting strategies for its prevention and management. The two-day program brought together students, faculty, eye care professionals, and the community to address the rising concern of myopia, particularly among children and young adults.

The event commenced with an opening session that underscored the significance of International Myopia Week and the pressing need to combat the global increase in myopia cases. A detailed presentation highlighted the alarming rise in myopia prevalence, especially in urban areas where lifestyle factors like increased screen time and reduced outdoor activities play a significant role.

Day one featured a series of informative seminars that covered various aspects of myopia, including its causes, symptoms, and long-term effects. Eye care professionals presented the latest research and developments in myopia management,

discussing both traditional and innovative treatment options. Topics included the use of corrective lenses, orthokeratology (night-time contact lenses), and pharmacological interventions such as atropine eye drops. Interactive workshops provided practical guidance on eye health and myopia prevention. Participants engaged in discussions about healthy visual habits, the importance of regular eye examinations, and techniques to reduce eye strain. Attendees learned about the benefits of outdoor activities and received tips on balancing screen time with breaks to protect their eyesight. The second day focused on community engagement and proactive health measures. Comprehensive eye screenings were offered to students and staff, facilitating early detection of myopia and other vision issues. Educational booths were set up around the campus, distributing pamphlets and demonstrating eye exercises designed to alleviate digital eye strain. A panel discussion featuring eye care experts explored future trends in myopia management and the role of technology in early diagnosis and treatment. The discussion emphasized the importance of a multi-faceted approach to tackling myopia, combining clinical interventions with public health strategies. The event concluded with a summary of key insights and a call to action for sustained efforts in eye health education. The two-day observation of International Myopia Week at Sushant University successfully raised awareness, provided valuable resources, and reinforced the commitment to addressing myopia through education, prevention, and community involvement.

<p>Description (min 250 to max 800 words)*</p>	<p>Sushant University organized a plethora of activities for students of all ages ranging from asanas, pranayam to Suryanamaskar. Vrikshasana, Parvatasana, Padmasana, Vajrasana were the asanas, to name a few, performed on the occasion. The main attraction of the day was the performance of Suryanamaskar in which coordination of body and mind is very important. To commemorate this special day, the school organized various activities and sessions aimed at promoting the physical, mental, and spiritual well-being of our school community. The University had arranged for a slide-show highlighting the importance of yoga in a Student's life. The yoga coordinators shares, "Yoga nurtures the healthy mind in every child. The role of yoga therefore, becomes significantly important."</p> <p>The Dean of the School of Law, in his inaugural address opined, "Yoga, an ancient Art and Science of health and harmony have vast potential for physical, mental, emotional, social and spiritual health of every human being. The college going convergent centers can play a path breaking role in the growth and development of the nation. The students especially felt that yoga and meditation help them in not only coordinating their body and mind but also in enhancing their concentration power. The school once again witnessed an unprecedented support from the parents for this event too. The day came to conclusion with the recitation of Shantimantra and the students and teachers carrying home the message that,</p> <p>"Yoga is not for only one – it's for everyone, Yoga is not for a day- it's for everyday."</p>

CIGRETTE BUTTS
COLLECTION

DATE - 10 July, 2022

Cigarette Butts Collection

Date: 10th July ,2022

Venue: Connaught Place

Cigarette butts are the most common form of litter, as an estimated 4.5 trillion cigarette butts are thrown away every year worldwide. Many chemical products are used during the course of growing tobacco and manufacturing cigarettes, the residues of which may be found in cigarettes prepared for consumption.

These tiny toxic butts also cause significant harm to our water sources. It is not uncommon for field researchers to find cigarette butts inside of dead sea birds, sea turtles, fish and dolphins.

Like all litter, cigarette butts require labour intensive work to be removed from the environment. In order to do our part in cleaning the environment we decided to do cigarette butts collection on 10th July in Connaught place. The collected waste was then sent to initiatives which recycle cigarette butts.

"Take care of the Earth and she will take care of you"

Yudham-Cigarette Butts Collection

Date - Sunday, 10th of July, 2022

CHABBEL SEVA

DATE - 11 July, 2022

Chabeel Seva

Date: 11th July ,2022

Venue: Janakpuri

After the first chabeel seva , we got an opportunity to volunteer in a chabeel seva event which was at a much larger scale. This time it was conducted in Janakpuri.

