*UG/ PG Students/ Research Scholar and Retired Professionals	₹1000/-	₹1200/-

Mode of Payment: DD in favour of Ansal University, payable at Delhi, ONLINE PAYMENT: Account Name: **Ansal University**, Bank Name: **Yes Bank Ltd.**, A/CNo.: **000380200001999**, IFSC Code: **YESB00000003**, Branch: Plot No. 11/48, Shopping Centre, Diplomatic Enclave, Malcha Market, Chanakyapuri, New Delhi -110021

*Registration will be accepted on production of Student ID. To submit your research paper: library@ansaluniversity.edu.in

Best Paper Award: Best paper award will be given on the recommendation of the panel of experts. The decision of the recommendation committee is final.

National Conference

on

"Changing Digital Landscape in SMART Environment"

February 8-9, 2018

Jointly organised by

Library Resource Centre, Ansal University

in collaboration with

United Nations Information Center for India and Bhutan

NCCDLSE 2018

About Ansal University

Ansal University has state of the art infrastructure, facilities, ambience and organizational culture, to nurture thinking and critical understanding needed in pursuit of professional knowledge and competence. We at Ansal University believe that a university is about empowering students to explore the unknown, through passionate, dedicated and innovative teaching and research. Our dedicated team of faculty is committed to the task of ensuring that our students are well trained and holistically developed to meet the challenges of their chosen profession in this competitive world.

About the Library

The Library knowledge center at Ansal University has a very active learning ambience. Spread over a carpet area of 9000 sq. feet, it has three sections: Main Section, Reference Section and Auxiliary Section. It can accommodate 500 students at a time. It is fully linked with Internet and local Intranet and has a rich collection of more than 65000 relevant books, journals, database and educational CD-ROMs. The library subscribes to national and international journals in print besides a large number of e-databases through EBSCO, JSTOR. Apart from that, all the leading magazines are subscribed to. The Library is fully automated & computerized by LS Ease software, which is an offshoot of LibSys, the most popular and widely used software in the country and SIM (ERP). We have a membership of DELNET (Developing Library Network) for resource sharing and inter-library loans of national and the international database and Indiatat database for statistical information. Institution: An institute that offers world-class education and research in Architecture, Design, Technology, Law, Liberal Art, Management and allied professions with sustainability at its core. A prestigious institution that is the "destination institution" in India for the world. A not-for-profit, run by a Board of Trustees.

Introduction

The world has seen an explosive growth in digital connectivity over the past few years, and knowledge trends over the coming years are expected to lead to even further expansion of communication and digital networks. Making adequate use of information, transforming it, and creating knowledge out of it requires competence and opportunity – both in terms of innovation and capacity development. Information and knowledge are, therefore, crucial assets of the knowledge economy. As custodians of knowledge in the digital age, libraries, data centres, information and knowledge centres have a pivotal role in driving organizational and societal innovation in the global knowledge society.

Objectives of the Conference

This conference intends to provide a forum for discussion and exchange of ideas on the main theme as well as the various themes. The main objectives of the conference are to:

- Develop a clear understanding on the role of IT, Management Science and LIS Professionals in Knowledge Innovation and Knowledge Management.
- Discuss debate and develop strategies to manage information systems and libraries in web environment.
- Identify and share 'Best Practices' developed and adopted by various information systems and libraries.
- Increase the expertise and provide the best possible platform by educating students and attracting new researchers.
- Imparting awareness of copyright among the new generation.
- This conference will offer an opportunity to put forward on legal issues on plagiarism.
- It will provide innovative plans, debate classic ideas on "Content Security".

Target participants:

This major event expects international participation by information scientists and Information professionals involved in library research, digital library professional, technology application, and other related disciplines in the field of library and information studies. Some of the broad categories of expected participants are as follows:

- Academic Policymakers and program implementers of the Central and State governments and their departments.
- Officials involved in academic, especially in higher education.
- Students and Research Scholars
- Faculty member, Teachers in higher education and Teacher librarian in Schools.
- Library and information science professionals
- Educationalists and academics E-learning communities
- Knowledge worker.
- Content analyst, content manager and content writer.
- Non-Governmental organization (NGO) members and civil society organizations who are engaged in copyright and plagiarism.

Guidelines for contributors:

- The paper should be submitted simultaneously for approval to the Editorial Board by the date announced.
- The full paper will be reviewed by the Editorial Board and the comments, if any, of the Board will be communicated to the author/s for necessary action.
- The original papers submitted should be typed on MS Word with proper citation as IEEE format. The text should be typed single-spaced, A4 page size, 12-point font size, Times New Roman font type, in word format. The word limit for each paper is 4,000 to 4500 words. All papers should be written in English for acceptance in the conference presentation.