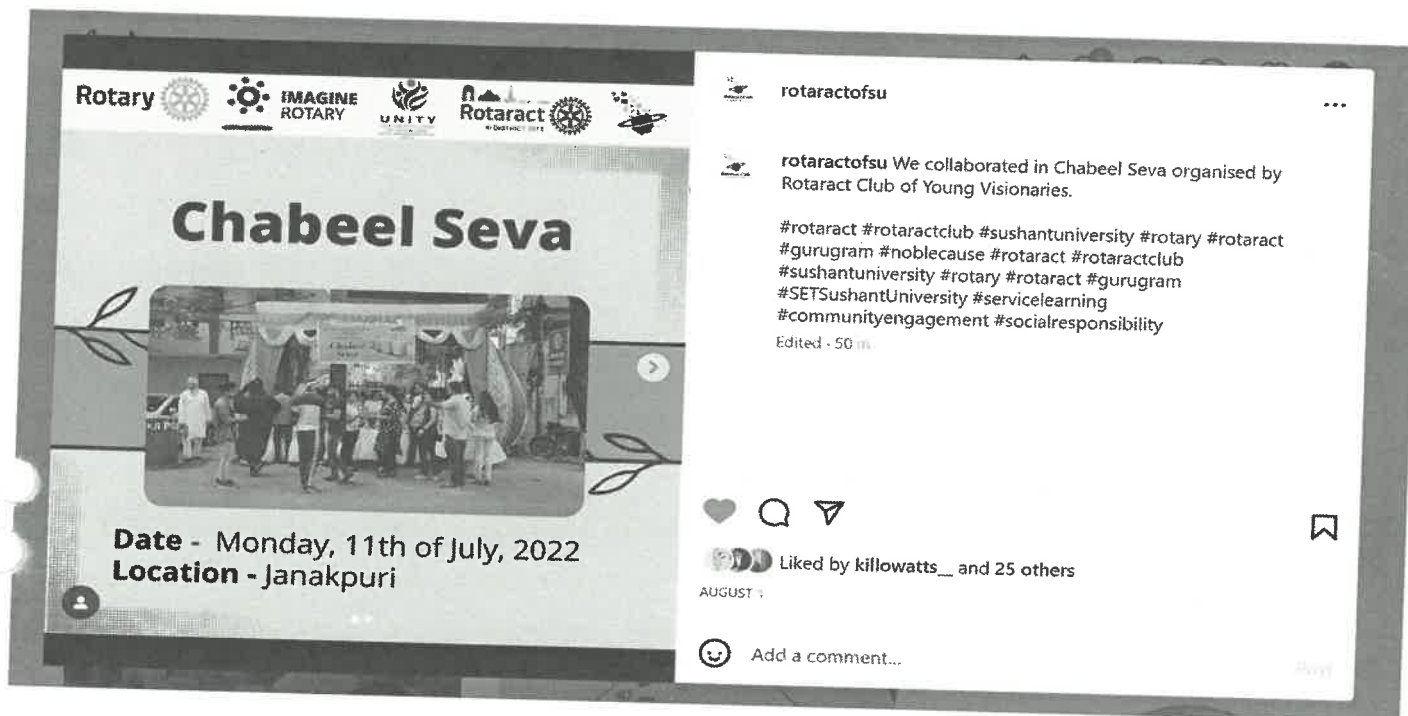

The aim of the event was to serve over 1000+ people but instead we served over 2000+ people for 3-4 hours with constantly getting extra resources.

It even started raining during the event but it didn't stop us from completing our duty and we continued preparing the drinks and serving them.

The satisfaction and the smile on people's faces was worth all the hard work we put into the event.

"There is nothing more beautiful than someone who goes out of their way to make life beautiful for others."

TIME TO GIVE BACK

HELP US BUILD OUR COMMUNITY AT
THE GRASSROOTS

20 July 2022

Plantation Drive

Date: 20th July ,2022

Venue: Sushant University

The tree is the key to a pollution-free environment for a long time because they are responsible for providing oxygen, improving the quality of air, climate amelioration, conserving water, soil preservation, and supporting wildlife.

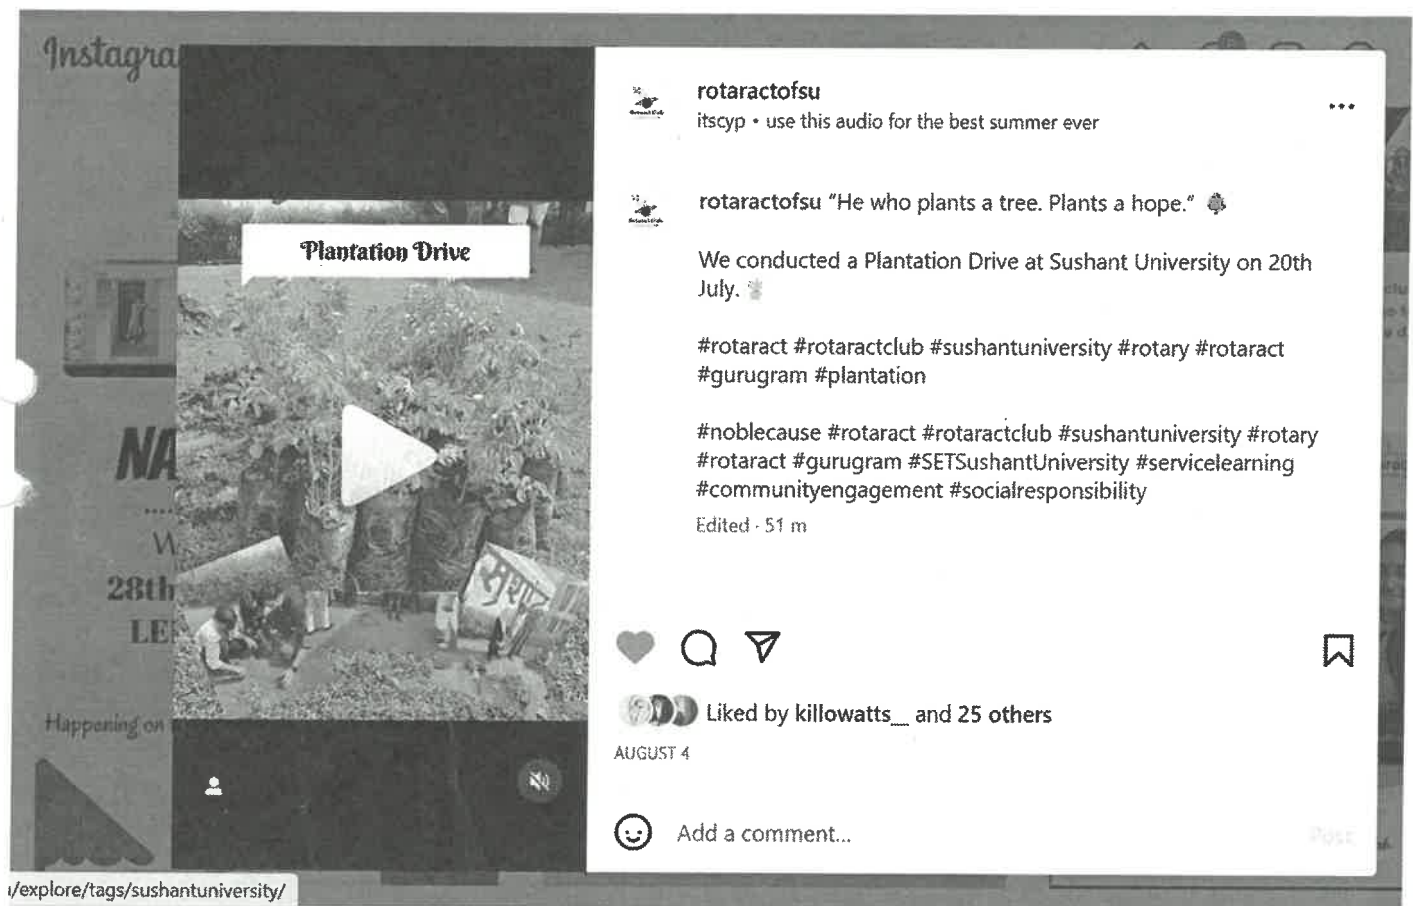

Due to all these reasons, tree plantation has become necessary in the present scenario as pollution is at a peak.

Tree plantation is the only way to control pollution to some extent.

Keeping this in mind, we organised a plantation drive through Rotaract Club of Sushant University where we planted **40+ saplings** across the university to make it more greener and pleasant to live in.

"Trees are poems that earth writes upon the sky, we fell them down and turn them into paper, That we may record our emptiness."

Description (min 250 to max 800 words)*	On 15th August 2022, Sushant University's School of Law organized a seminar on the occasion of our 76th Independence Day. The theme of the event was Azadi ka Amrit Mahotsav. The theme focuses on India journey towards development and prosperity over the past 75 years. Everyone gathered for flag hoisting, national anthem and March pass. Later everyone moved towards the moot court of the school of law for the seminar regarding development and achievements over the years and a Q&A session. All students as well as faculty members participated in the event with great enthusiasm.

Description (min 250 to max 800 words)*

Teachers' Day 2022 at the School of Design, Sushant University, was a splendid occasion marked by creativity, appreciation, and a heartfelt reunion of the academic community. After the disruptions caused by the pandemic, this celebration symbolized a return to normalcy and a renewal of the bonds between students and teachers.

Preparation and Decor

In the weeks leading up to Teachers' Day, students were abuzz with excitement and enthusiasm, meticulously planning the celebration. They wanted to make this day special for their mentors, who had guided them through the challenging times of remote learning. The venue was transformed into a vibrant space with colourful decorations, including handmade posters, floral arrangements, and intricate rangoli designs at the entrance, showcasing the artistic talents of the students.

Warm Welcome

The day began with students warmly welcoming their teachers at the entrance. Each teacher was greeted with a traditional 'tilak' ceremony and presented with a small bouquet of flowers. This gesture of respect and gratitude set a positive tone for the day. Teachers were visibly touched by the effort and thoughtfulness of their students.

Opening Speech and Tributes

The formal part of the celebration kicked off with an opening speech by the head of the department. She expressed deep gratitude to the faculty for their dedication and resilience, particularly highlighting their efforts during the pandemic. She emphasized the importance of teachers in shaping the future of their students and thanked them for their unwavering commitment.

Following this, several students took to the stage to share their experiences and express their gratitude. Each speech was a heartfelt tribute, filled with personal anecdotes that highlighted the impact their teachers had on their lives. One student shared a touching story of how a teacher's encouragement helped them through a difficult period, while another spoke about the life lessons learned beyond the classroom. These tributes were a testament to the profound influence teachers have on their students.

Cultural Performances

A series of cultural performances added a vibrant and entertaining dimension to the celebration. Students showcased their talents through dance, music, and drama. The performances were a blend of traditional and contemporary styles, reflecting the diverse cultural heritage and creative spirit of the School of Design.

Interactive Activities and Games

To foster a sense of camaraderie and fun, the celebration included several interactive games and activities. One popular game was "Guess the Teacher," where students had to identify teachers from their childhood photos. This game brought much laughter and light-hearted moments, strengthening the bond between students and teachers.

Another engaging activity was a quick design challenge. Teams comprising students and teachers were tasked with creating a design within a limited time. This activity not only showcased their creativity but also encouraged teamwork and collaboration, embodying the spirit of the School of Design.

Felicitations Ceremony

The highlight of the day was the felicitations ceremony. Students presented their teachers with personalized gifts and handwritten notes, expressing their heartfelt appreciation. Each gift was thoughtfully chosen to reflect the personality and interests of the teacher. The teachers were deeply moved by this gesture, and many were seen exchanging warm hugs and words of thanks with their students.

Conclusion

The Teachers' Day celebration at the School of Design, Sushant University, in 2022 was a resounding success. It was a day filled with joy, gratitude, and a renewed sense of community. The event not only honoured the contributions of the teachers but also strengthened the bonds between students and faculty. It was a perfect blend of tradition and innovation, mirroring the ethos of the School of Design. The memories created on this day will be cherished by everyone involved, marking it as a truly special occasion.

Description (min 250 to max 800 words)*

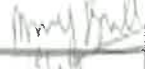

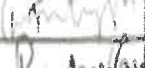

To celebrate and empower the importance of housekeeping, the students of VHTBS visited the Bhondsi village and spread awareness about the importance of cleanliness, hygiene, and sanitation by performing and conveying the message through Nukkad Natak. The students conveyed a very strong message regarding the importance of hygiene in our day to day life and how inculcating this habit can

	creates a better atmosphere in the village. The students not only performed the natak but also cleaned the village along with the villagers .

WORLD TOURISM DAY

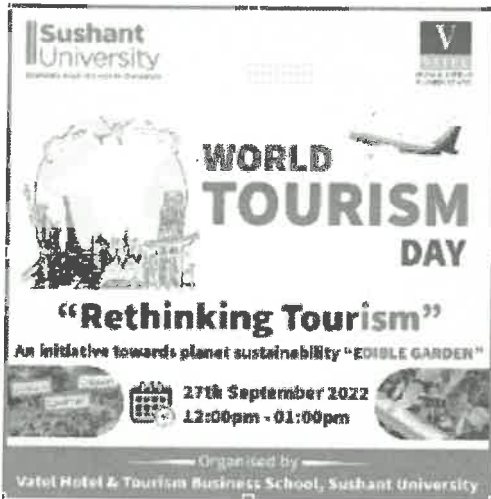

DATE - 27 September, 2022

Title - World Tourism Day

Date -27 September -2022

Poster -

Description -

The world celebrates September 27th as the World Tourism Day. Despite the tourism sector having faced an acute recession due to Covid over the last two years, one can now see almost all the sectors springing back into business, thereby re-energizing tourism in a big way, which is once again spreading its wings far and wide...The tourism sector gives opportunities of employment to small and big business and to millions of people and stands to be one of the biggest foreign exchange earners for all economies of the world. Revenge Tourism, as some of the experts have coined this era will, now that we are at the threshold of the tourist season, see a great influx of tourists from abroad and will give an unprecedented fillip to the domestic tourism, conferences, conventions, meetings and exhibitions. The Vatel Hotel & Tourism Business School commemorated this important day in a unique way, by dedicating itself towards conserving the environment by way of creating an EDIBLE GARDEN. Students of First Year, who have recently joined the BHM Programme, took a lot of interest in first understanding the significance of the tourism Day and in coming to terms with the importance of conservation of environment, that is to Reduce, Reuse and Recycle. The