- Authors should send the copyright form by post duly signed by them declaring that the paper is original and has not been published anywhere.
- Only selected papers will be published in conference proceeding and the author will be invited for presentation in the conference. Presentation is expected to be of 10 minutes on power point presentation followed by discussion.
- The text of conference paper must comprise Title of the paper, Name(s) of author/s, their Institution, city and country. Abstract of approximate 150 to 200 words, summarizing the presentation along with key words, full text with proper citation and references.
- The authors can send their papers as an e-mail attached on library@ansaluniversity.edu.in
- Last Date for Submission of papers: 15-12-2017

Conference Themes

INNOVATION IN LIBRARIES ARCHITECTURE

- Concept of Green Library Construction.
- Innovative Construction for Library Building
- National and International Standards for Library Construction.
- Revolution for Differently Abled People Needs

EMERGING TECHNOLOGIES AND TRENDS

- Interactive and Integrated Learning Tools.
- Use of Mobile Technology/Applications for Library Transactions, Library Alert etc.
- New Trends in Library Digitalization, Software Licensing: Commercial and Open source for Automation, Content Management, Digitization, Preparation of Repository etc.
- Latest Technology like, RFID facility, QR code, Barcode, Green Technology concept, Cloud Computing etc.
- Use for Libraries Web Accessibility, Services and Applications, Role of Social Media

RESOURCE ACQUISITION AND IMPLEMENTATION

- Books to E-books E-books to Interactive Books
- Managing Digital Resources in Libraries
- Prevention and Privilege to Academic Community
- Content Licensing: Buying and Selling Digital Contents
- Consortia Licensing Issues
- Issues on New Collaborative Models of Digital Licensing
- Collective Rights Management.
- Best practices to Enhance usage
- Collaborative & Participatory information environment (Consortium, Networking, DDS etc.)
- Cost effectiveness

INNOVATION IN SCHOLARLY COMMUNICATION

- Open access Discovery system, Federated Searching.
- IPR/Copyright, Fair use, Plagiarism, Digital Right Management
- Impact Factor, H-Factor
- Citation Model (APA, MLA, Chicago IEEE) & Tools (End Note, Refworks, Bib Tex, Mendeley, etc.)
- User behavior analysis & modeling

KNOWLEDGE MANAGEMENT & REPOSITORIES

- Information Systems Knowledge Management and Engineering
- Ontology Coupling, Integration and Matching
- Knowledge Management
- Management of Technology in Education and Businesses
- E-Government strategies, implementation procedures, and case studies

- Technology Transfer, Marketing and Commercialization
- Knowledge Engineering and Discovery
- Cyber law, E-commerce Law, and Intellectual property rights
- Data Warehouses and Data Mining
- Software engineering of e-business systems
- Data Mining Techniques
- Knowledge extraction and search.

COPYRIGHT ISSUE

- Copyright Issues in Libraries
- Copyright and Digital Archiving
- Copyright Law in the Electronic Age
- Plagiarism and Copyright Infringement
- Fair Use Doctrine and Copyright Protection
- Remedies Against Breach of Copyrights

INTERNET AND CHALLENGES FOR INTELLECTUAL PROPERTY RIGHTS

- Social Media: Implications for Intellectual Property Law
- Internet Surveillance in Libraries
- IPR in Cyber Space and Cloud Computing.
- Link Data and Big Data.
- Open Access, Creative Commons and Copy Left Issues
- MOOCs and Digital Learning Material: Ownership and Access Rights
- IPR in Open Source Software

- Intellectual Property Development, Management and Protection
- Digital Licensing and Issues
- Digital Libraries and IPR
- Digital Rights Management
- Intellectual Property Rights and Cultural Heritage Preservation

POLICY & MANAGERIAL ISSUES

- Electronic Resources Management Transforming Libraries
- E-publishing and Digital Libraries
- Transborder Rights and Library Consortium
- Leadership & Staff Development & Training
- Information Literacy & Teaching
- IP Security and Digital World

INNOVATION AND ENTREPRENEURSHIP

- Innovation Clusters, Technology Transfer and Entrepreneurship
- Leveraging digital skills for Innovation in the Society
- Corporate and Social Entrepreneurship
- Women Entrepreneurs education and development
- Benchmarking of Entrepreneurship and Innovation Best Practices
- High Tech Entrepreneurship and Technological Innovation
- Strategic Integration between Innovation & Entrepreneurship