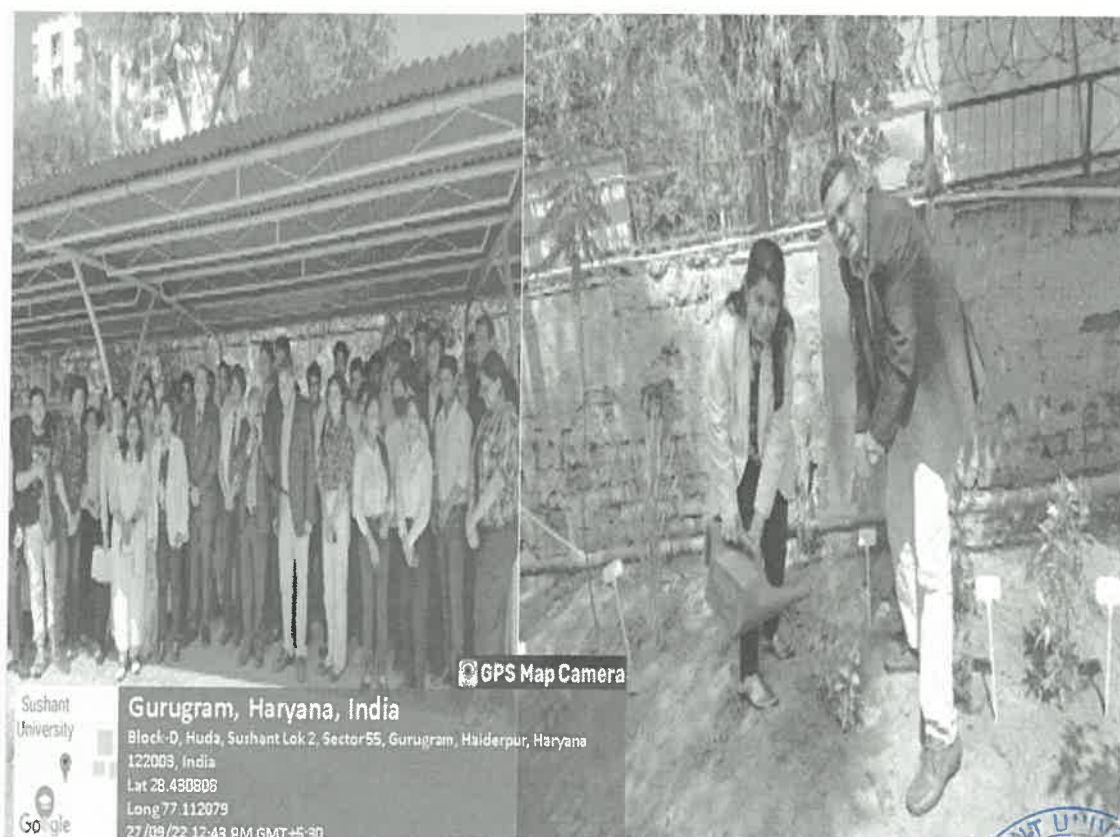

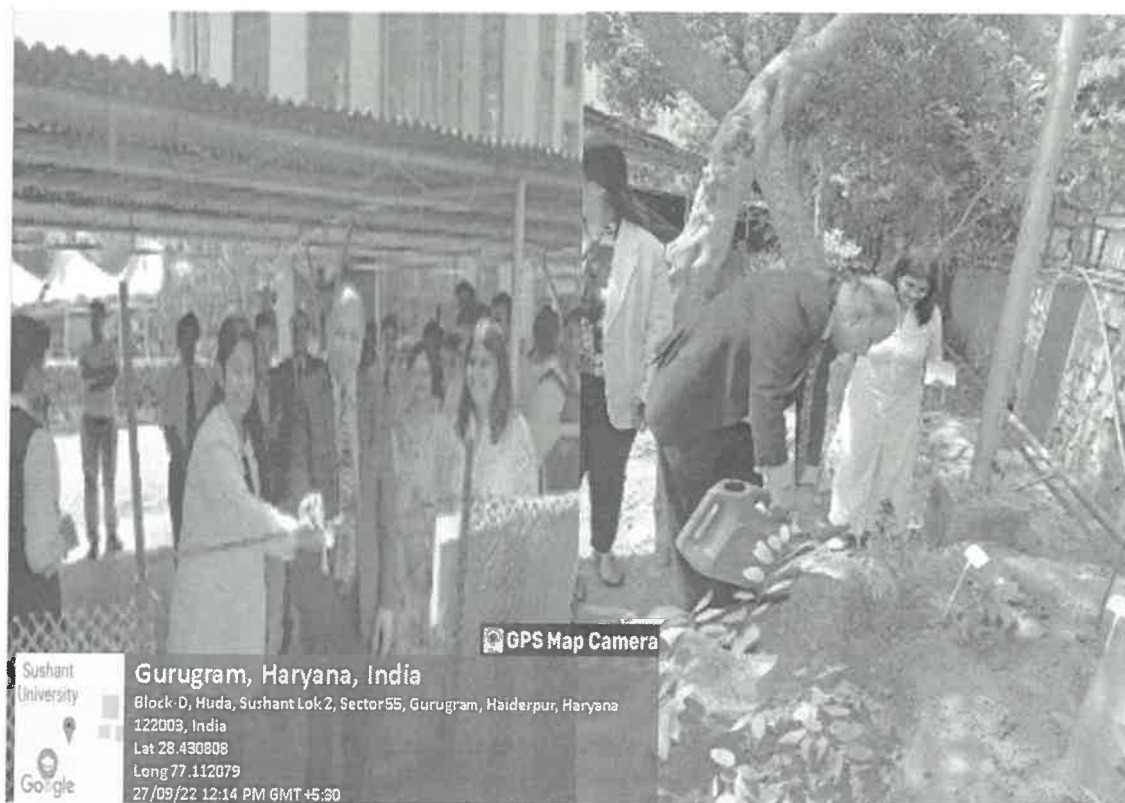

saplings they planted were of Cuphea, Thai basil, chilly, coriander, carom, lemongrass, mint and guava. The end products of these plants will be used in the college kitchen practical classes and the students will also be induced to create their own mini garden for their own, domestic kitchens at home.

Dr. Sanjeev Sharma, Pro-Vice Chancellor and Registrar of Sushant University inaugurated the Edible Garden and Dr. Jyoti Sinha, hear of the School of Pharmacy, Sushant University planted a few saplings. "I am happy to see the interest our young generation has towards the fine art of tourism and the awareness that they are creating towards making our planet green, clean and unpolluted, which stands to be the need of the hour" said Dr. Sanjeev Sharma. Ms. Chandana Paul & Ms. Aashiyan Assistant Professor of the college worked closely with the students to procure the saplings and helped them organize a small speech about the theme of the event and the expression of gratitude towards the University for providing an area, permanently earmarked for such, environment-oriented activities.

Description (min 250 to max 800 words)*

REPORT: Department of Cardiovascular technology from School of Health Sciences of Sushant University successfully organised a two day event on “World Heart Day” by Miss.Kanika Bhardwaj. She is currently an assistant professor in Sushant University.

The event was celebrated in two days, which were 29th and 30th September. On the 29th of September there were a poster making competition between all the departments of Health sciences and was successful as the total of 10 groups were participated and enjoyed the event. The judges for that competition were Mr.Usman Khan, and Ms.Kanika Bhardwaj. On the 30th of September the event was started from sharp 9 O'clock and was continued till 3pm. This day the event was divided into two parts – ‘The Zumba’ whose participants were all the faculties of Health sciences and ‘The main event’ which was celebrated in the Auditorium. The guests of the event were Vice Chancellor, Registrar, Dean SHS and Principal of Pharmacy. The main event was started with ‘Lamp Lightening’ followed by Saraswati Vanda, informative skit, dances, singing and many more.

There were a lots of competitions on that day like push-up challenges, dance competition and many more, several students from all the schools were participated for the same. The judges for those competitions were Dr. Shaily and Miss Shweta. The event was ended by the prize distribution to those participants who won the audiences and judges' heart. The moderation of the event and vote of thanks done by Miss Kanika Bhardwaj.

Description (min 250 to max 800 words)*

World Bread Day is celebrated the world over during the month of October every year. This special day which is dedicated to the staple food comprising of different breads has been of immense importance around the world since the dawn of agriculture...

Bread is the main staple food in the Middle East, North Africa and Europe, whereas rice is the staple in East Asia. It is usually made from wheat, but bread can be also made from other cereals, like rye, barley, oats, maize, rice, millet, and sorghum. In many cuisines, there are traditional bread recipes that have been passed down from generation to generation.

**Description (min
250 to max 800
words)***

The School of Law and Gender Sensitization Cell have organized a Guest Lecture on the topic 'Combating Gender Stereotypes and the importance of Gender Sensitization at Workplaces'. The main aim of this Guest Lecture was to spread awareness relating to Gender Equality and to state the importance of Gender Sensitization at workplaces. The event was organised by Assistant Professor Dr. Sulakshana Banerjee Mukherjee. She explained explicitly the difference between "sex" and "gender", the very meaning of Gender Sensitization, its objectives and also the significance of gender sensitization at workplaces. The session was further addressed by Dean School of Law, Prof (Dr.) Jagbir Singh Dahiya who clearly narrated the constitutional aspects and different noteworthy case laws related to it. Another Speaker, Prof Amit Kumar Singh Assistant

	perspective. Overall students achieved vast thought from the discussion. All total 27 students participated in this insightful session along with faculty members of different schools. The event was concluded by a mesmerizing vote of thanks by Dr.Sulakshana. The entire event was nicely anchored by Dakshita Sharma Katare and Ridhi Sharma .Other student coordinators of the event are Inderpreet Singh, Vrinda Gupta, Peehu Gupta and Khushi Vashisth. This event is an epoch making event as students gained in-depth knowledge and information from it.

Description (min 250 to max 800 words)*

The 74th Republic Day celebration at Sushant University was a vibrant and patriotic event, reflecting the institution's commitment to fostering national pride and unity among its community. The celebration was attended by students, faculty, and staff, who gathered to commemorate the day with a series of engaging activities.

The event commenced with the ceremonial hoisting of the national flag by a senior faculty member; accompanied by the national anthem. The flag hoisting ceremony was a solemn affair, symbolizing the respect and honor for the Indian Constitution and the sacrifices made by countless individuals to secure the nation's freedom. Following the flag hoisting, a series of speeches were delivered by distinguished guests and faculty members. The speeches highlighted the significance of Republic Day, emphasizing the importance of the Constitution in maintaining the democratic fabric of the nation. Speakers reminded the audience of their civic duties and encouraged them to contribute positively to the country's progress.

One of the key attractions of the celebration was a cultural program organized by the students. The program included a variety of performances such as traditional dances, patriotic songs, and a skit that depicted the historical events leading up to India's independence and the adoption of the Constitution. The cultural performances were a vibrant display of India's rich heritage and diversity, showcasing the talents and creativity of the students.

The event also featured a special tribute to the armed forces. A group of students presented a parade, marching in synchronized steps to patriotic tunes. This segment of the celebration aimed to honor the bravery and dedication of the Indian soldiers who safeguard the nation's sovereignty.

A notable aspect of this year's celebration was the focus on women empowerment. The program included performances and speeches that highlighted the significant contributions of women to India's development. The performances depicted the stories of prominent women leaders and freedom fighters, inspiring the audience with their tales of courage and determination.

In addition to the cultural and patriotic performances, the university organized various competitions and activities to engage the students. These included essay writing, poster making, and debates on themes related to patriotism and national unity. The competitions were designed to encourage students to reflect on the values enshrined in the Constitution and their role as responsible citizens.

The Vice-Chancellor of Sushant University also addressed the gathering, emphasizing the role of education in shaping informed and responsible citizens. He urged students to uphold the principles of the Constitution and to work towards building a better nation. His address was followed by the distribution of sweets, adding a festive touch to the celebration.

The celebration concluded with a group rendition of patriotic songs by the university's choir. The songs resonated with the spirit of the day, and the audience enthusiastically joined in, waving flags and singing along. The event successfully instilled a sense of pride and unity among the participants, leaving a lasting impression on everyone present.

	Overall, the 74th Republic Day celebration at Sushant University was a grand success. It not only commemorated the significance of the day but also reinforced the values of democracy, unity, and patriotism among the university community. The event served as a reminder of the responsibilities that come with freedom and the importance of contributing positively to the nation's development, encouraging everyone to work together towards a brighter future.

Description (min 250 to max 800 words)*

Let your eyes overcome the darkness of someone else's life. World Optometry Day is celebrated on March 23rd every year worldwide to create awareness about Primary eye care and the role of Optometrists in health care. On 23rd march 2023, the Department of Optometry, Sushant University hosted an event on "World Optometry Day" with a purpose of creating awareness of Optometry Profession, the roles & responsibilities in eye care. All the students and Faculties of Health sciences were gathered at Auditorium. The event

	<p>started at 2:00 pm. Dr. Rahul Sharma, Director, SHS has inaugurated the event.</p> <p>Various competitions in activities such as singing, dance, poster presentation are part of the events. Students did a skit to raise awareness about the significance of the eye health and role of optometrist. At the end, the results were announced, followed by the awarding prizes to the winners in the respective competitions. Thus the event came to an end with a vote of thanks. Students & faculty thoroughly enjoyed the event, students are eager to participate in many more such events in the future.</p> <p>Key Points</p> <ul style="list-style-type: none"> • Optometry • Vision • Rehabilitation

**Description (min
250 to max 800
words)***

On 15th August 2023, Sushant University's School of Law organized an event on the occasion of our 77th Independence Day. The theme of the event was Nation First, Always First. All students as well as faculty members participated in the event with great enthusiasm. Independence Day reminds us of the many sacrifices and struggles made by Indian freedom fighters to help the country gain freedom from the British Raj and why we must respect this independence. Today there is also a need for a sense of patriotism, the desire to serve the country and lead development. It also creates unity and responsibility among citizens. Everyone gathered for flag hoisting, national anthem and March pass. Later everyone moved towards the moot court of school of law for various activities which were such as guest lecture; competitions like presentation, poster making and debate and many other.

A legal awareness programme was organized on 4th September, 2023 at the School of Law, Sushant University in collaboration with the District Legal Services Authority, Gurugram. The honorable Speakers of the session were the eminent guest speakers from 'Parivartan- ek Prayas', an NGO based in Gurugram including Advocate Dharmvir Hindustani, who is the founder of the above NGO and has also been awarded as the Brand Ambassador of the District Legal Services Authority, Gurugram by DC, Gurugram Administration. He has been committed to the society since 2008 and has run multiple road safety and legal awareness programmes. Mrs. Sapna Hindustani, the trustee of the above NGO also created awareness by showing different slogans and videos to the students. The Guest Speakers talked at length about the road safety rules and enlightened the students about the same. They also enriched the student's knowledge about law and made them aware about contemporary legal issues per road safety. It was a resourceful session where the students actively participated, raised their queries and learnt about the nuances of road safety and law. The entire event was coordinated and planned by Dr Sulakshana Banerjee Assistant Professor of Law with the assistance of her student coordinators, Ridhi Sharma, Vrinda Gupta, Dakshita Sharma Katore and Himanshi Raghav. The programme ended by a wonderful vote of thanks by Dr Sulakshana.

Description (min 250 to max 800 words)*

Teachers' Day 2023 at the School of Design, Sushant University, was a remarkable event, brimming with joy, appreciation, and a deep sense of community. After the disruptions of previous years, the 2023 celebration was a reaffirmation of the strong

bonds between students and faculty, and it served as a testament to the resilience and spirit of the academic community.

Preparation and Atmosphere

The preparations for the event began well in advance, with students enthusiastically taking charge. The aim was to create an event that would truly honour and celebrate their teachers. The venue was tastefully decorated with vibrant colours and creative displays that showcased the artistic talents of the students. Handcrafted posters, intricate rangoli designs, and floral arrangements added to the festive atmosphere, transforming the space into a warm and welcoming environment.

Warm Welcome

As the teachers arrived, they were greeted with warm smiles and heartfelt gestures from the students. Each teacher received a small bouquet of flowers and a personalized card expressing gratitude. This gesture of respect and appreciation set a positive tone for the day and highlighted the students' sincere efforts to make their teachers feel special.

Opening Remarks and Tributes

The celebration officially commenced with an opening speech by the head of the Associate Dean. She spoke eloquently about the invaluable contributions of the teachers, highlighting their dedication, passion, and the pivotal role they play in shaping the future of their students. Her words resonated deeply with the audience, setting an inspirational tone for the event.

Following this, several students took to the stage to share their personal tributes. Each student recounted specific instances where their teachers had made a significant impact on their lives. One student shared a touching story of how a teacher's encouragement had helped them overcome personal challenges, while another spoke about the invaluable life lessons learned through their mentor's guidance. These heartfelt tributes underscored the deep respect and affection the students had for their teachers.

Cultural Performances

The cultural performances were a highlight of the celebration, showcasing the diverse talents of the students. The program included dance routines, musical performances, and dramatic skits, all designed to entertain and honour the teachers. The performances were a blend of traditional and contemporary styles, reflecting the rich cultural heritage and innovative spirit of the School of Design.

Felicitation Ceremony

A significant part of the celebration was the felicitation ceremony, where students presented their teachers with personalized gifts and handwritten notes. Each gift was thoughtfully chosen to reflect the personality and interests of the teacher. The teachers

were deeply moved by this gesture, and many were seen exchanging warm hugs and words of gratitude with their students.

Conclusion

The Teachers' Day celebration at the School of Design, Sushant University, in 2023 was a resounding success. It was a day filled with joy, gratitude, and a renewed sense of community. The event provided an opportunity to honor the teachers for their dedication and hard work, and it also reinforced the strong bonds between students and faculty. The photograph from the event, showing the faculty and students together, serves as a beautiful reminder of the day's success. It captures the essence of the celebration – a day dedicated to expressing gratitude and strengthening the bonds within the school community. The memories created on this day are sure to be cherished for years to come, marking it as a truly special occasion.

Description (min 250 to max 800 words)*

On September 25, 2023, Sushant University celebrated World Pharmacists Day with a series of events that highlighted the indispensable role of pharmacists in healthcare. The theme for the year, "Pharmacy: Strengthening Health Systems," set the tone for the day's activities, emphasizing the vital contributions of pharmacists to patient care and the broader health system.

The celebration featured a panel discussion on "Pharmacists in the Digital Age," with experts from various sectors of the pharmaceutical industry. Panelists included Dr. Rajeev Mehta, a pharmaceutical scientist, Ms. Sneha Patel, a digital health entrepreneur, and Mr. Ajay Verma, a policy analyst. The discussion explored topics such as telepharmacy, the use of artificial intelligence in drug development, and the impact of digital health tools on pharmacy practice.

Interactive workshops were conducted to provide hands-on learning experiences. Workshops included sessions on medication therapy management, patient counseling techniques, and the use of digital tools in pharmacy practice.

These workshops aimed to equip pharmacy students with practical skills and knowledge to enhance their professional competencies.

The event also featured a poster exhibition where students showcased their research on various pharmaceutical topics. The exhibition provided a platform for students to share their findings and innovations with peers and professionals.

In his closing remarks, Dr. Kumar emphasized the importance of celebrating and recognizing the contributions of pharmacists, encouraging students and professionals to continue their

commitment to excellence in healthcare. The World Pharmacists Day celebration at Sushant University was a resounding success, fostering a deeper appreciation for the profession and its critical role in health systems worldwide.

Description (min 250 to max 800 words)*	<p>Department of Cardiovascular technology from School of Health Sciences of Sushant University successfully organised an eventon“World Heart Day”. The theme of this world heart day was ‘USE HEART TO KNOW HEART.</p> <p>It consisted of a Zumba Session conducted to improve heart health from 9:30 to 10:30. It was a fun session conducted by Miss Shagun Saini. The session was done by both faculty and also some students. It was enjoyable and got everyone’s blood pumping and made everyone feel energetic.</p> <p>This day the event was divided into two parts –‘The Zumba’ and ‘The main event’ which was celebrated in the Auditorium.The guests of the event were Pro VC sir and HOD Maam.</p> <p>The main event was started with ‘Lamp Lightening’ done by our respected Pro VC sir and Hod Maam along with our faulties of health Sciences. This was followed by a graceful Saraswati Vandana performed by the students to invoke the Goddess of Education before our event.</p> <p>After this auspicious beginning to the activities our main event began with an informative slogan presentation by the first years of CVT. This was very enriching and thoughtful.</p> <p>This was followed by demonstration on the procedures of ECG and CPR by 5th Semester students. It was engaging and extremely knowledgable. The students also followed it with a pledge on this occasion of World Heart Day. This was very thoughtful.</p>

	<p>The demonstration was followed by a humorous skit on the various damaging symptoms of heart disease. This was presented in a very funny and engaging format by students of 3rd Semester and 1st Semester.</p> <p>After this there was various informative videos presented by CVT followed by fun dances and competetions like quiz presented by CVT.</p> <p>The moderation of the event and vote of thanks ended this event. It was an extremely wonderful event conducted by CVT with lots of memorable moments.</p>

<p>Description (min 250 to max 800 words)*</p>	<p>The School of Law, Sushant University hosted the celebration for Constitution Day on 24th November, 2023 though observed annually on 26th November, 2023 to commemorate the adoption of Constitution of India. In this regard, the School hosted an enriching programme where Shivani Bhargava, a student of 3rd year LL.B shed light on the importance of this historical day and Mr. Amit Kumar Singh delivered at stretch an insightful lecture on the history of the framing of Indian Constitution and its relevance in the modern times. On this occasion, the School also organized an Inter-School Debate Competition on the theme, “Freedom of Speech and Expression in the Digital Age”, where students from across the University enthusiastically participated and shared their views on the same. The competition was judged by Mr. Vipul Gaur and Mr. Ashutosh Raj Anand. Dakshita Sharma Katare, a student of fourth-year B.A LL.B (Hons.) programme won the first prize, closely followed by Aaditya Gupta, a student of third-year B.Tech, winning the second prize and finally, Ansh Mishra, a student of second-year B.A LL.B, securing the third position in the same. The session was finally concluded with a wonderful vote of thanks by Dr.Sulakshana Banerjee Mukherjee.</p>

Description (min 250 to max 800 words)*

Sushant University celebrated the 75th Republic Day with a vibrant and patriotic program that underscored the importance of India's democratic values and cultural heritage. The event was marked by a series of activities designed to engage students, faculty, and staff, fostering a deep sense of national pride and unity. The celebration began with the ceremonial hoisting of the national flag by a senior faculty member, accompanied by the national anthem. This was followed by a speech that highlighted the

significance of Republic Day, commemorating the adoption of the Indian Constitution on January 26, 1950. The speaker emphasized the values of democracy, liberty, and justice that the Constitution enshrines, reminding the audience of their duties as responsible citizens.

One of the key highlights of the event was a parade featuring various student contingents. These contingents represented different states of India, showcasing the country's rich cultural diversity. The students, dressed in traditional attire, marched with precision and enthusiasm, symbolizing unity in diversity. The parade was complemented by a display of cultural performances, including traditional dances, songs, and a skit that depicted historical events leading to India's independence and the adoption of the Constitution.

This year's celebration had a special focus on women empowerment, aligning with the broader national theme. The event featured performances and displays that highlighted the significant contributions of women to India's progress and development. A notable performance was a dance drama that portrayed the stories of prominent Indian women leaders and freedom fighters, inspiring the audience with their courage and dedication.

In addition to the cultural programs, the university organized various competitions and activities for students. These included essay writing, poster making, and debates centered around the theme of patriotism and national unity. The winners of these competitions were awarded certificates and prizes, encouraging students to engage more deeply with the country's history and civic responsibilities.

The event also included a special address by the university's Pro- Vice-Chancellor, who spoke about the importance of education in shaping responsible and informed citizens. He encouraged students to uphold the values of the Constitution and contribute positively to the nation's development. The speech was followed by the distribution of sweets, adding a festive touch to the occasion.

The celebration concluded with a musical performance by the university's choir, which performed patriotic songs that resonated with the

	<p>spirit of the day. The atmosphere was charged with enthusiasm and pride as the audience joined in, waving flags and singing along.</p> <p>Sushant University's Republic Day celebration was not just a display of cultural diversity and patriotism, but also a reaffirmation of the values that bind the nation together. It served as a reminder of the sacrifices made by countless individuals to secure India's freedom and the responsibilities that come with that hard-won liberty. The event left a lasting impression on all attendees, instilling a sense of pride and duty towards the nation.</p>

WELLNESS WEDNESDAY

Department of Cardiovascular technology from School of Health Sciences of Sushant University successfully organised an event as a part of Cardiovascular Disease Awareness Week. Shedding light on cardiovascular diseases is essential in today's generation of heart diseases being one of the global causes of death and awareness is the way forward to change. We conducted a workshop on the topic of 'Introduction to invasive and non invasive cardiology'. The workshop was conducted by alumni of department of cardiovascular technology, Hiba Naqvi. Session was also attended by Associate Dean Dr Jyoti Sinha. It was conducted from 2:30 to 4:30 pm. Miss Naqvi was felicitated warmly by Dr Jyoti Sinha, following which she began today's session.

All students from MRIT, Psychology, Optometry, Pharmacy and MLT were in attendance at the event and made it an interactive and evocative session. The session was extremely enlightening and enriching. It threw light on how to treat Cardiovascular diseases using invasive and non invasive techniques. She also shed a clear light on basics of minimally

	invasive surgeries and also cleared all the student's doubts in an interactive manner after the session. The event was successfully conducted and all students learnt a lot from the workshop.

Description (min 250 to max 800 words)*	<p>Department of Cardiovascular technology from School of Health Sciences of Sushant University successfully organised an event as a part of Cardiovascular Disease Awareness Week. We conducted a working model demonstration and competition of the same by all students of CVT. It was a vibrant event that was extremely knowledgeable and also a great opportunity for students to display their understanding of complex subjects and explain the same. The event was conducted from 11:00 am to 1:00 pm. It was attended by students and faculty of various departments. Students also were seen displaying their models to Dean of SHS Dr Sanjeev Kumar Sharma, Associate Dean Professor Jyoti Sinha and HOD Dr Elina Dewanji Sen. It was a successful event with models ranging from topics of Angioplasty to Atrial and Ventricular Septal Defects. It was an extremely wonderful event conducted by CVT with lots of memorable moments.</p> <p>The winners of the working model competitions were selected and awarded by Dr Ravi R Kasliwal after his session on Mission Save Heart on Thursday with our students. The prize winners were Model for Balloon Angioplasty (6th Semester) at First Place, Foetal Circulation (2nd Semester) at Second Place and Ventricular Septal Defect Model (4th Semester) at Third Place respectively.</p>

Department of Cardiovascular technology from School of Health Sciences of Sushant University successfully organised an event as a part of Cardiovascular Disease Awareness Week. Shedding light on cardiovascular diseases is essential in today's generation of heart diseases being one of the global causes of death and awareness is the way forward to change.

On the auspicious Day , 15th February 2024 We conducted a guest lecture on the topic 'MISSION SAVE HEART'. Dr. Ravi Kasliwal, Chairman-Division of clinical and preventive cardiology of Medanta heart institute, delivered a comprehensive presentation that shed light on the mission's objectives and strategies for promoting heart health. His extensive knowledge and experience in the field captivated the audience, providing valuable insights into preventive measures and advancements in cardiovascular care. Dr. Kasliwal emphasized the significance of adopting preventive strategies to reduce the risk of cardiovascular diseases. It was also attended by Vice chancellor Dr. Rakesh Ranjan, Pro Vice chancellor and Dean Dr. Sanjeev Kumar Sharma, an Associate Dean Dr. Jyoti Sinha and Head of department Dr. Elina Dewanji Sen. It was conducted from 2:00 to 4:00 pm at Auditorium D-421.

The interactive session allowed attendees to engage with Dr. Kasliwal, asking questions and seeking clarification on various aspects of cardiovascular health and prize for winners of working model competition was given by Dr. Ravi Kasliwal. The event was successfully conducted and all students learnt a lot from the insightful guest lecture.

	Such interactive lecture not only enhance academic learning but also inspire students to aspire for excellence in their respective fields.

Department of Cardiovascular technology from
School of Health Sciences of Sushant University

words)*

successfully organised an event on “cardiovascular disease awareness week”. The theme of this cardiovascular disease awareness week was “Heart Transplant “

The Cardiovascular Disease Awareness Week event witnessed a significant milestone on February 16, 2024, with an engaging online session focused on the intricacies of heart transplantation. Hosted by the CVT Department, the session aimed to shed light on this life-saving procedure and raise awareness about cardiovascular health.

Dr. Alok, a distinguished Senior Perfusionist from Delhi AIIMS, graced the event as the guest speaker. With his extensive expertise and experience in the field of cardiac surgery and transplantation, Dr. Alok delivered a comprehensive overview of heart transplantation, touching upon various aspects ranging from patient selection to post-operative care.

Dr. Alok emphasized the importance of meticulous patient selection, considering factors such as age, overall health status, and compatibility for transplantation.

Surgical Procedure:

He elucidated the intricate surgical procedure involved in heart transplantation, detailing the stages from donor organ procurement to recipient implantation.

- Immunosuppression and Follow-up:

The discussion encompassed the critical role of immunosuppressive therapy in preventing rejection post-transplantation and the necessity of long-term follow-up care to monitor graft function and overall patient well-being.

- Challenges and Advances:

Dr. Alok also highlighted the challenges encountered in heart transplantation, including donor shortage and organ rejection, while elucidating the latest advancements in the field aimed at overcoming these hurdles.

The online session on heart transplantation, featuring Dr. Alok as the esteemed guest speaker,

	proved to be an enriching experience for all participants. By disseminating valuable insights and fostering dialogue, the event contributed significantly to raising awareness about cardiovascular diseases and the life- saving potential of heart transplantation.
